ADVANCED APPLIED COMMERCIAL MUSIC – GUITAR

MUSP 2141 01

Course Description:

Advanced private instruction in electric guitar with goals related to commercial music. Demonstrate proficiency in commercial music repertoire and technique; develop a professional, disciplined approach to performance skills; and present a juried public performance or recital (Capstone performance).

Prerequisites and/or Corequisites:

Prerequisite: MUSP 1105 with a grade of C or better. Corequisite: Concurrent enrollment in a Commercial Music Ensemble – exceptions must be approved by program director. Semester Hour 1 (1 lec/3 lab)

Course Notes and Instructor Recommendations:

Students will be assigned individual instructors at the start of each semester.

Students will keep a practice journal in which practice time, material practiced, questions and observations will be logged. The instructor will check the journal at two-week intervals.

A jury will be played at the semester's end for the string faculty. This will demonstrate the work done and progress achieved during the semester. Scales, arpeggios, chord studies and several songs will need to be prepared for this event. In the student's last semester, a public performance demonstrating skills acquired in a variety of musical styles will be presented. This is called the Capstone performance.

Students are required to practice at least one hour per day. Guitar majors should set aside time to practice 2 hours per day.

Programs from five live MCC music department performances (in which the student did NOT perform) will be turned in before the end of the semester. This will count as 10% of the final grade.

It is highly recommend that students purchase a metronome (or metronome app) and an electronic tuner (or tuner app). These items can be found at any music store or online for anywhere from \$20.00 to \$50.00 or more. The apps are considerably less expensive.
