Important Course Dates:

Labor Day - Monday, Sept 7th

Last Day for Student Initiated Drops – Monday, Oct 26th

Thanksgiving Break – Wed, Nov 25th – Sunday, Nov 29th

Last Day of Class – Sunday, Dec 6th

Course Grading Information:

Every instructor will design various assessments, but all GOVT classes will use a standardized assessment which will measure the four specified CORE Student Learning Objectives of Critical Thinking, Communication, Social Responsibility and Personal Responsibility and the ACGM listed student learning outcomes. ALL ACTIVITIES ARE DUE ON THE CALENDAR DATES.

Quizzes (Test) – Each section will have an end of the chapter/section quiz that is required to take by a specific due date. The quizzes (tests) will cover the entire chapter, power points, and reading. They are multiple choice, timed tests. Students may not work ahead on quizzes and must meet specific deadlines. For each chapter quiz, students may take the item up **to three times**. However, any resets are considered the student's one late item and no other late items will be allowed. Quiz resets for technical reasons DO count as a quiz reset. Having three opportunities to take the quiz does not mean that students are guaranteed that all three of those attempts will be completed. **The HIGHEST QUIZ GRADE is the recorded grade. Each quiz is 25 questions worth 1 point each.**

Guidelines for taking an online quiz:

1. On the navbar, click  Quizzes.
2. On the Quiz List page, click on the quiz you want to take.
3. Read the instructions and details for the quiz, and when you're ready, click Start Quiz!.
4. Answer each question. As a best practice, save each answer after you have entered it. You can see which questions you have saved answers to in the Questions section of the quiz's left panel. You can also click the question number in the quiz's left panel to go back to the question.
5. To navigate between pages, click Next Page or Previous Page.
6. Click Go to Submit Quiz after you answer all quiz questions.
7. If you are ready to submit the quiz, THEN click Submit Quiz.

8. **Only the textbook can be used for the quizzes. No outside assistance, including other students, is allowed. A zero will result, and the student will be reported to the Academic Integrity Committee. A second cheating incident will result in failing the course.**
9. **All quiz times are based upon Central Standard Time (CST)**

Note: Your organization may require you to use the Respondus LockDown Browser® to take quizzes. You can click the Respondus LockDown Browser link in the Quiz Requirements section to download and install it for free. You can then launch your quiz. If you have installed the Respondus LockDown Browser already, the Start Quiz page will open automatically within it.

Discussion Boards– Three Discussion Boards are required each covering differing topics. The Orientation Discussion Board (#1) and two other discussion boards are required. The initial Orientation Discussion Board is worth 10 points. The remaining 2 discussion boards are worth 45 points each. Within a Discussion Board, the professor only allows the students to REPLY to the professor's original post and other student's replies. Students are not allow to create new threads. Each new reply must indicate what the student is doing in the subject line.

Discussion Board (DB) Activities:

DB #1: Orientation Discussion Board (10 points)

More Instructions and readings for DB #1 are found on the course Brightspace.

DB # 2: Texas Elections (45 POINTS)

More Instructions and reading for DB#3 are found on the course Brightspace.

DB #3: Legislative Politics (45 POINTS)

More Instructions and reading for DB#2 are found on the course Brightspace.

Discussion Board Requirements:

- Students are required at a minimum to make 3 posts for each discussion board. The Orientation Discussion Board is worth 10 points and the two remaining discussion boards are worth 45 points.
- The initial post (for all discussions except the Orientation) counts 25 points and must relate to the readings and questions posted with the discussion. **Students**

MUST ANSWER ALL OF THE QUESTIONS USING THE POSTED MATERIAL.

- An additional 10 points will be allotted for a student's new reply asking a thought-provoking question covering the material read for the discussion board. This question must directly relate to the material, MAY NOT be a simple yes or no answer, must promote discussion, and may not be a repeated question or a question that is similar to another student's question or my questions.
- A thoughtful reply to some else's question using information discovered AND presented in the material is mandated for the final 10 points. Students must use the articles in order to answer a student's question. **The answer to another student's question must be at a minimum 4 sentences long!**
- All postings must be completed by the individual student. **Any outside assistance is not allowed.** Due to the nature of Discussion Boards, students may not submit discussion boards late.
- **Any missed discussion, no matter the reason, will not be allowed to be submitted late.**
- Any sign of plagiarism will be an automatic zero for the paper. Any non-citation of words, ideas, or concepts is considered plagiarism. These incidences will receive a zero. Students will be reported to the Academic Integrity Committee. The second offense will result in failing the course.
- Do not copy other student's material. This action falls under the plagiarism definition and the entire assignment will receive a zero. Students will be reported to the Academic Integrity Committee. The second offense will result in failing the course.
- **No wikis such as Ballotpedia, Wikipedia or Congresspedia are allowed.**
- Do not quote entire paper or large sections. A zero will be recorded if students provide too many quotes. Students should put the answers in their own words.
- Any sign of using alternative sources to answer the questions or cutting & pasting answers from any other person is grounds for a zero on the assignment. Students will be reported to the Academic Integrity Committee. The second offense will result in failing the course.
- Follow all discussion directions. Within a Discussion Board, the professor only allows the students to REPLY to the professor's original post and other student's replies. Students are not allow to create new threads.
- No copying and pasting from previous assignments/activities is allowed for Discussion Boards.
- Make certain that the discussion answers and posts are saved on a personal computer in case any issues develop with the Brightspace.
- ADDITIONAL DIRECTIONS ARE ADDED ONTO THE COURSE BRIGHTSPACE AND MUST BE FOLLOWED OR A ZERO WILL APPLY.

Final Exam – A final exam will be posted at the end of the semester. It will consist of two essay questions and will not contain a time limit (but does have a due date). It will be a comprehensive final comprising of what students have learned throughout the semester and also a portion heavily focused on chapters 12, 13, and 14. It is worth **40 points** and **required** for all students. All other activity directions and requirements apply to this assignment, including, but not limited to, plagiarism, excessive quoting, and no use of outside sources unless allowed. No copying and pasting from previous assignments/activities is allowed for the Final Exam. The questions must address Texas Politics only and not national politics. Final Exams cannot be submitted late. More directions will be forthcoming when the final exam due date arrives. Make certain that the final exam answers are saved on a personal computer in case any issues develop with the Brightspace. Technical issues are not an appropriate reason for a late final exam. Late final exams are not allowed no matter the reason.

Grades: The point system is utilized for the Course. The benefit of the point system is that every point helps! Each section, students will have points for quizzes with additional points from assignments, discussion boards, and other required activities. Specifically, students will have 1 Orientation Quiz WORTH 10 points, 14 chapter quizzes WORTH 25 points each, 1 Orientation Discussion Board worth 10 points, 2 Discussion Boards WORTH 45 points each, and 1 Final Exam worth 40 points. The delineation of the points is as follows:

Orientation Quiz	10 points
Orientation Discussion Board	10 points
Quizzes (14 quizzes x 25 points each)	350 points
Discussion Boards (2)	90 points
+ Final Exam	<u>40 points</u>
Total Points	= <u>500 points</u>

[At the end of the semester the point range will break down as follows:](#)

90% of 500 points = 500 – 450 points = A

80% of 500 points = 449 – 400 points = B

70% of 500 points = 399 – 350 points = C

60% of 500 points = 349 – 300 points

299 points and below = F

Late Work, Attendance, and Make Up Work Policies:

Late Work, Attendance, and Make Up Work Policies:

In very rare cases, death of a family member, extreme illness, or official college function, will allow a student to complete missed assignments. **In order for that to occur, students must contact me via Classlist (internal messaging center) within 24 hours of the missed task with a valid explanation, otherwise it is a zero. ONLY ONE activity will be allowed to be submitted late with a valid excuse. A quiz reset does count as a late activity. All other missed activities after the one late item or reset will receive a zero. Due to the nature of discussion boards, discussion boards cannot ever be submitted late!** **The final exam cannot be submitted late either.**

Attendance is kept through participation rates. Missing more than 3 sections of activities will lead a student to be dropped. If it is after the drop date, then the student will receive an F if they are failing the class.

Make Up Quizzes:

The following guidelines will prevail if a student fails to complete a quiz before the completion date, and requests to make up the quiz.

1. The student must send me a message within **24** hours after the completion date and time requesting to make up the quiz.
2. The message must detail why the student failed to complete the quiz on time.
3. After receiving the request, I will consider giving extra time based on each request.
4. If the make-up request is granted, the student will be given a password to enter the

quiz and have one day to complete the missed quiz. The quiz may only be taken once.

5. If the student has had a quiz unlocked prior to the request, he or she **WILL NOT** be allowed to take the make-up quiz.
6. If a student has not had a quiz unlocked prior to the request, the make-up quiz will count as their lock-out for the semester.
7. The three quiz attempts does not guarantee that students will be able to take the quiz three times every section. If students have technical difficulties with their computer or issues that negate a quiz, then they have 2 other attempts to make-up for that lost quiz attempt. Thus, the reason for the three attempts.

Discussion Boards: cannot be submitted late.

Final Exam: cannot be submitted late.

Student Behavioral Expectations or Conduct Policy:

“Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.” Students are not allowed to plagiarize, cheat on quizzes, copy from other students or outside sources, and to maintain course integrity throughout the semester.

- If a student violates the student handbook, it is at the instructor’s discretion to dismiss that student from the class.
- Remember that politics is being discussed in this course. Many are impassioned about their beliefs. A civil discussion provides for discovery of the information and allows a student to explore their own beliefs. However, I reserve the right to request a disruptive student to leave the course.
- All student plagiarism is reported to the Student Discipline Committee.
