2. Classify elements of music, such as scales, intervals and chords.
3. Transcribe aural rhythms and diatonic melodies.
4. Transcribe and analyze aural basic harmonic progressions.
5. Read and reproduce rhythms in various simple meters.

CORE Competencies assessed are:

Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information

Teamwork - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal

Empirical and Quantitative Skills - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions

Course Outline or Schedule:

The course will progress parallel to your MUSI 1311 course, adding new harmonic material as you learn to write it. Each class period will include melodic, rhythmic, and harmonic dictation (frequently turned in for a daily grade), plus examples from the sight-singing text that have been previously assigned as well as true "sight-singing" examples. Tests will be announced. There will be graded activities at every class meeting.

Course Grading Information:

Grades for Elementary Sight Singing and Ear Training will be computed as follows:

Elementary Sight Singing/Ear Training I

MUSI 1116 01/02

Daily Grades/Participation/Attendance	20%
Ear Training Tests	20%
Aurelia Assignments	20%
Sight-Singing Tests**	10%
Keyboard Tests***	10%
Final Exam	20%

**Tests for Sight Singing and Ear Training will be announced.

***Keyboard (KB) assignments will be made for each unit. You will be tested on this material individually. Each assignment is a test. Practice it outside of class. If you need help – ask!

Harmony and SS/ET, although listed as separate courses in the catalogue, meet as one class, 4 days a week. Twenty percent (20%) of your grade will be daily grades. If you are absent or late, remember that it only takes a couple of "zeroes" to trash your average.

MUSI 1116 is a skills class. As with any skill it requires time and unfortunately, repetition. These skills are among the most important that a musician can have.

Grading Scale:

A	=	90-100	D	=	60-69
B	=	80-89	F	=	below 60
C	=	70-79			

Late Work, Attendance, and Make Up Work Policies:

Most of the “homework” in this course will be preparation, including keyboard practice, plus the Aurelia program assignments. Attendance takes on added importance since most of your grades will be daily grades on exercises done in class (usually at the *beginning* of class) for which there will be no make-ups.

Regular attendance is crucial to your success in this class, especially the skills portion. Roll will be checked at the beginning of class, frequently with skills activities, which WILL be graded. (Please remember that zeroes do not average well!) Any student missing 25% of the scheduled class times, (8 class days-MW/8-TTH combined total) will automatically be dropped from the course, as per school policy. This policy applies to ALL absences, including illness, school-related functions, family emergencies, etc. Students who know in advance of an absence should inform the instructor BEFORE the missed class (although advance notice does not assure that grades may be made up). It is your responsibility to inform your instructor of school sponsored activities before the absence in order to make up the grade. Emergencies will be handled on an individual basis. Final decisions regarding make-up opportunities rest with the instructor.

Student Behavioral Expectations or Conduct Policy:

Students are responsible for their own progress. You are expected to take the initiative to assure that you acquire a firm foundation for your musicianship. You are expected to practice the skills emphasized during class. You are encouraged (and expected) to ask the instructor for help if difficulties arise. You are responsible for all material covered in class, even during absences.

Everyone is expected to participate in class. Musical skills are developed and understood through practical application and repetition.

Please turn OFF all cell phones and pagers.

Bottled beverages (bottled water or soda) are allowed in class. Napping will not be tolerated!
