COURSE SYLLABUS AND INSTRUCTOR PLAN

Medical Law and Ethics

MDCA 1305.01

Alyssa Van Vleet

NOTE: This is a 16-week course..

COVID 19 Notice:

McLennan Community College is committed to providing you with every resource you need to reach your academic goals including your safety. We will continue to monitor the evolving situation with COVID 19 and adjust our safety guidelines to make sure we offer a safe environment for you and our faculty. Please make sure to consult your faculty and the MCC website on any changes to these guidelines.

Course Description:

Instruction in principles, procedures, and regulations involving legal and ethical relationships among physicians, patients, and medical assistants.

Prerequisites and/or Corequisites:

None

Semester hours: 3 (3 lecture)

Course Notes and Instructor Recommendations:

This course will be taught in a face-to-face format on Mondays and Wednesdays in room 228 in the Health Professions (HP) building. To be successful in this class, it will require several things:

- Spending time outside of class, preparing for the lectures by (GASP) reading the chapters in the book and reviewing the PowerPoints (I also advise that you print them off as well so you aren't trying to scribble all the notes from the PowerPoint during the lectures. I promise, you'll thank me for this tip!)
- Deadlines are important. Deadlines are just that "deadlines." Therefore, the students need to make sure that they read the tentative schedule to know when deadlines are and need to organize their time to meet those deadlines.
- Study for tests. Students need to set aside a certain time of the day to study for the exams given in this class. It is also important to advise family and friends when this time is to avoid distractions from becoming a problem.

I also recommend that you bring your laptop to class everyday. We will be reviewing assignments that you submit via Brightspace and if you are someone that doesn't print assignments, then you will still be able to access them on your laptop.

Course Grading Information:

- 1) EXAMS AND FINAL EXAMINATION: There are a total of 3 exams and one final exam.
- 2) Homework/bookwork will be submitted via Brightspace.
- 3) See break down for grading practices

GRADE BREAKDOWN

Homework 20%

Participation 10%

Exams 40%

Final Exam 30%

Homework:

After every chapter we lecture over, there will be assigned homework that is to be completed and submitted via Brightspace. Before each lecture, we review and discuss the previous chapters homework to make sure there is a complete understanding of all the questions. Should the homework not be submitted by the due date/time, you will received a 0 for that particular grade.

Class Participation:

This should be the easiest 100 you will ever earn! Every class we have, you will be graded on your participation which includes (but not limited to,) being actively involved in the lectures including expression of opinions (always respectful though) and questions on classroom lectures, listening attentively, and completing all assigned work. Points will be deducted should you cause distraction, being on your phone, repeatedly showing up late to class, falling asleep, etc.

Exams:

Like mentioned above, there will be a total of 3 exams and 1 final exam at the end of the semester.

HOW THE COURSE GRADE WILL BE DETERMINED

A = 90-100

B = 80-89

C = 70-79

You must maintain a 70% or higher to pass all MDCA courses

*****Instructor Note*****

Cheating or plagiarism will not be tolerated in any form. First offence will result in a grade of zero on the said work/exam. Second offence will result in expulsion from the program.

Late Work, Attendance, and Make Up Work Policies:

Late Work/Make Up Work:

Exams are to be taken as scheduled. Failure to take the examinations as scheduled may result in receiving a zero for a grade. Students are responsible for assuring all examinations have been taken and it is the students responsibility to schedule a makeup date to take the exam. Any exam that has not been taken by the end of the semester will be given a grade of zero. The final exam must be taken on the scheduled date and time unless prior arrangements have been made with the instructor.

Attendance:

Attendance will be checked 5 minutes after class begins. Should you be absent, I request that you send me an email, letting me know that you will not be present.

Absence from 25 percent of scheduled lecture and/or laboratory meetings (8 days) will be taken as evidence that a student does not intend to complete the course, and the student will be withdrawn from the course with a grade of W. If the student's 25 percent absences are reached after the official drop date, the instructor may assign a W, if the student is passing and requests to be withdrawn. However, if a student who is not passing reaches the 25 percent point after the official drop date, the student will receive an F. Each absence will count toward attendance requirements in each course.

Student Behavioral Expectations or Conduct Policy:

Proper student behavior during class is expected at all times. This includes proper respect for your classmates and their opinions, the instructor, dress code, language, attitude, and respect for the field in which you are entering. During class, you are expected to participate in the lecture. Cell phones are to be placed on silent and put away. If you need to answer a call, please excuse yourself into the hall to answer. Sleeping in class will not be tolerated. If you are caught sleeping, points will be deducted from your participation grade. During exams, you are required to remove all watches and place them along with your phone, books, notes, etc. away in your backpack. Consequences for failure to comply with all class rules/guidelines stated in this syllabus as well as other rules stated in the MCC Student Handbook will have the following consequences:

- (1) The student will be asked to comply with the rules (penalties will stand as stated).
- (2) If the student fails to comply, the student will be asked to leave the room for the remainder of the class for that day.
- (3) Subsequent incidents will result in a conference with the program director, the campus disciplinary specialist, and/or the dean of workforce education for further disciplinary actions which could include being dropped from the course. It is the student's responsibility to make up any missed work by the original deadline for the work missed due to a disciplinary action.

*****INSTRUCTOR NOTE:*****

Often, your success in the course can be maintained through discussion with me. Please let me know if you are experiencing difficulties. If you have concerns, tell me immediately. I can only help if I am aware of the situation. Communicate issues as early as possible. There is absolutely nothing I can do to prevent failure if I find out about the issue too late.

I expect every student within this program to behave with the upmost professionalism and respect at all times. You are preparing to enter a field into which both of those qualities are valued. Please do not tarnish your reputation by behaving in such a way that causes others to lose respect for you.

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

*****INSTRUCTOR NOTE:*****

Please understand that I care for each of my students, especially when it comes to their safety and well-being. If during the course of our discussions an issue arises in which I feel warrants a referral for Title IX or to our success coaches, I will not hesitate to make the referral. I will do my best to notify you in advance of the referral and will stand by your side as part of your circle of care for as long as you and the college will allow. Should these circumstances arise, please understand that the referral is not disciplinary, but rather an opportunity to intervene early and identify all resources that can help you find academic and personal success.

COLLEGE

ACADEMIC RESOURCES/POLICIES

Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at <http://www.mclennan.edu/campus-resource-guide/>

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact a Success Coach by calling (254) 299-8226 or emailing SuccessCoach@mclennan.edu. Students may visit the Completion Center Monday-Friday from 8 a.m.-5 p.m. to schedule a meeting with a Success Coach and receive additional resources and support to help reach academic and personal goals. Paulanne's Pantry (MCC's food pantry) provides free food by appointment to students, faculty and staff based on household size. Text (254) 870-7573 to schedule a pantry appointment. The Completion Center and pantry are located on the Second Floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to <https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html> to find out more about the emergency grant. The application can be found at https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to <https://www.mclennan.edu/center-for-teaching-and-learning/Faculty%20and%20Staff%20Commons/requirements.html> for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

Forwarding Emails:

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating.

Accommodations/ADA Statement:

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. For additional information, please visit www.mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:
