## **Late Work, Attendance, and Make Up Work Policies:**

I will penalize late work. Unless I have previously granted permission to turn the assignment in late or receive a document from a doctor validating an illness that caused the absence or prevented you from turning the assignment in to me on time, I will penalize the assignments in the following manner:

- Papers turned in the same day, but after class the stated time will receive a 10% penalty
- Papers turned in within a week will receive a 25% penalty
- Papers turned in a week after the due date will receive a 35% penalty.
- Papers turned in more than a week after the assignment's due date will receive at least a 40% penalty
- It is acceptable to submit a paper to the instructor before the day it is due. This will prevent points from being deducted if you are unable to turn it in on time

**Class attendance and participation are a must** and may be the deciding factor in borderline grades. I may allot extra credit points for exemplary participation and effort. **Students are required to take all quizzes exams on the scheduled dates.** However, if an exam must be missed, the student must contact me in advance with a legitimate reason and appropriate documentation. In exceptional situations, I will provide an altered make-up exam. **I will not give make-up quizzes or make-up exams.**

Students will be permitted to make up exams missed due to (1) authorized participation in official College functions, (2) significant personal illness, (3) an illness or a death in the immediate family, or (4) the observance of a religious holy day. The instructor has the prerogative to determine whether a student may make up work missed due to other reasons. The student is responsible to inform the instructor of the reason for an absence and to do so in a timely fashion.

## **TurnItIn:**
