Late Work, Attendance, and Make Up Work Policies:

There is always compassion regarding this course and the processes needed to understand Statistics, but there is a personal responsibility in knowing this class exists and needs as much attention as the Math 1332 Statistics class.

- **If 3 weeks of non-participation with the response emails or metacognition pdfs occur, the penalty is receiving an email and if no response a drop will happen. This will cause you to be dropped from Math 1332 as well**
- **If there are 2 weeks without receiving the week's assignment, then an absence will occur a "0" given for that assignment**

This course is meant to address technology and offer practice in understanding Quantitative Reasoning.
