PSYC 2314-13

Course Grading Information:

The final grade will be based on the student's average of 4 test scores, a final exam, 17 Connect Practice Sets, 5 Connect Lifespan Scenarios, and class participation and attendance.

Tests: The 4 unit tests will be conducted on Brightspace. **COMPLETION OF TESTS BY DUE DATES IS MANDATORY!!** If a student is unable to complete a test, the student must inform the instructor prior to the due date. **ONLY 1 TEST MAY BE MADE-UP! If a second test is missed, it will be considered an automatic 0 for the grade.** No project can replace a(n) test/exam score. If these guidelines are not followed, the instructor has the right to reduce possible grades and/or fail the student for lack of compliance with course requirements. The instructor also holds the right for alternatives at her discretion. Each test will be weighted at 10% of the final grade.

Final Exam: The final exam will be held on Tuesday, December 6. This exam will be given **IN CLASS**. Attendance is mandatory and final exams will **NOT** be given early. Students must bring a **scantron 882-E** with them for this exam. The final exam is comprehensive with emphasis on chapters 14-17 and Dev Disorders. The final exam will be weighted at 20% of the final grade.

Connect Practice Sets: The average of 17 chapter quizzes will make up another 20% of the final grade. The quizzes are conducted online through Connect. It is the student's responsibility to obtain a Connect registration code with their book. **Quizzes have strict due dates and therefore CANNOT be made up!!!** Due dates for these can be found on the course calendar.

Connect Lifespan Scenarios: The average of 5 Connect Lifespan Scenarios will be worth 10% of the final grade. These scenarios are conducted online through Connect. They involve a scenario of a particular Lifespan period, in which the student will play the role of that period, interacting with various people and objects to enhance understanding about the concepts of that period. The student will be required to complete objectives to pass each scenario. **Due dates will be strictly followed!**

Attendance and Participation: The last 10% of the final grade will be determined by the student's attendance and participation. This **includes** timeliness of coming to class, staying until class is dismissed, and coming prepared for learning and discussing the material of each class period.

LIFESPAN GROWTH & DEVELOPMENT

PSYC 2314-13

Grading Summary:

Test 1 (Chapters 1-2) =	10%
Test 2 (Chapters 3-6) =	10%

Test 4 (Chapters 11-13) =	10%
Final Exam (Cumulative, emphasis on Chapters 14-17)	20%
17 Connect Chapter Quizzes Average =	20%
5 Lifespan Scenarios =	10%
Attendance and Participation =	10%
FINAL GRADE =	100%

The traditional score equivalency will be used in this class:

A = 90-100%
B = 80-89%
C = 70-79%
D = 60-69%
F = BELOW 60%

Late Work, Attendance, and Make Up Work Policies:

No assignment, DB, or practice set is allowed to be made up after its due date and only 1 test may be made up with instructor permission. The final exam MUST be attended as scheduled.

Incomplete Grade:

Only students who have completed and passed 80% of the course requirements will be eligible for an incomplete. Illness, death in the family, or other extenuating circumstances needs to be present; and consultation with the instructor is mandatory.

Student Behavioral Expectations or Conduct Policy:

Each student is strongly recommended to participate in class. Due to the diversity of the students, many different viewpoints will be held. Students may not only disagree with each other at times, but the students and instructor may also find that they have different views on sensitive and volatile topics. It is my hope that these differences will enhance the class and create an atmosphere where students and instructor alike will be more encouraged to think and learn. Therefore, be assured that your grade will not be adversely affected by any beliefs and/or ideas expressed in class or assignments. Respect will be given for the views of others when

expressed in classroom discussions. The instructor expects students to also treat each other with respect and manifest appropriate classroom behavior.

If the instructor becomes aware of cheating or plagiarism, an automatic 0 will be given for that task. These behaviors will be reported as per MCC policy. See MCC's policy on Academic Integrity for more information.

Attendance:

Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course, including online and hybrid courses. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades. Instructor will follow the MCC attendance policy strictly, dropping students after 25% of classes are missed. For this class, the student will be dropped after missing 8 class periods. Attendance WILL be taken each class period.
