COREQUISITES: [RNSG 1128, 1125, 1216, 1161](#)

Course Description

In-depth coverage of foundational health care concepts with application through selected exemplars. Concepts include comfort, diversity, elimination, functional ability, human development, mobility, nutrition, sensory perception, sleep, thermoregulation, grief, and tissue integrity. Emphasizes development of clinical judgment skills in the beginning nurse. This course lends itself to a concept-based approach.

Course Notes and Instructor Recommendations:

Students are responsible for materials placed on D2L|Brightspace and Elsevier/Evolve website by faculty daily. Many announcements are also sent out via students' MCC email. Students are expected to check their MCC email and D2L|Brightspace announcements daily for changes and updates. Posting power point presentations, lecture notes, and other materials are at the discretion of each individual instructor. Communication with the student's assigned faculty advisor and/or clinical instructor will occur through MCC email only. No other email addresses will be used. Please refer to the ADN Student Handbook for additional information.

Course Objectives and/or Competencies:

Upon completion of this course the student will:

1. Utilize a systematic process to analyze selected foundational concepts for diverse patients across the lifespan. (SLO: 1, 2, 3, 4, 5, 7)
2. Describe nursing management for selected foundational concepts. (SLO: 3, 4, 5, 6, 7)
3. Apply the learned concepts to other concepts or exemplars. (SLO: 1, 2, 3, 4, 5, 7)
4. Describe the interrelatedness between foundational concepts to assist in developing clinical judgment. (SLO: 1, 2, 3, 4, 5, 7)

STUDENT LEARNING OUTCOMES (SLO)

The graduate will be able to:

1. Use clinical reasoning and knowledge based on the nursing program of study, evidence- based practice outcomes, and research-based policies and procedures as the basis for decision-making and comprehensive, safe patient-centered care.
2. Demonstrate skills in using patient care technologies and information systems that support safe nursing practice.
3. Promote safety and quality improvement as an advocate and manager of nursing care.
4. Coordinate, collaborate and communicate with diverse patients, families, and the interdisciplinary health care team to plan, deliver, and evaluate care.
5. Adhere to standards of practice within legal, ethical, and regulatory frameworks of the professional nurse.
6. Demonstrate knowledge of delegation, management, and leadership skills.
7. Demonstrate behavior that reflects the values and ethics of the nursing profession, including a spirit of inquiry.

- Environmental Exposure
- Hypothermia – Frost Bite, Infant
- Hyperthermia – Heat Stroke – Elderly
- Fever (Pedi)
- Malignant Hyperthermia

*Only the concept is covered – no exemplars

THEORY LAB

Theory Lab will be 2% of the theory grade. Attendance at these labs are required and count toward your theory attendance. Theory Lab will be held on the following Wednesdays 0900 – 1300:

- 09/14/22 Functional Ability/ Sensory
- 09/21/22 Physical Assessment
- 10/12/22 Professionalism
- 10/19/22 Comfort and Mobility
- 11/02/22 Nutrition
- 11/09/22 Elimination

Course Assignments and/or Exams Schedule:

Exam1: Abbreviation Exam: 09/07/2022

Exam 2: 09/27/2022

Exam 3: 10/25/2022

Exam 4: 11/22/2022

Final: HESI: 11/29/2022

Course Grading Information:

All unit exams are calculated by a percentage computed to two decimal places. Exam grades will be figured to the tenth. The final exam for the course will be computed to two decimal places. The final course grade will be rounded off to a whole number. The student is expected to participate in class, simulation and other lab activities, and complete assigned requirements on learning activities and group presentations by the due dates given on D2L|Brightspace. The student must have a passing average on the exams to pass the course.

**Texas Concept-Based Curriculum
McLennan Community College
ADN Program
RNSG 1430 – Health Care Concepts
Fall 2022**

The grade in RNSG 1430 will be determined by the following:

Theory Quizzes: 2 %
Exam 1 Medical Abbreviations 10%
Exam 2: 21% (3 concepts)
Exam 3: 21% (4 concepts)
Exam 4: 21% (4 concepts)
Final: HESI, 25% All concepts of 1125/1128/1430

(There is only one final exam, the HESI exam. The final exam is a combination of 1430/1128 concepts).

The ADN grading system is: 90-100=A
80-89=B
75-79=C A passing average is 75
65-74=D
Below 65 = F

HESI POLICY

All levels and tracks of the Associate Degree Nursing Program (1, 2, 3, 4, TADN, MEEP) utilize the HESI Next Gen platform for student testing and remediation. The HESI conversion score (Final Exam Grade) will be averaged with other major exams in the class per the IP/Syllabi.

The HESI Benchmark for each level will be: **Level 1 = 800, Level 2 and TADN= 850, Level 3 = 875**

- **HESI 1 will be administered to the class per the course calendar.**
 - The conversion score on HESI 1 will be assigned **as the final exam grade.**
 - If a student is passing all other aspects of the class and meets the benchmark score, the final grade will be assigned per the MCC calendar and the student will be encouraged to complete HESI NGN remediation packets that are assigned within the HESI System before progressing to the next level.*
 - If a student is failing the class after the HESI 1 conversion score (final exam grade) is recorded, that student will fail the course. Students who do not pass a course are encouraged to complete HESI remediation. The grade earned in the class will be recorded and the student will be subject to any and all progression, reapplication, and readmissions (if eligible) policies.

**Texas Concept-Based Curriculum
McLennan Community College
ADN Program
RNSG 1430 – Health Care Concepts
Fall 2022**

- If a student has a passing average in the class but fails to meet the benchmark on the HESI Exam (L1= 800, L2 & TADN = 850, L3 = 875), the student will be required to complete the assigned remediation packets within the HESI system. The assigned remediation **must be completed and submitted before the scheduled HESI 2 testing date** per the course calendar and faculty instructions.
- **HESI 2 will be administered per the course calendar.**
 - Students who fail to complete HESI 1 remediation will not be permitted to take HESI 2, resulting in a grade of “F” for the course due to non-completion of course requirements.
 - Students who fail to achieve the benchmark score on HESI 2 (L1= 800, L2 & TADN = 850, L3 = 875), will be required to complete the remediation packets and Case Studies within the HESI system by the date set in the course calendar but no later than 1 week after the administration of HESI 2.
 - Failure to complete all of the assigned HESI remediation by the faculty-assigned date will result in failure of the course. A grade of “F” will be assigned regardless of average in the class Due to failure to complete course requirements.
 - If final course grades have been posted per MCC calendar, a grade of Incomplete (“I”) will be assigned. Final numeric/letter grade will be assigned when remediation completion is verified.
 - If completion of remediation will occur after the deadline for re-admission applications, students remediating for HESI 2 will be expected to reapply to the program.
- **HESI Remediation for Levels 1,2, TADN, and 3**
 - All remediation packets must be opened and reviewed
 - It is highly recommended to set a timer and spend the suggested time in each packet – concentrating on those with longer timeframes, higher placement, and more information.
 - All assigned Case Studies in the HESI NGN system must be completed with a score of 80% on each.
 - Must first complete all remediation packets – Before attempting case studies.
 - If 80% is not achieved on the first attempt, students must contact faculty advisor to review concepts.
 - Subsequent attempts on HESI Case Studies may be allowed by the NGN portal with permission from Faculty Advisor, Success Coach, or Program Director.

All progression, re-application, and readmission policies apply

**The Exit HESI Policy for Level 4 (benchmark score = 900) can be found under the Exit Testing heading.*

**Texas Concept-Based Curriculum
McLennan Community College
ADN Program
RNSG 1430 – Health Care Concepts
Fall 2022**

**All nursing courses must be taken concurrently. Passing the class in which HESI is administered does not automatically allow the student progress. ALL courses in each level must be passed for progression to occur.*

Late Work, Attendance, and Make up Work Policies:

1. Students must complete the daily self-assessment before coming to campus.
2. Any COVID-19 symptoms or exposures to must be reported through the MCC self-reporting portal and notify instructor. Students must be cleared before returning to campus.
3. COVID-19 – Any absences due to COVID-19 will be addressed on a case-by-case basis.
4. Graded written work submitted past the date due will have 10% of the total points deducted per each day it is late.
5. The ADN program attendance policy is in the student handbook.

Students are expected to be in class on time. For security reasons, the **doors to the classroom will remain locked from the outside and will remain locked after class starts.** If the student cannot be in the classroom by the time class starts, or if the student must leave the classroom for an emergency, the student will quietly pick up course materials and leave the classroom. Since the doors are locked from the outside, the student will not be able to come back into the class. **The students' cooperation is required and appreciated.** Students will be allowed entry/re-entry into class at break times.

Students are expected to attend class in person as scheduled, unless quarantined for COVID-19 exposure or diagnosis. If you miss class due to COVID-19, you are required to self-report and notify your instructor.

Please be prepared for social distancing. The lecture hall will accommodate 200 people, seating has been set up to meet social distancing requirements. We ask that you adhere to these recommendations. To remain face to face for our classes and complete our clinical rotation this semester, we must all do our part to stay healthy and Covid free.

Please refer to MCCs website regarding Covid-19. <https://www.mclennan.edu/crisis-management/coronavirus-updates/index.html>

Withdrawal from Nursing Courses

Due to the inter-relationship of nursing courses taught each semester, if a withdrawal from one nursing course is necessary, the student must withdraw from all nursing courses. Each semester's nursing courses are concurrent courses. A student with a failure in a nursing course that is granted re-admission to the program and the failed semester is required to take all related courses for that specific semester. At no time may a student take only the theory course(s) or clinical course(s) independent from the related courses.

Student Behavioral Expectations or Conduct Policy:

Professional Expectations:

1. Be on time and remain throughout class. Arrive at least 10 minutes prior to class starting.
2. Be in class every day and ready to learn. Should some unforeseen incidents occur preventing your attendance, contact your instructor.
3. Be a professional. Maintain a professional attitude and be positive. Maintain classroom civility which includes respect for other students and for the faculty. Civility is expected in all verbal and electronic interactions with peers, professors, and college administrators.
4. Know your course expectations. Read your concept syllabi and course instructional plans, check your course calendar, the learning management system (D2L|Brightspace) and MCC email daily.
5. Collegiality: Be a positive and productive influence in your work/learning environment, communicating and working professionally, safely, and legally.
6. Know your ethical responsibility to your chosen profession, and the public you will serve.
7. Collaboration: As a professional you will collaborate with clients, their families, other professionals in the health career arena. Be positive, civil, open to new ideas, and research to promote the healing environment.
8. Additional student behavioral expectations are in the ADN Student Handbook.

ACADEMIC RESOURCES/POLICIES

Accommodations/ADA Statement:

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. For additional information, please visit www.mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

disabilities@mclennan.edu

254-299-8122

Room 319, Student Services Center

Title IX:

We care about your safety, and value an environment where students and instructors can successfully teach and learn together. If you or someone you know experiences unwelcomed behavior, we are here to help. Individuals who would like to report an incident of sexual misconduct are encouraged to immediately contact the Title IX Coordinator at titleix@mclennan.edu or by calling Dr. Drew Canham (Chief of Staff for Diversity, Equity & Inclusion/Title IX) at (254) 299-8645. Individuals also may contact the MCC Police Department at 299-8911 or the MCC Student Counseling Center at MCC at (254) 299-8210. The MCC Student Counseling Center is a confidential resource for students. Any student or employee may report sexual harassment anonymously by visiting <http://www.lighthouse-services.com/mclennan/>.

Go to McLennan's Title IX webpage at www.mclennan.edu/titleix/. It contains more information about definitions, reporting, confidentiality, resources, and what to do if you or someone you know is a victim of sexual misconduct, gender-based violence or the crimes of rape, acquaintance rape, sexual assault, sexual harassment, stalking, dating violence, or domestic violence.

Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at <http://www.mclennan.edu/campus-resource-guide/>

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact a Success Coach by calling (254) 299-8226 or emailing SuccessCoach@mclennan.edu. Students may visit the Completion Center Monday-Friday from 8 a.m.-5 p.m. to schedule a meeting with a Success Coach and receive additional resources and support to help reach academic and personal goals. Paulanne's Pantry (MCC's food pantry) provides free food by appointment to students, faculty and staff based on household size. Text (254) 870-7573 to schedule a pantry appointment. The Completion Center and pantry are located on the Second Floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to <https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html> to find out more about the emergency grant. The application can be found at https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating.

Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to <https://www.mclennan.edu/center-for-teaching-and-learning/Faculty-and-Staff-Commons/requirements.html> for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to www.mclennan.edu/student-email.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:
