### **Late Work, Attendance, and Make Up Work Policies:**

- **Attendance will be taken at the beginning of each class.**
  - I will take attendance at two minutes after the posted class start time.
  - If you are not present in class when attendance is taken you will be counted absent.
- **If you arrive late to Class, it is your responsibility to communicate with me at the end of class and change your absent status for the day.**
  - You are allowed one (1) “grace” tardy. The first time that you arrive late to class, I will not count the tardy.
  - Following your grace tardy, every two (2) subsequent tardies will count as one (1) absence.
- **DO NOT enter or leave class while a classmate is presenting a speech.**
- **In an effort to reduce personal contact, many assignments for the course will be turned in through Brightspace. All online activities must be completed by their assigned due date.**
- **Being unprepared is not a valid excuse and those students will not be allowed to make-up either a missed speech or incomplete portions of a speech.**
- **Students will be permitted to make up class work and assignments missed due to absences caused by (1) authorized participation in official college functions, (2) personal illness, (3) an illness or a death in the immediate family, or (4) the observance of a religious holy day.**
  - I require documentation for above mentioned absences in order for a student to qualify for make-up work.
  - I have the prerogative of determining whether a student may make up work missed due to absences for other reasons.
- **It is the student's responsibility to inform the professor of the reason for an absence and to do so in a timely fashion.**
  - You must email me or leave me a voicemail *on the day of your absence* to qualify for make-up work.
  - The syllabus lists a class schedule with assignments for each day. Please note that this syllabus may be amended during the semester. If you are absent from class, it is your responsibility to inquire about changes.
- **If you know ahead of time that you will be absent from class on a day you are assigned to present a speech, please speak to me about it as much in advance as possible - we may be able to reschedule your presentation date.**
- **Absence from 25 percent of the class will be taken as evidence that the student does not intend to complete the course and the student will be withdrawn from the course by the instructor.**

## INTRODUCTION TO SPEECH COMMUNICATION

SPCH 1311.004

---

- If the student's absences (25 percent) are accumulated **before the official drop date**, the instructor will assign the student a "W." If the student reaches 25 percent **after the official drop date**, the instructor will assign a W if the student is passing or an F if the student is not passing.
- **The last day for student initiated withdrawals is October 24<sup>th</sup>.** With a MW schedule, 8 absences will meet the 25% policy standards.

### **Student Behavioral Expectations or Conduct Policy:**

- **Personal conduct in this classroom is based on respect towards others in all aspects of the course.** Please keep your language PG-13 and treat others the way you would like to be treated.
- **You are expected to arrive for class on time.** Please be respectful of your classmates learning/presentation experience and make every possible effort to be on time.
- **All cell phones must be on silent or turned off.**
- **No unnecessary device use during class.**
- Being a good listener is a critical element of effective communication. You **MUST** be an active, courteous listener when others, including your instructor, are speaking.
- Please get enough sleep every night. If you are too tired to stay awake, please do not come to class intending to "nap." If you put your head down on the table, close your eyes, snore, or give off some other sleeping "vibe," I will count you absent.
- Bring your textbook to class and keep up with your reading assignments. You will be expected to contribute during discussions.

**Email Policy:**

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to [www.mclennan.edu/student-email](http://www.mclennan.edu/student-email).

**Instructional Uses of Email:**

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

**Email on Mobile Devices:**

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email [Helpdesk@mclennan.edu](mailto:Helpdesk@mclennan.edu) for help.
