INTRO TO SPEECH COMMUNICATION

SPCH 1311- 87

Course Description:

A survey of the basic principles of human communication with opportunities to apply these principles in three or more areas of study, including, but not limited to: interpersonal, public speaking, and small group communication. Semester Hours 3 (3 lec)

Prerequisites and/or Corequisites:

There are no official course prerequisites at this time. The student should, however, be able to speak, listen, and write in English, employing at least a high school level vocabulary and correct grammar. To improve inadequate skills for the level of this course, the student may take advantage of the college's reading and developmental English courses. Adequate English oral usage is expected for success in the course.

MCC Bookstore Website: <http://www.mclennan.edu/bookstore/>

Online Student Technology Requirements:

The online/blended/hybrid student should have knowledge of using a web browser, computer, a MCC student email account, the ability to create, copy, and save documents, the ability to send and receive electronic documents (attachments), the ability to record and upload videos using Youtube and other online platforms, and the basic use of internet and search skills. The course uses the Brightspace Learning platform, YouTube, and Zoom, and the student is required to become proficient in these skills through the course orientation. The student should also have a general understanding of online technologies and appropriate online behavior.

Hardware requirements:

1. You need an Internet connection (at least 56k, but High Speed connection is recommended).
2. Brightspace recommends using a monitor that supports resolution of 1024x768 or higher.
3. **Students are expected to maintain regular & reliable access to a computer with a stable broadband Internet connection.** If your computer is older than 4 years old, it may not have the processing power to work with Brightspace or current versions of the required software.
4. Brightspace is working on a mobile app suitable to this new learning platform. However, please note that you very likely will NOT be able to complete an online course using only a mobile device. A laptop or desktop computer is almost always required. If you only have a mobile device, and you cannot come to MCC campus to use a lab computer, contact me immediately to discuss your situation.

Software requirements:

1. You need a web browser to access Brightspace. We recommend an up-to-date version of Mozilla Firefox. I strongly recommend Brightspace students use the latest version of [Mozilla Firefox](#) for Windows and Mac because it is the browser that Brightspace supports.
2. The word processing software of MS Office is required. If you don't own a copy of MS Word, as a matriculated MCC student you can use Office 365 for free which will give you the most used tools.
 - a. To view a video tutorial for signing up for and installing Office 365 [Click here.](#)
 - b. To sign up and get started now [Click here.](#)
 - c. Please do not hesitate to contact the MCC Help Desk by calling [254-299-8077](tel:254-299-8077) or emailing helpdesk@mclennan.edu if you require further assistance.
3. Many Brightspace functions require Java Run Time Environment. Java technology allows you to work and play in a secure computing environment. Upgrading to the latest Java version improves the security of your system, as older versions do not include the latest security updates. Java may be downloaded using the link found at <http://java.com/en/download/>.

Late Work, Attendance, and Make Up Work Policies:

Attendance. Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course (face to face, hybrid, and online). Students are responsible for all material presented or assigned for this course and will be held accountable for such materials in the determination of course grades.

Attendance will be taken weekly by participation with quizzes, discussion boards, in-class meetings, exams, and assignments. If you miss more than four items (this can include quizzes, discussion boards, all and any assignments, etc.), you will be dropped from the course. The professor may/or may not contact the student regarding the drop. The professor may/or may not drop the student based on contact with the student. The professor will likely automatically drop

INTRO TO SPEECH COMMUNICATION

SPCH 1311- 87

the student if the student does not immediately contact the professor regarding the drop policy. However, this may not always be the case. You will need to log in each week and complete work that is assigned to you for verification of your participation in this class. Further instructions will follow on D2L/Brightspace.

For the complete attendance policy please go to:

<http://www.mclennan.edu/publications/policies/html/b/docs/B-II.DOC>).

If you have an excused absence, you must contact me within the week that the excused absence is provided to be able to make up work. Work may not allowed to be made up if the student contacts me more than a week after missing the assignment. Student must submit completed “excused assignments” within a week of excused absence.

If we are having a class Zoom meeting, it is required for students to show their face and be able to respond (unmute volume and show video) to be required present for the class. Students who do not participate by having their video or sound off will be counted absent.

Assessments

All assignments are due on the assigned due date by the time provided given on Brightspace. Central Standard Time. Assignments must be typed, double-spaced, Times New Roman 12-point font, and follow APA format. Assignments should be stylistically and grammatically appropriate for each assignment. Please express your ideas in a professional and educated manner. Be sure that you have (and save until after the semester is over) hard copies of your work as technology can fail! Please read directions carefully. Points will be deducted for not following directions. Late work is not accepted in this course. You have enough notice to complete all assignments. If you are aware that you will not be available to complete an assignment when it is due, please submit your work early. Not all assignments are due on the same day. Please check Brightspace carefully for exact due dates.

If you miss an assignment (including in-class assignments, presentations and quizzes), exam, speech or class period, you must provide documentation of your absence. The following types of documentable reasons are excusable: death in the family, university sponsored events, severe personal illness, etc. You are responsible for providing documentation and confirming your absence through email or face-to-face. If you are going to be absent and you have documentation of the absence, you need to notify me before the missed class meeting. Any work that is going to be missed (with documentation of absence) needs to be submitted before the due date. You cannot make up an exam, assignment, speech, attendance points or in-class activity if you have an unexcused absence. Additional points can be deducted for any late work upon my discretion.

The following information only applies if we must record speeches instead of presenting speeches due to unforeseen circumstances (such as moving classes fully online due to Covid). Additionally, requirements for speeches to be presented through Zoom will be provided on BrightSpace!

You must have/do the following: Points will be deducted for not meeting the requirements provided below or in the assignment details.

1. Have a live, physical audience (at least five people) that are willing to be recorded as part of your speech- we must see the audience before you present and after you present. Just have them wave to the camera before you present and after you present.
2. Have an appropriate setting (location) to present your speech. Please do not record in your messy bedroom! Please try to find an appropriate setting. You can use a room at the MCC or local library. Please do NOT have background distractions such as birds chirping, dogs walking around, or people doing the dishes! Please do NOT record outside or in your car.
3. Have your camera set up to record your entire body (not just a face shot) during your speech. Please wear shoes while you are recording. It is not professional to record your bare feet!
4. Have a microphone set up that can provide quality sound so that we can ensure we can hear your speech.
5. Practice your speech and watch your speech to ensure that the steps above are met.
6. Provide a recording of your speech that was one continuous recording (no stopping, re-starting, and no editing).
7. Record your speech by using the VideoNote option in BrightSpace Discussion Board.
 - **Points will automatically be deducted from your total number of points earned (per speech) for not following the requirements provided above.**

Discussion Boards

You will have to submit discussion board posts on Brightspace on a regular basis. Please read directions carefully in Brightspace to ensure that you are submitting correctly. There are different means of submitting your ideas on Brightspace including Video Notes, writing out your post, and embedding your post.

When writing out your post (the following could apply to Video Note posts and embedded recordings): keep discussion boards brief and concise. Please use complete sentences. Please keep language appropriate, respectful, and practice utilizing effective communication skills. You DO NOT have to respond to posts. However, you may want to read the posts to receive clarification of ideas and concepts. Please use standard font (what populates when you type) in

the discussion board posts. All posts must be respectful and kind. Anything less will be deleted and given a zero.

Quizzes

Please be sure your technology is secure. Once you start a quiz, you will NOT be able to restart the quiz. You have one shot to take quizzes. I will not reset quizzes. Please ensure you have solid internet service for the quiz. Once you start quizzes you can't stop taking the quiz and return back to the quiz. The quizzes are sensitive to multiple browsers. If you try to open a new browser while taking quizzes (like searching for the answers), you will be kicked off the quiz. While this quiz is online and open book/notes, I would encourage you to prepare for the exam!

I will reset for technical reasons one time only during the semester.

No make-up quizzes without a documented excuse.

Student Behavioral Expectations or Conduct Policy:

- Students are to engage in appropriate online behavior according to Online [Rules of Netiquette.pdf](#).
- Students are responsible not only for their work and due dates, but for their technology as well. In taking an online class, it is your responsibility to have all of the hardware and software listed above. Always have a backup plan.
- Please provide your full name and class section number in emails. Please email me from your MCC email address. I will not respond to emails after 2:00 p.m. Please be aware that emails sent after 2:00 p.m. will be responded to the following day.
- Check BrightSpace regularly for any announcements or reminders.
- Late work is late- it will not be accepted!
- Cheating- if you are caught cheating, you will receive an "F" for the course.

Since this is a college course, I have high expectations about appropriateness of behavior, level of discourse, the creation of collaborative and supportive climate, punctuality and attendance, and respect for persons. I expect that excellent work will be turned in at all times. Superior work will earn a superior grade, while minimal effort will earn a minimal grade. I encourage you to address concerns about class procedures and/or assignments so our learning experience together can be enhanced. I want you to succeed in this course. Please feel free to approach me with any questions, for clarification, or with any concerns.
