A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

Course Outline or Schedule:

The class is divided into weekly Units. This is not a self-paced class. Each week you will have assigned tasks. All activities must be completed by the posted deadlines. No late work is accepted.

Late Work, Attendance, and Make Up Work Policies:

This class will meet in person as well as have online activities. Attendance will be taken immediately at the start of class; you must arrive on time and stay through the end of class to be counted present. Students who may be present yet are not actively participating in classwork will be counted absent. If a student is tardy to class three times, it will count as one absence. All absences, for any reason, are treated equally. You are responsible for catching up on missed material. If you miss more than 25% of the class you may be dropped or receive a failing grade.

Late work is not accepted.

Student Behavioral Expectations or Conduct Policy:

Plagiarism and/or cheating will result in a failing grade.

Text based mediums lack the element of facial expressions, body gestures, and tone of voice that we all rely on to impart meaning into the words we speak. Emoticons are a poor substitute. Remember that others may read your messages with a different tone than you intend. Also remember that a message may have been intended to have a different tone than the one you have read into it. You must be courteous and respectful at all times. Failure to do so will result in lost credit. Should problems persist, you may be dropped from the class.
