Students will be required to do a number of out of class drawings which will be explained by the instructor at certain times during the semester. A minimum of 4 - 6 hours work per week is required outside of class. Of these hours, a minimum of one hour per week should be spent working in the sketchbook and a minimum of 3 - 5 hours per week should be spent working on the out of class assignments.

Course Grading Information:

Students will work in class on a number of assignments during the semester. Students must be in class on time with materials ready for that day's work. A sketchbook must be used by each student. This sketchbook must be completed by the end of the semester. There needs to be a minimum of 100 pages drawn on for the sketchbook to be considered complete.

There will be class critiques of out of class assignments and sketchbooks. Critiques are mandatory. Completed works are presented by all students for the purpose of receiving formal

criticism. It is a unique opportunity to heighten one's ability to perceive strengths and weaknesses, in addition to developing one's ability to communicate information to others.

Grades will be broken down as follows:

80 %---In class drawings

10 %---out of class work

10 %---Class and Critique participation, absences.

Late Work, Attendance, and Make Up Work Policies:

If a student misses 25% of the total class days they will be dropped from the class. For this class that is 7 days. These are the total number of absences allowed: excused and/or unexcused. If a student has 4 unexcused or excused absences their grade will drop 1 letter grade. If they have 5 absences it will drop 2 letter grades. If a student has 6 absences their grade will drop 3 letter grades. Leaving early/arriving late at least 30 minutes will equal one absence.

Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.
