BUSI 1301.001 (MW 8:00am)

PROFESSOR STEVE GREATHOUSE

NOTE: This is a 16-week, Face-to-Face course

BUSINESS PRINCIPLES

BUSI 1301.001

Course Description:

Fundamental business principles including structure, functions, resources, and operational processes. Additionally, it provides a survey of economic systems, forms of business ownership, and considerations for running a business. Students will learn various aspects of business, management, and leadership functions; organizational considerations; and decision-making processes. Financial topics are introduced, including accounting, money and banking, and securities markets. Also included are discussions of business challenges in the legal and regulatory environment, business ethics, social responsibility, and international business. Emphasized is the dynamic role of business in everyday life.

Prerequisites and/or Corequisites:

None

Course Notes and Instructor Recommendations:

For business majors, this is a required course, so you don't have much choice! However, this is a very practical course which will help you in your future career, as well as at your current job. This course will give you basic information of several different areas in the world of business and may help you decide on a major or an area in which you would like to work.

BUSINESS PRINCIPLES

BUSI 1301.001

Methods of Teaching and Learning:

This course is based on reading, lecture, discussion, and independent work.

1. It is imperative that you read each textbook chapter and complete the related Smartbook assignment BEFORE we begin a chapter in class for several reasons: a) Smartbook assignments make up a significant portion of your grade in the course; b) I will only hit the highlights of each chapter in my lectures - there isn't time to cover all of it in class - college lectures and class exercises are merely designed to emphasize chapter content and provide a practical context for the chapter material, thus you need to read/study to get ALL of the content from each chapter; c) reading and studying the material on your own will allow you to identify what you don't understand so that you can ask questions in class for clarification, plus it helps cement to the knowledge in your mind.
2. In addition to the graded Smartbook assignments mentioned above, students will complete a short homework assignment for each chapter that is designed to help students apply learned knowledge to real world scenarios.
3. During class I will lecture, leading students through SOME of the material from the textbook chapter that is being covered for a particular class day. I will also provide real-world examples, and answer questions from the class. I expect everyone to participate in class and I will ask questions of students at random.
4. From time to time, I will put you into groups to discuss some aspect of the chapter and/or to participate in a related learning exercise.

Course Objectives and/or Competencies:

- Identify business functions of accounting, management, marketing, and economics; and describe the relationships of social responsibility, ethics, and law
- Describe the scope of global business enterprise
- Describe the key elements of the business environment
- Identify the major stakeholders in a business enterprise
- Describe the advantages and disadvantages of the four major forms of business ownership.
- Discuss how securities markets meet the needs of both businesses and investors
- Explain the significance of accounting for the internal and external stakeholders of a company
- Describe the way a firm can finance its operations
- Describe the key elements involved in marketing a company's goods and services
- Explain the role of operations management in producing and distributing a company's goods and services
- Describe the basic functions performed by managers

Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Definitions

The terminology we use is important:

- Drops occur BEFORE the census date and do not count against the student's maximum withdrawal count of 6 classes, as defined by state law.
- Withdrawals occur AFTER the census date and count in the student's maximum withdrawal count of 6 classes.

Face-to-Face Course Attendance Policy (Business Division Policy)

Students enrolled in face-to-face courses are expected to attend class. The instructor will use a method of their choice for routine recording of student attendance. The official record for student attendance is Brightspace. (In this course you will either be counted Present, Absent (-10 pts.), or Unprofessional (-5 pts.).

- If a student fails to appear for face-to-face sessions in the period prior to the census date (9/6), the instructor will **drop** the student ("Never Attended) for failure to attend, even if they complete accessible assignments in Brightspace.
- Past census date, if a student misses more than 25% of class meetings (7 absences) prior to the 60% point of the term (10/23), the instructor will **withdraw** the student from the course.
- If a student misses more than 25% of class meetings and the class is past the 60% point for the term, the instructor will NOT withdraw the student and the student is assigned the grade earned.
- If a student attends class meetings but does not complete assignments, they remain in the course and are awarded the grade earned at the end of the term.

Absences are excused in accordance with MCC policy, which includes

- Authorized participation in official College functions (w documentation from faculty or staff)
- Personal illness (w documentation such as doctors note or medical payment receipt)
- An illness or a death in the immediate family (w documentation)
- Pregnant or Parenting Protections under Title IX and/or Texas State Education Code Chapter 51, Subchapter Z, Section 51.982 (w Title IX Office approval)
- Any excused absences as outlined in Section IV of this policy:
<https://www.mclennan.edu/employees/policy-manual/docs/B-II.pdf> (w Title IX Office approval)

BUSINESS PRINCIPLES

BUSI 1301.001

Students are required to email a formal request to the instructor to request an excused absence within 24 hours of the absence. ***The ultimate decision as to whether your absence meets the excused criteria described above will be at the discretion of the professor and/or the Title IX Office.

Finals Week	Comprehensive Final (closed-book) <u>in the classroom</u> Monday, December 4 th at 8:00am
-------------	--

Course Grading Information:

Smartbook Assignments (13-14 points each)	200 points
Homework Assignments (6-7 points each)	100 points
Chapter Quizzes (4-11 points each)	100 points
Exams (4 exams worth 100 points each)	400 points
Comprehensive Final Exam	100 points
Professionalism	100 points
OPTIONAL Research Paper (up to 20 extra credit points)	
Total	1000 points

As you can see from the table below, your grade in the course is based on total points.

90-100%	A	900 points or more
80-89.9%	B	800-899
70-79.9%	C	700-799
60-69.9%	D	600-699
0-59.9%	F	599 points or less

****Note:** Students can see their grades in Brightspace at any time during the semester. Armed with the information on this page, students have no reason to contact the instructor to ask questions like, “What’s my current grade in the class?” (your current course average is what you see under “Final Calculated Grade”), or “What do I need to get on the Final to get a...?”, (do the arithmetic to figure it out). *****Do NOT email me after the final exam asking if there’s any way you can be bumped up to the next letter grade** - my response will always be, “I don’t give you your grade... you give yourself your grade.”

BUSINESS PRINCIPLES

BUSI 1301.001

Smartbook Assignments: 15 assignments worth 13-14 points each = 200 points

Students must complete a Smartbook assignment for each chapter, every week of the semester. These assignments provide you with direct access to the textbook and utilize a quiz-like format to evaluate your understanding of the material covered via graded questions.

*NOTE: Smartbook assignments are designed test your comprehension, and the “confidence” you have in your comprehension, of a topic before you’ll be allowed to move to the next set of questions on subsequent topics. That is, missed questions, or answers you choose in which you say you are anything but “highly confident” about, impact the number of subsequent questions that are asked, thus the more accurate you are at answering the questions and the more you indicate you are highly confident in your answers, the quicker you’ll finish! Smartbook assignments for the week’s assigned chapters must be submitted no later than 11:59pm on Sunday nights. **Smartbook assignments may be completed early but not late.**

Chapter Homework Assignments: 15 assignments worth 6-7 points each = 100 points

Students must also complete a short homework assignment for each chapter, every week of the semester. These assignments provide the student with the opportunity to learn chapter concepts more fully by applying them to a real-world scenario. There is a homework assignment due each week by Sunday night at 11:59pm (see Brightspace for specific dates). **Homework assignments may be completed early, but not late.**

Chapter Quizzes: 15 quizzes worth 5-11 points each = 100 points

Students are required to take 15 short chapter quizzes; one every week of the semester. Each quiz has between 5 and 11 questions worth 1 point per question. You will take these quizzes in Brightspace, you can use your book, you can take up to 1 hour for each quiz, and you may attempt each quiz up to two times before the quiz deadline. Keep in mind however, that each time you attempt a quiz for the same chapter, you will get a different set of questions and your two scores are averaged. There is a chapter quiz due every Sunday night by 11:59pm (see Brightspace for specific dates). **Chapter quizzes may be completed early, but not late.**

Regular Exams: 4 Exams worth 100 points each

This class will require each student to take four regular exams. The exams will be taken in Brightspace on your own, each one will be comprised of 50 multiple choice questions, are open-book, and will cover all information contained in the textbook chapters since the previous exam. Exams will be open for several days before the *no-later-than* date shown in the course schedule. No exam scores will be dropped. **Regular exams may be taken late but will incur a 25% penalty for each day it is completed late... even for university excused absences.**

Optional Research Paper – up to 20 extra credit points

As we near the end of the semester, you have the option of completing a 3-4 page research paper on the topic of your choice from the list of topics found in the Optional Research Paper assignment instructions in

BUSINESS PRINCIPLES

BUSI 1301.001

Brightspace. Completing this assignment may earn you **up to** 20 extra credit points (“up to” means that it will receive a score between 0 and 20). If you would like to complete this assignment, it must be submitted by the deadline stated in the course schedule. You may utilize AI to help you write and/or edit your paper, but it must otherwise be new/original work, have accurate information and sources, and must meet all assignment parameters from the assignment instructions.

Comprehensive Final Exam – 100 points

A comprehensive exam will be administered during finals week, but unlike the other exams, **this one is closed-book (no notes or textbook allowed) and will be taken in the classroom during our regular class time** (see the course schedule for the date of your final). The *Final Exam Study Guide* available within the Final Exam link in Brightspace, provides the topic of every single question that will be on this exam. Thus you are encouraged to build a study-guide for yourself as we go through the semester so that you can memorize the material from it and ace the final exam. **Unlike regular exams, the final exam cannot be taken late; that is, if you miss it you will receive a zero.** *Be sure to bring an 882-E Scantron and a #2 pencil to class on the date of the final exam.

Professionalism – 100 points

Just as you will be expected to show up to work every day in the professional world and act in a professional manner, students will be expected to do the same in this class. Students will start off with 100 points just for being in the class, but will lose points each time they miss class (10-point deduction), or otherwise act in an unprofessional manner (5-point deduction). Further, professionalism violations may result in being dropped from the course at the discretion of the instructor.

In this class, “unprofessional” means:

- Missing class without documentation that excuses your absence (you get 2 freebies w/out pt. penalty)
- Being late or leaving early (you are late at exactly 1 minute after class start-time)
- **Your phone being seen by the instructor or used in any way**
- Wearing ear buds
- Using your digital watch or any other electronic device in any way
- **Putting away your things before being released by the instructor**
- Routinely excusing yourself to use the restroom
- Sleeping or nodding-off
- Not placing a pen and paper on your table in front of you, and/or not taking notes
- Engaging in side conversations while someone is addressing the class
- Slouching down in your chair or placing your feet on chairs or tables
- Wearing pajamas or slippers, or bringing a blanket to class (yup, it has happened)
- Being rude or disrespectful to the instructor or to another student
- And other behaviors or dress deemed unprofessional by the instructor

BUSINESS PRINCIPLES

BUSI 1301.001

* In the *Attendance* section of Brightspace, you will be able to see whether you were marked “Present”, “Absent” (10-point deduction), or “Unprofessional” (5-point deduction), for each class day of the semester.

Late Work

If you fail to complete a Smartbook assignment, homework, or a quiz by the due date, you will receive a zero. If you fail to take a **regular** exam by its due date, you may take it late but you will incur a 25% deduction for each day it is late. For example, if a regular exam is due on a Sunday, but you take it on Monday, the highest score you can possibly get is a 75; if you take it on Tuesday, the highest score you can possibly get is a 50; if you take it on Wednesday, the highest grade you can possibly get is a 25. *Note: You may not complete any work beyond the date/time of the final exam; i.e., if you miss the final exam you will receive a zero.

Only under the most extreme circumstances will late coursework policies be changed for a student - i.e., the student was in the hospital for the five days preceding the due date, or had a death in the immediate family (both require verifiable documentation). Therefore, sad stories about being sick, oversleeping, forgetting, being stressed-out, “just needed a mental-health day”, work-conflicts, computer died, dog died, out of town for a wedding, argument with roommate, break-ups, heavy traffic, favorite Netflix show was cancelled, your candidate lost the election, etc., are NOT extreme circumstances... that’s just life.

If you know you are going to miss class when something is due or you know you are going to be busy around the time of a due date, simply turn the work in early, and/or go without sleep if you have to in order to meet deadlines - this is the exact same way things work in the professional business world. (FYI, if you miss an important deadline in the professional world you will likely get fired). Therefore, start getting in the habit of meeting deadlines regardless of what is going on in your life. If you want to make it in the corporate world or in the military, meet your deadlines – NO EXCUSES.

Tardiness

Being on-time is expected in the professional world and is simply part of being a responsible adult. Coming to class late or leaving early is disrespectful and disruptive, and will result in losing your professionalism points for the day. You are considered late if you come in after the **exact** class start time, i.e., arriving at 11:11am for an 11:10am class is late. When a student is tardy or leaves early, they will be marked as “Unprofessional” in the *Attendance* section of Brightspace.

If you miss up to 15 minutes of a class (any combination of being late or leaving early), you will be marked as “Unprofessional” and lose 5 professionalism points for the day. However, if you miss more than 15 total minutes of class you will be marked absent (which incurs a loss of 10 professionalism points). **Exception: if you made prior arrangements with the instructor because of an extremely rare situation. The instructor reserves the right to drop you from the course for repeated tardiness.

Student Behavioral Expectations or Conduct Policy: (Descriptions below are in addition to behaviors described in the “Professionalism” portion of this document)

Communication with the Instructor

Just like in the business world with your boss, before you call or send your instructor an email, try to find the answer yourself. That is, don't email me a question when the answer you seek is clearly in the syllabus, course schedule, assignment instructions, and/or in Brightspace. If you need clarification on something, I HIGHLY prefer you simply ask me before or after class, that way I can better answer your question plus I get to interact with you personally. However, if you do decide to call or email me, I will try to respond within 24 hours but I do not respond after 8pm on weeknights, or on weekends at all.

- Per MCC email policy, students must use their MCC student email for all email communication with their professor. Accordingly, I will not open nor reply to emails from non-MCC email addresses.
- Do NOT use Brightspace Instant Message (IM) to contact me; that system does not notify me via email or voice message, thus it doesn't ping my personal cell which I closely monitor

Electronics

Research shows that students who hand-write their notes do MUCH better in their courses. Further, research also shows that classes where no phones/laptops are allowed, students perform even better. Therefore, because I want to do everything I can to make you successful - **NO SCREENS OF ANY KIND ARE ALLOWED IN THIS CLASS** (unless you have an official MCC ADA accommodation for taking notes with a laptop).

- To aid in enforcement of this policy, the only items allowed on your table during class are pen, paper and a water bottle.
- If the instructor even sees your phone during class, whether you use it or not, you will lose professionalism points for the day.
- Violations may result in being dropped from the course at the discretion of the instructor.

Respect

Please be respectful of your classmates and your instructor. This is a hallmark of professionalism; behaving as if everyone's comfort and welfare is as important as your own. This means addressing me as Professor Greathouse (just “Professor” or “Sir” are also acceptable), and giving anyone who is speaking to the class your full attention. You can expect to be treated in a civil and professional manner by your instructor, and thus students will be expected to do the same. Violations of any of the above will result in losing your professionalism points for the day and could result in being dropped from the course.

Healthy Debate

Just as you will experience in the professional world after graduation, in this course you might be exposed to thoughts, opinions, and perspectives that are different from your own; this is a good thing because it exposes you to different ways of seeing things! As such, you will be expected to remain calm and professional, to objectively consider any differing thoughts and opinions, and if you wish, you may ask for more information and/or engage in respectful discussion as appropriate. It is indeed possible to disagree with someone AND remain calm, respectful, and professional!

Cheating

In this course, cheating means:

- Copying or in any way using someone else's work
- Having someone else complete your work or working in pairs or teams
- Turning in a paper you didn't write, including use of AI unless specifically allowed by your instructor for a specific assignment (the *Turn-it-in* tool within Brightspace detects use of AI)
- Turning in a paper that is not original to this course (i.e., turning in a paper you wrote for another course... the *Turn-it-in* tool within Brightspace detects this)

If you are caught cheating once, you will receive a zero on the exam or assignment it relates to. If you are caught cheating twice, you will receive an F in this course (not merely dropped with a W).

MCC's Academic Integrity statement, including its policies on dishonesty and cheating, can be found at www.mclennan.edu/academic-integrity.

Both the Completion Center and Paulanne's Pantry are located on the second floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to

<https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html>

to find out more about the emergency grant. The application can be found at

https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating. The unauthorized use of artificial intelligence (AI) for classwork can be a violation of the College's General Conduct Policy. Whether AI is authorized in a course and the parameters in which AI can be used in a course will be outlined by each instructor.

Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to <https://www.mclennan.edu/center-for-teachingandlearning/FacultyandStaffCommons/requirements.html> for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are

expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to www.mclennan.edu/studentemail.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:

- [Email Setup for iPhones and iPads](#)
- [Email Setup for Androids](#)

Forwarding Emails:

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

For more helpful information about technology at MCC, go to [MCC's Tech Support Cheat Sheet](#) or email helpdesk@mclennan.edu.
