W WITHDREW - this grade is given for an instructor or student-initiated course withdrawal through the 12th week of a semester (fourth week, summer day term; sixth week, summer nine-week term). After the 12th week or until the end of the semester (fourth week, Summer day term; sixth week, summer nine-week term), if a student withdraws from a course the instructor will either assign a W if passing work was being accomplished or an F if the student was doing failing work.

I INCOMPLETE - is given when a course is incomplete because of a student's absence caused by reasons acceptable to the instructor. To be eligible, the student must have essentially completed the course. If work is not made up within the following long semester, the "I" will be changed to and "F" and the course must be repeated if credit is to be given.

Late Work, Attendance, and Make Up Work Policies:

Students will be permitted to make up class work and assignments missed due to absences caused by (1) authorized participation in official College functions, (2) a death in the immediate family, or (3) the observance of a religious holy day. Also, the instructor has the prerogative of determining whether a student may make up work missed due to absences for other reasons. It is the student's responsibility to inform the instructor of the reason for an absence and to do so in a timely fashion.

Make-Up Test Policy

Students are expected to complete all tests at the time designated by their instructor.

- Should it be necessary to miss a test, there will be an automatic deduction of 15 points.

Substance-Related and Addictive Disorders
DAAC_1319_001

- Makeup tests are to be completed within one week of the regularly scheduled test.
- If the test is not taken within the first week after the original test, the grade for the test will become a zero.
- Students will only be allowed to make up one test per course for each semester.

Late Work

I DO NOT ACCEPT LATE WORK!!!
NO EXCEPTIONS. ALL WORK TURNED IN
AFTER A DUE DATE WILL RECEIVE A
GRADE OF “0”. *Once I begin taking roll,
assignments are considered late.

Ethics

Cheating will not be tolerated. Any student found to be cheating will be subject to grade reduction, re-doing of assignments, and/or dismissed from the course. Examples of cheating include but are not limited to:

- Copying the work of another student
- Seeking excused absences/tardies under false pretenses
- Plagiarism (claiming as your own work the work of another)

Student Behavioral Expectations or Conduct Policy:

In general, students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity. The Highlander Guides describes the rights, privileges and obligations of students affiliated with MCC.

Learning should be fun and not torture. However, there are expected guidelines for each class.

Participation (25 pts)

Class participation is so important to me that I give points for participating. This means that the student should participate in discussions, role play demonstrations, and exercises. I believe that through participation, the students' learning potential is enhanced. These points are at the discretion of the instructor.

Courtesy and Respect

Students should demonstrate courtesy and respect to all instructors, guests, and fellow students. While honest discussion and debate of topics is expected and encouraged, such interactions should not involve aggressive, derogatory, or hostile behaviors (verbal or otherwise). The

Substance-Related and Addictive Disorders
DAAC_1319_001

instructor reserves the right to act to protect the decorum of the learning environment and the image of MCC.

Punctuality

For this class, 2 tardies equals 1 absence.

Cell Phones

It is expected that you maintain appropriate usage of cell phones. Please make sure that your cell phones are muted while in class, this includes zoom. If you must take a phone call, please “step out of class.”
