### **Course Attendance/Participation Guidelines:**

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with

a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

This means:

If a student does not attend class before Sep. 6th (census date), they will be dropped from the class. This can negatively impact the student's ability to receive financial aid in the future.

If a student chooses to drop the class before Sep. 6th, they may do so, and the course will not appear on their transcript at all. Before making this choice, the student should speak with me to address their concerns. If I can provide the resources, advice, and/or encouragement needed for the student to successfully complete the class, I will be happy to do so. If after speaking with me, the student still wishes to drop the course, they should first check with their advisor and with the Office of Financial Aid to ensure they understand how dropping a class might affect their timeline to graduation and their ability to receive financial aid/scholarships in the future.

If a student chooses to withdraw from the class between Sep. 6th (census date) and Oct. 23rd (the 60% point in the semester), they may do so, and the grade on their transcript will be a W. Again, the student should consult with me, their advisor, and the Financial Aid Office to ensure they are making a fully informed decision.

Please note: Students are limited to 6 withdrawals throughout their undergraduate education at all Texas public colleges and universities (combined total).

If a student is absent from 8 class meetings before Oct. 23rd, the instructor may withdraw them from the class, and the grade on their transcript will be a W.

If a student reaches 8 absences after Oct. 23rd, they may receive an F for the course.

Attendance will be taken at the start of class. Students who arrive up to 20 minutes late will be counted tardy. After 20 minutes, the student will be counted absent. Three tardies will equal one absence. If a student is tardy, it is their responsibility to speak with me after class to ensure they are marked "tardy" and not "absent."

### **Course Grading Information:**

Final grades will correspond to the following scale: A = 90-100    B = 80-89    C = 70-79    D = 60-69    F = 0-59
