*Chapter readings stem from *Texas Politics Today*, the main course textbook. Please see THE course Brightspace for a full schedule and readings. The instructor reserves the right to change the course schedule. Students will be notified in case of a change via announcements on Brightspace.

***Each course activity covers the course objectives and competencies assessed in this course.*

Course Grading Information:

Every instructor will design various assessments, but all GOVT classes will use a standardized assessment which will measure the four specified CORE Student Learning Objectives of Critical Thinking, Communication, Social Responsibility and Personal Responsibility and the ACGM listed student learning outcomes. ALL ACTIVITIES ARE DUE ON THE CALENDAR DATES.

Quizzes (Test) – Each section will have an end of the chapter/section quiz that is required to take by a specific due date. The quizzes (tests) will cover the entire chapter, power points, and reading. They are multiple choice, timed tests. Students may work ahead on quizzes but must meet specific deadlines. For each chapter quiz, students may take the item up **to three times**. However, any resets are considered the student's one late item and no other late items will be allowed. Quiz resets for technical reasons DO count as a quiz reset. Having three opportunities to take the quiz does not mean that students are guaranteed that all three of those attempts will be completed. **The HIGHEST QUIZ GRADE is the recorded grade. Each quiz is 25 questions worth 1 point each. At the end of the semester, students may drop their low quiz grades (which includes a missed quiz)**

Guidelines for taking an online quiz:

1. On the navbar, click Quizzes.
2. On the Quiz List page, click on the quiz you want to take.
3. Read the instructions and details for the quiz, and when you're ready, click Start Quiz!.
4. Answer each question. As a best practice, save each answer after you have entered it. You can see which questions you have saved answers to in the Questions section of the

quiz's left panel. You can also click the question number in the quiz's left panel to go back to the question.

5. To navigate between pages, click Next Page or Previous Page.
6. Click Go to Submit Quiz after you answer all quiz questions.
7. If you are ready to submit the quiz, THEN click Submit Quiz.
8. **Only the textbook can be used for the quizzes. No outside assistance, including other students, is allowed. A zero will result, and the student will be reported to the Academic Integrity Committee. A second cheating incident will result in failing the course.**
9. **All quiz times are based upon Central Standard Time (CST)**

Note: Your organization may require you to use the Respondus LockDown Browser® to take quizzes. You can click the Respondus LockDown Browser link in the Quiz Requirements section to download and install it for free. You can then launch your quiz. If you have installed the Respondus LockDown Browser already, the Start Quiz page will open automatically within it.

Discussion Boards– Three Discussion Boards are required each covering differing topics. The Orientation Discussion Board (#1) and two other discussion boards are required. The initial Orientation Discussion Board is worth 10 points. The remaining 2 discussion boards are worth 45 points each. Within a Discussion Board, the professor only allows the students to REPLY to the professor's original post and other student's replies. Students are not allowed to create new threads. Each new reply must indicate what the student is doing in the subject line.

Discussion Board (DB) Activities:

DB #1: Orientation Discussion Board **(10 points)**

More Instructions and readings for DB #1 are found on the course Brightspace.

DB # 2: Texas Legislature/Executive **(45 POINTS)**

More Instructions and reading for DB#2 are found on the course Brightspace.

DB #3: Texas Local Governments **(45 POINTS)**

More Instructions and reading for DB#3 are found on the course Brightspace.

Discussion Board Basic Requirements (more requirements posted on the DB directions:

- Students are required at a minimum to make 3 posts for each discussion board. The Orientation Discussion Board is worth 10 points and the two remaining discussion boards are worth 45 points.
- The initial post (for all discussions except the Orientation) counts 25 points and must relate to the readings and questions posted with the discussion. **Students MUST ANSWER ALL OF THE QUESTIONS USING THE POSTED MATERIAL.**
- An additional 10 points will be allotted for a student's new reply asking a thought-provoking question covering the material read for the discussion board. This question must directly relate to the material, MAY NOT be a simple yes or no answer, must promote discussion, and may not be a repeated question or a question that is similar to another student's question or my questions.
- A thoughtful reply to some else's question using information discovered AND presented in the material is mandated for the final 10 points. Students must use the articles in order to answer a student's question. **The answer to another student's question must be at a minimum 4 sentences long!**
- All postings must be completed by the individual student. **Any outside assistance is not allowed.** Due to the nature of Discussion Boards, students may not submit discussion boards late.

All other activity directions and requirements apply to this assignment, including, but not limited to, plagiarism, excessive quoting, and no use of outside sources unless allowed. No copying and pasting from previous assignments/activities is allowed for the Final Exam. The questions must address Texas Politics only and not national politics. Final Exams cannot be submitted late. More directions will be forthcoming when the final exam due date arrives. Make certain that the final exam answers are saved on a personal computer in case any issues develop with the Brightspace. Technical issues are not an appropriate reason for a late final exam. Late final exams are not allowed no matter the reason. More details will be provided when the Final Exam is made available to students. MLA in-text citations and a MLA Works cited page are required. If not provided properly, students will receive a zero for the Final Exam.

Grades: The point system is utilized for the Course. The benefit of the point system is that every point helps! Each section, students will have points for quizzes with additional points from assignments, discussion boards, and other required activities. Specifically, students will have 12 chapter quizzes WORTH 25 points each, 1 Orientation Discussion Board worth 10 points, 2 Discussion Board WORTH 90 points, an Assignment worth 50 points, and the Final Exam worth 100 points.

The delineation of the points is as follows:

Orientation Discussion Board	10 points
Quizzes (12 quizzes x 25 points each)	300 points
Discussion Boards (2)	90 points
Assignment #1	50 points

+ Final Exam	+100 points
Total Points	= 550 points

At the end of the semester the point range will break down as follows:

90% of 550 points = 550 – 495 points = A

80% of 550 points = 494 – 440 points = B

70% of 550 points = 439 – 385 points = C

60% of 550 points = 384 – 330 points = D

329 points or below = F

Late Work, Attendance, and Make Up

Work Policies:

In very rare cases, death of a family member, extreme illness, or official college function, will I allow a student to complete missed assignments. **In order for that to occur, students must contact me via Classlist (internal messaging center) within 24 hours of the missed task with a valid explanation, otherwise it is a zero. ONLY ONE activity will be allowed to be submitted late with a valid excuse. A quiz reset does count as a late activity. All other missed activities after the one late item or reset will receive a zero. Due to the nature of discussion boards, discussion boards cannot ever be submitted late! The final exam cannot be submitted late either.**

Attendance is kept through participation rates. Missing more than 3 sections of activities will lead a student to be dropped. If it is after the drop date, then the student will receive an F if they are failing the class.

Make Up Quizzes:

The following guidelines will prevail if a student fails to complete a quiz before the completion date, and requests to make up the quiz.

1. The student must send me a message within **24** hours after the completion date and time requesting to make up the quiz.
2. The message must detail why the student failed to complete the quiz on time.
3. After receiving the request, I will consider giving extra time based on each request.
4. If the make-up request is granted, the student will be given a password to enter the quiz and have one day to complete the missed quiz. The quiz may only be taken once.

5. If the student has had a quiz unlocked prior to the request, he or she **WILL NOT** be allowed to take the make-up quiz.
6. If a student has not had a quiz unlocked prior to the request, the make-up quiz will count as their lock-out for the semester.
7. The three quiz attempts does not guarantee that students will be able to take the quiz three times every section. If students have technical difficulties with their computer or issues that negate a quiz, then they have 2 other attempts to make-up for that lost quiz attempt. Thus, the reason for the three attempts

Assignments: Contact me if you have an Assignment issue.

Discussion Boards: cannot be submitted late.

Final Exam: cannot be submitted late.

A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who miss 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.
