- **If there are 2 weeks without receiving the week's assignment, then an absence will occur a "0" given for that assignment**

This course is meant to address technology and offer practice in understanding Quantitative Reasoning.

**Student Behavioral Expectations or Conduct Policy:**

**Student Behavioral Expectations or Conduct Policy:**

- Having someone else do your online assignments is a violation of the academic policy and either may result in failing grades and/or being dropped from the class. Infractions such as these will be reported to the administration for tracking and permanently placed on your transcripts as well as possible college action.
- You must be committed to participating in this course. Communication on homework problems have to be done via e- mail.
