Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

Course Outline or Schedule:

The lesson materials and schedule will be determined on a student-by-student basis. Once the student and instructor meet, they will outline a plan and goals for the semester to help the student progress toward a jury performance at the end of the semester. The student will be expected to practice at least five hours per week outside of the lesson time.

Course Grading Information:

The grade will be based on lesson participation and preparation, as well as performance in the final jury. The instructor will judge how well the student prepares each week and provide a grade (out of 10 points) and feedback. Twelve lesson scores will count toward the final grade (up to two may be dropped). The grade for the final jury (20 points) will be based on preparation of the music, accuracy of execution, and musicality of the performance.

Lesson preparation and participation: 10 points/week	120 points	80%
<u>Jury performance:</u>	<u>30 points</u>	<u>20%</u>
Total grade:	150 points	100%

Late Work and Make Up Work Policies:

If it is necessary to reschedule a lesson, the instructor will work with the student to schedule a time. If a student does not show up to an assigned lesson time without contacting the instructor ahead of time, the lesson will not be rescheduled and the student will receive a 0 for that lesson. Since only 12 lesson scores count toward the final grade, a student may miss one or two lessons without affecting their grade, but additional missed lessons will have a negative impact on the final grade.

Student Behavioral Expectations or Conduct Policy:

Students are expected to conduct themselves properly and respectfully during lessons and in all communications.
