**COURSE SYLLABUS  
AND  
INSTRUCTOR PLAN  
APPLIED COMMERCIAL MUSIC:  
PERCUSSION MUSP 2149 001  
COURSE SYLLABUS**

**Jonathan Kutz**

**NOTE: This is a 16-week course.**

**NOTE: This course meets Face-To-Face**

# **APPLIED COMMERCIAL MUSIC: PERCUSSION**

## **MUSP 2149**

### **Course Description:**

Provides private instruction on drum set with goals related to commercial music---the performance of jazz, rock, latin, country, hip hop, gospel, etc. The student will demonstrate proficiency in commercial music repertoire and technique; develop a professional, disciplined approach in performance skills; and present a juried performance for faculty.

### **Prerequisites and/or Corequisites:**

Corequisite: concurrent enrollment in a Commercial Music Ensemble (jazz, rock, improv, ccm, hip hop, vocal tech) – exceptions must be approved by program director. If you don't have a drum set at home we have 2 drum set practice rooms with kits in them available for you to use 7 days a week! You simply have to visit the MCC physical plant a few weeks one of the semester to get your card swiped.

### **Course Notes and Instructor Recommendations:**

Your success will be greatly enhanced if you have had some kind of previous instruction such as high school band or drum lessons. If I have too many students sign up, I must audition and take the most qualified. MIC majors are my main priority and this varies by semester so by all means, please sign up. Daily practice is a must when learning new coordination skills. Two drum set practice rooms are available in the PAC building, so no excuses!

### **Instructor Information:**

Instructor Name: Jonathan Kutz

MCC E-mail: [jkutz@mclennan.edu](mailto:jkutz@mclennan.edu)

Office Phone Number: 299 8110

Office Location: MTA 115

Office/Teacher Conference Hours: TBA

Other Instruction Information:

### **Required Text & Materials:**

Progressive Groove Studies Vol. 1-3 by Jonathan Kutz

MCC Percussion Primer by Jonathan Kutz (My books are available in my office for free!)

Survival Guide for the Modern Drummer by Jim Riley

**MCC Bookstore Website:** <http://www.mclennan.edu/bookstore/>

### **Methods of Teaching and Learning:**

Drum lessons are one hour a week at a time that is agreeable to the both of us. Since this is a one on one lesson, you will have my undivided attention to help assist you in your musical quest. Basically, I assign you an assignment, you go home and practice. If you learn it well enough, I

## **APPLIED COMMERCIAL MUSIC: PERCUSSION**

### **MUSP 2149**

can then assign you more new material. Your goal should be to get new material each week. I grade each lesson and that will make up your final grade as well as a final playing exam.

#### **Course Objectives and/or Competencies:**

Drum Set Lesson Objectives;

- To learn to read music notation so that you can become your own teacher.
- To achieve enough hand technique to achieve intermediate to advanced levels of success.
- To achieve adequate hand technique to play in a rudimental style and learn its application to the drum set.
- To learn a variety of musical styles that will help you be successful in today's music field. Styles include rock, jazz, blues, country, latin and world styles.
- To learn a variety of different grooves that stress 4 way coordination skills in different styles such as rock, jazz, blues, country, latin and world styles.
- To become familiar with the great songs/ drummers of music history. Styles include, jazz, rock, blues, country, and metal. We will use transcriptions and play certain great songs, note for note.
- To work on material that you will play with a commercial music ensemble.

#### **Course Outline or Schedule:**

This is all based on the student's entrance level. I can start students from the beginning or start a student from whatever level they are on. First, I teach music reading and hand conditioners/ warm-ups. From there we will move to the drumset and start learning coordination patterns in rock, jazz, blues and latin styles. From there we add in hand/foot combinations, accent studies and kit application, and play-alongs that cover various styles.

I teach from a song based curriculum in which I have Spotify playlists that range from super easy to complex. The songs span all styles and time periods. We will learn a song at the end of the first lesson. Can you keep a simple beat for 3 minutes without missing a beat? It's much harder than it sounds...Eventually we will learn classic drum tracks and read the transcription for an exact reproduction of the drum part to achieve insights to their greatness.

At the beginning of the semester, I will provide you with the necessary books and we will formulate a weekly assignment plan to get you rapidly moving along.

Lessons will focus on:

- hand development on the pad
- music reading (if necessary)
- coordination exercises on the drumset in rock and jazz styles
- songs you're learning in ensembles and classic drum tracks
- different styles: jazz, brushes, latin, blues shuffles. See Jim Riley book for more examples...

### **Course Grading Information:**

Each weekly lesson is graded. It is based on the amount of improvement you have made from the previous week. A well prepared lesson will equal a good grade and furthermore, you will receive new material to learn! A final performance is required and will be picked 6 weeks from the end of the semester. This can be picked by the student or teacher. This performance is called a “jury” and is made of a committee of music faculty members who will listen to you play and assign a grade.

Grades will be based on successful completion of:

1. Performance of assigned material for each lesson. Lessons will be graded as follows:  
A = all assignments performed at an exceptional level and up to your ability, exceptional attitude and etiquette, all assigned material covered, exceptional improvement.  
B = all assignments performed at a good level, good attitude and etiquette, most assigned material covered, good improvement.  
C = all assignments performed at an average level, average attitude and etiquette, adequate assigned material covered, average improvement.  
D = all assignments performed at a poor level, poor attitude and etiquette, unacceptable amount of assigned material covered, poor improvement.  
F = unexcused or missed lesson, unacceptable preparation, unacceptable attitude and etiquette, unacceptable amount of assigned material covered, unacceptable improvement.  
Dismissed from lesson or unexcused absence.
2. Performance in ensemble (optional for non-majors)
3. Performance at Juries (optional for non-majors)
4. Consistent attendance.

### **Late Work, Attendance, and Make Up Work Policies:**

If you have to miss a lesson, I will only allow make-ups if you contact me before your lesson time. If I don't hear from you, I am not required to let you make it up and have the right to not make it up. If I have to miss I will do my best to inform you in advance and we will make these lessons up.

### **Student Behavioral Expectations or Conduct Policy:**

Most students take lessons because they want to and are highly motivated to learn. It may be a hard task to prepare for 15 lessons but most students I have had do a good job. Please be honest with me, I can tell when you haven't practiced, we could possibly review, work on jury material or work on ensemble material. Students are expected to maintain classroom decorum that

## **APPLIED COMMERCIAL MUSIC: PERCUSSION MUSP 2149**

includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the educational opportunity.

### **MCC PERCUSSION/DRUM SET POLICIES**

**The equipment in the rehearsal rooms (PAC 122, 145, Studio and MTA111) is used about 6-8 hours a day. That's an incredible amount of playing that our equipment endures. In order to keep rehearsals running on time, please follow the guidelines listed below to help keep equipment in good working order.**

- 1) Please do not remove any drum set equipment from rooms. Each room has a kit, hardware and 3 cymbal stands. If somebody asks to borrow something, NO! With all the room usage, all equipment stays in that room, except if you get permission from Mr. Kutz. (Yes, you can take it for gigs).**
- 2) The CYMBALS for PAC145 are keep in the cabinet in 145 (See director for lock combo.) The cymbals for 122 are stored in the locked closet across from the studio. The cymbals for MTA 111 are kept in Pat Kelly's office. To avoid theft, please remove cymbals after each use and return them to storage area.**
- 3) Hi Hat clutches are super glued onto hi hat cymbals. Keep them attached and store in each bag.**
- 4) Please make sure all cymbal felts and washers are replaced if lost. The rule for extended cymbal life is to avoid metal to metal contact. Please see Mr. Kutz if any cymbal stands need any parts. All cymbal wing nuts have been removed because they are always being lost.**
- 5) When traveling to gigs, please put all loose cymbal stand and hi hat parts in zippered compartment of cymbal bag. We loose the most parts when traveling to gigs.**
- 6) PLEASE CARRY A DRUM KEY WITH YOU TO TWEAK THE DRUMS AND TO RAISE/LOWER THRONES. If a drum sounds like crap, PLEASE TUNE IT! Whenever I sit down at the kits, they need slight "tweakage". Please avoid any MARCHING style tunings on the kit as that is the wrong situation for very tight tunings.**
- 7) Please loosen any parts before making adjustments. This applies to tom mounts and cymbal stands. Don't grab a tom that is tightened down and forcefully move it. Loosen, then adjust it. Don't over-tighten cymbal stand bolts. That is how they get stripped out. We don't have any spare equipment so please treat it with a little love and respect.**
- 8) We are fortunate enough to finally have great equipment. I need your help to keep it that way. PLEASE REPORT ANY BROKEN EQUIPMENT TO ME AT ONCE, SO IT CAN BE REPAIRED. I am the master repairman!**
- 9) Please be very careful with the bottom heads of snare drums because they are very fragile. Make sure they are on the snare stand properly and be careful with it when traveling. (BTW, black travel cases for the kits are located in room 145 on top of percussion closet.)**

## **APPLIED COMMERCIAL MUSIC: PERCUSSION MUSP 2149**

**10.) We have 2 practice rooms here at MCC. They are located across from the recording studio. You can gain access by going to the MCC Physical Plant after week one of a semester. They are not the greatest drum sets, but they work and should be used as much as possible. Keep all this equipment in the rooms, no moving, exchanging or borrowing.**

**11.) It is the student's responsibility to have sticks, hot rods and brushes. I will not loan you anything, so please don't come a knockin'. (Unless you have cash or food.) Keep a small towel with you to throw over the snare drum in small rehearsal rooms to balance your sound with the bands. Play the room!**

### **Course Attendance/Participation Guidelines:**

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

## **ACADEMIC RESOURCES/POLICIES**

### **Accommodations/ADA Statement:**

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. For additional information, please visit [www.mclennan.edu/disability](http://www.mclennan.edu/disability).

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

**Email Policy:**

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are

expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to [www.mclennan.edu/studentemail](http://www.mclennan.edu/studentemail).

**Instructional Uses of Email:**

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

**Email on Mobile Devices:**

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email [Helpdesk@mclennan.edu](mailto:Helpdesk@mclennan.edu) for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:

- [Email Setup for iPhones and iPads](#)
- [Email Setup for Androids](#)

**Forwarding Emails:**

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

For more helpful information about technology at MCC, go to [MCC's Tech Support Cheat Sheet](#) or email [helpdesk@mclennan.edu](mailto:helpdesk@mclennan.edu).
