Title: Psychology in Everyday Life

Edition: 6th Edition

Authors: David G Myers and C Nathan DeWall

Publisher: Macmillan Publishers (MPS)

Achieve Access & E-Book: ISBN 9781319526306

Student Access Code: **FMJ39DKK**

Note: Our department is participating in a Bill and Melinda Gates Foundation Study through Macmillan Learning. As a part of this study, your course materials are free to you as a student! Do NOT purchase materials and do NOT use the free trial.

Please follow the instructions on the Macmillan Learning website for accessing the course: <https://macmillan.force.com/macmillanlearning/s/article/Achieve-Access-Code-FAQ> using the following access code **FMJ39DKK**. If you use the "free trial" access, it will expire in two weeks and you will lose access, thus, the access code should be used. Also, the

code is case sensitive, so be sure to use capitalized letters as you see above. Your participation in Macmillan Learning's research study is completely voluntary, however, I highly encourage you to participate through their surveys as your feedback contributes to improving the product for others (and your willingness to participate is how students are receiving free access.)

Methods of Teaching and Learning:

Lecture and/or videos, along with the following:

Assignments/Activities

- Various assignments and activities will be completed during class units that are intended to expand and enhance the student's understanding about important topics.

Objective Quizzes/Exams

- These assessments will include objective questions in various formats over the primary characteristics (e.g. definitions, parts/features, relationships, etc.) of course topics from each chapter.

Achieve Learning Curve Chapter Sets

- Achieve Learning Curve Chapter Sets are assessments over the student's reading of the textbook. These are adaptive assignments and conducted online through the Macmillan Learning portal.

Course Objectives and/or Competencies:

Courses in this category focus on the application of empirical and scientific methods that contribute to the understanding of what makes us human. Courses involve the exploration of behaviors and interactions among individuals, groups, institutions, and events, examining their impact on the individual, society, and culture.

- **Critical Thinking (CT)** -- to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
- **Communications Skill (COM)** -- to include effective written, oral, and visual communication.
- **Empirical & Quantitative Skills (EQS)** -- to include applications of scientific and mathematical concepts.
- **Social Responsibility (SR)** -- to include intercultural competency, civic knowledge, and the ability to engage effectively in regional, national, and global

GENERAL PSYCHOLOGY

PSYC 2301-040

Learning Outcomes:

Upon successful completion of this course, students will:

1. Identify various research methods and their characteristics used in the scientific study of psychology.
2. Describe the historical influences and early schools of thought that shaped the field of psychology.
3. Describe some of the prominent perspectives and approaches used in the study of psychology.
4. Use terminology unique to the study of psychology.
5. Describe accepted approaches and standards in psychological assessment and evaluation.
6. Identify factors in physiological and psychological processes involved in human behavior.

Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who miss 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

Course Grading Information:

The final grade will be based on the student's average of 4 test scores, a final exam, 32 Achieve Learning Curve Chapter Sets, 14 video activities, and class participation and attendance.

Tests: The 4 unit tests will be conducted on Brightspace. **COMPLETION OF TESTS BY DUE DATES IS MANDATORY!!** If a student is unable to complete a test, the student must inform the instructor prior to the due date. **ONLY 1 TEST MAY BE MADE-UP! If a second test is missed, it will be considered an automatic 0 for the grade.** No project can replace a(n) test/exam score. If these guidelines are not followed, the instructor has the right to reduce possible grades and/or fail the student for lack of compliance with course requirements. The instructor also holds the right for alternatives at her discretion. Each test will be weighted at 10% of the final grade.

GENERAL PSYCHOLOGY

PSYC 2301-040

Final Exam: The final exam will be held on Tuesday, Dec 5. This exam will be given **IN CLASS**. Attendance is mandatory and final exams will **NOT** be given early. Students must bring a **scantron 882-E** with them for this exam. The final exam is comprehensive with emphasis on chapters 12-14. The final exam will be weighted at 20% of the final grade.

Achieve Learning Curve Sets: The average of 32 chapter sets on concepts from the textbook will make up another 20% of the final grade. The chapter sets are conducted online through Achieve. Each one covers 2-4 concepts from the textbook and asks about 5 questions per concept. These are adaptive assignments, thus length is determined by questions answered correctly. However, this also ensure a possible 100 on each of these tasks. The student's Achieve registration code is provided free of charge using the code given previously in the syllabus. **Learning Curve Chapter Sets have strict due dates and therefore CANNOT be made up!** Due dates for these can be found on the course calendar above.

Assignments: Another 10% of the student's grade will be comprised of 14 Video Activities (one for each chapter) due on the Friday due dates. Each video is 2-10 minutes long with 2-5 multiple choice questions about the video. Each should take only 5-12 minutes to complete. These videos help to bring a practical application to content discussed in lecture. **Video Activities have strict due dates and therefore CANNOT be made up!**

Attendance and Participation: The last 10% of the final grade will be determined by the student's attendance and participation. This **includes** timeliness of coming to class, staying until class is dismissed, and coming prepared for learning and discussing the material of each class period.

Grading Summary:

Test 1 (Chapters 1-2) =	10%
Test 2 (Chapters 3-5) =	10%
Test 3 (Chapters 6-8) =	10%
Test 4 (Chapters 9-11) =	10%
Final Exam (Cumulative, emphasis on Chapters 12-14)	20%
32 Achieve Learning Curve Chapter Sets Average =	20%
14 Video Activities =	10%
Attendance and Participation =	10%
FINAL GRADE =	100%

The traditional score equivalency will be used in this class:

A = 90-100%

B = 80-89%

C = 70-79%

D = 60-69%

F = BELOW 60%

GENERAL PSYCHOLOGY

PSYC 2301-040

Late Work, Attendance, and Make Up Work Policies:

No assignment, DB, or practice set is allowed to be made up after its due date and only 1 test may be made up with instructor permission. The final exam MUST be attended as scheduled.

Incomplete Grade:

Only students who have completed and passed 80% of the course requirements will be eligible for an incomplete. Illness, death in the family, or other extenuating circumstances needs to be present; and consultation with the instructor is mandatory.

Student Behavioral Expectations or Conduct Policy:

Each student is strongly recommended to participate in class. Due to the diversity of the students, many different viewpoints will be held. Students may not only disagree with each other at times, but the students and instructor may also find that they have different views on sensitive and volatile topics. It is my hope that these differences will enhance the class and create an atmosphere where students and instructor alike will be more encouraged to think and learn. Therefore, be assured that your grade will not be adversely affected by any beliefs and/or ideas expressed in class or assignments. Respect will be given for the views of others when expressed in classroom discussions. The instructor expects students to also treat each other with respect and manifest appropriate classroom behavior.

If the instructor becomes aware of cheating or plagiarism, an automatic 0 will be given for that task. These behaviors will be reported as per MCC policy. See MCC's policy on Academic Integrity for more information.

Attendance:

Regular and punctual attendance is expected of all students. The instructor will maintain a complete record of attendance for the entire length of each course. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades. Instructor will follow the MCC attendance policy strictly. For this semester, the 60% course date is October, 23, 2023. A student who has missed 8 class periods by this date will be automatically withdrawn with a W. Students who miss more than 25% of class periods after this date will receive the grade earned in the class once all completed work is graded and all missed assignments have

been graded as 0. A student may only be withdrawn from this class after the 60% date by student request, and at the discretion of the instructor.

ACADEMIC RESOURCES/POLICIES

Accommodations/ADA Statement:

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. For additional information, please visit www.mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

disabilities@mclennan.edu 2542998122 Room
319, Student Services Center

Title IX:

We care about your safety, and value an environment where students and instructors can successfully teach and learn together. If you or someone you know experiences unwelcomed behavior, we are here to help. Individuals who would like to report an incident of sexual misconduct are encouraged to immediately contact the acting Title IX Coordinator at titleix@mclennan.edu or by calling, Dr. Claudette Jackson, (Accommodations/Title IX) at (254) 299-8465. MCC employees are mandatory reporters and must report incidents immediately to the Title IX Coordinator. Individuals may also contact the MCC Police Department at (254) 299-8911 or the MCC Student Counseling Center at (254) 299-8210. The MCC Student Counseling Center is a

confidential resource for students. Any student or employee may report sexual harassment anonymously by visiting <http://www.lighthouse-services.com/mclennan/>. Go to McLennan's Title IX webpage at www.mclennan.edu/titleix/. It contains more information about definitions, reporting, confidentiality, resources, and what to do if you or someone you know is a victim of sexual misconduct, gender-based violence or the crimes of rape, acquaintance rape, sexual assault, sexual harassment, stalking, dating violence, or domestic violence.

Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at <http://www.mclennan.edu/campus-resource-guide/>

Academic Support and Tutoring is here to help students with all their course-related needs. Specializing in one-on-one tutoring, developing study skills, and effectively writing essays. Academic Support and Tutoring can be found in the Library and main floor of the Learning Commons. This service is available to students in person or through Zoom. You can contact the Academic Support and Tutoring team via Zoom or email (ast@mclennan.edu) by going to our website (<https://www.mclennan.edu/academic-support-and-tutoring/>).

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact either MCC CREW – Campus Resources Education Web by calling (254) 299-8561 or by emailing crew@mclennan.edu or a Success Coach by calling (254) 299-8226 or emailing SuccessCoach@mclennan.edu. Both are located in the Completion Center located on the second floor of the Student Services Center (SSC) which is open Monday-Friday from 8 a.m.-5 p.m.

To schedule an appointment, go to https://mclennan.co1.qualtrics.com/jfe/form/SV_07byXd7eB8iTqJg. Both the Completion Center and Paulanne's Pantry are located on the second floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to

<https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html>

to find out more about the emergency grant. The application can be found at

https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating. The unauthorized use of artificial intelligence (AI) for classwork can be a violation of the College's General Conduct Policy. Whether AI is authorized in a course and the parameters in which AI can be used in a course will be outlined by each instructor.

Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to <https://www.mclennan.edu/center-for-teachingandlearning/FacultyandStaffCommons/requirements.html> for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are

expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to www.mclennan.edu/studentemail.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:

- [Email Setup for iPhones and iPads](#)
- [Email Setup for Androids](#)

Forwarding Emails:

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

For more helpful information about technology at MCC, go to [MCC's Tech Support Cheat Sheet](#) or email helpdesk@mclennan.edu.

Disclaimer:

The resources and policies listed above are merely for informational purposes and are subject to change without notice or obligation. The College reserves the right to change policies and other requirements in compliance with State and Federal laws. The provisions of this document do not constitute a contract.
