

WACO, TEXAS

### COURSE SYLLABUS AND INSTRUCTOR PLAN

Statistical Methods in Psychology

PSYC 2317\_030

Dr. Misty Edwards

NOTE: This is a 16-week course. NOTE: This is a Face-to-Face course.

AN EQUAL OPPORTUNITY INSTITUTION

Fall 2023

#### **Course Description:**

This course covers descriptive and inferential statistics used in psychological research and assessment. It includes measurement, characteristics of distributions; measures of central tendency and variability; transformed scores; correlation and regression; probability theory; and hypotheses testing and inference. (PSYC 2317 is included in the Psychology Field of Study.)

#### Prerequisites and/or Corequisites:

Prerequisites: PSYC 2301 General Psychology & MATH 1314 College Algebra

#### **Course Notes and Instructor Recommendations:**

This syllabus is a contract between the students and instructor. Please do not ask for any exceptions in policies, grading, or the granting of reprieves.

- 1. Success in this course requires a commitment to two academic skills: following directions and deep learning. Expectations regarding student performance are available on this syllabus and throughout Brightspace. **Please read all information carefully**.
- 2. Attend class. If you cannot attend class, email me immediately.
- 3. **Please set up and check your student email**. If you email me and I do not reply, retry with your student account. You may contact tech support at 299-8077 if you need email access assistance.
- 4. Check Brightspace and student email daily.
- 5. You must be willing to **practice**, **practice**! This is the only way to learn statistics.
- 6. **This class is very complex and will require a lot of work**. Be ready to work hard, read a lot, write a lot of notes, and practice exercises in and out of class. This is not an "easy A" course. Although it can be intense, previous students often indicated their experience in the class was positive.

Previous grades, professors, work, etc. bear no importance to the current course. Every course is different, and every professor employs academic practices that may be different from the previous one.

#### Statistical Methods in Psychology

PSYC 2301\_030

#### **Instructor Information:**

Instructor Name: Dr. Misty Edwards MCC Email: medwards@mclennan.edu Office Hours Office Phone Number: 254-299-8967 Office Location: MAC 329

- On campus: Tues and Thurs: 12:45 to 2:00 pm (except 9/7, 9/28, 10/19, & 11/9)
- Virtual: Mondays/Wednesdays all day, by request
  - Email professor to request meeting.

#### Required Text & Materials: MCC Bookstore Website:

#### Technology

Students will need off-campus access to reliable computers and internet. Let me know if this might be a problem so we can deal with it early in the semester.

#### Textbook

Online Access: *Statistics for the Behavioral Sciences*, 10<sup>th</sup> Ed Author: Gravetter, F.J. & Wallnau, L. B. Publisher: Cengage ISBN: (not including)

> Note: The online access is included with your registration fee and does NOT require an additional purchase. This contains an online version of the textbook and gives access to a portion of class assignments. Instructions for accessing these resources will be given when the course opens.

#### MCC Bookstore Website: http://www.mclennan.edu/bookstore/

#### Statistical Software Download

Title: Jamovi

Location: <u>Click here to go to download page (select the most current version)</u> Note: Jamovi is tricky to download on Chromebooks. Instructions on how to install Jamovi on Chromebooks can be viewed at <u>https://www.youtube.com/watch?v=h4ECIS57TPw</u> (video will also be posted in Brightspace)

#### Methods of Teaching and Learning:

This class utilizes a "flipped classroom" format. Lecture material will be pre-recorded and posted in Brightspace for students to review prior to class. In-class periods will be used for facilitating understanding of the previously reviewed material. This means that what is considered 'homework' in a traditional class will now be done in the classroom. Teaching methods will include the use of online lectures, online assessments, in-class written calculation assignments, in-class testing, and online statistical labs.

Upon successful completion of this course, students will:

- 1. Compute and interpret empirical and theoretical probabilities.
- 2. Define and explain the characteristics of data based on their reliability, validity, and scales of measurement.
- 3. Interpret visual representations of data, such as graphs and tables.
- 4. Compute and interpret descriptive statistics, such as mean, median, and mode; standard deviation and range; and transformed scores.
- 5. Compute and interpret inferential statistics and tests, such as z test, t test, and ANOVA.
- 6. Calculate, evaluate, and interpret simple linear correlation/regression.
- 7. Construct and interpret confidence intervals.
- 8. Examine, analyze, and compare various sampling distributions.
- 9. Formulate, perform, and interpret hypotheses tests.
- 10. Identify the appropriate statistical analyses for given research problems, questions, hypotheses, and data sets.
- 11. Apply statistical knowledge to the interpretation of psychological research.
- 12. Explain features and purpose of statistical software packages.

#### **<u>Course Outline or Schedule (and related Learning Outcomes):</u>**

Weeks 1-3: Intro, central tendency, and variance/standard deviation

Weeks 4-8: Z-scores, probability, distribution of sample means, and hypothesis tests

Weeks 9 – 12: T-tests, estimation, and confidence intervals

Weeks 13 – 16: ANOVA, correlation (regression and chi-square tests if time permits)

Please note this is subject to change. Students will be notified of changes in Brightspace.

#### **Course Grading Information:**

#### Attendance/Participation

Attendance in this class is paramount to content mastery. Students are expected to regularly attend class on time and be ready to learn. Attendance assessment includes timeliness of coming to class, staying until class is dismissed, and coming prepared for each class period (e.g., entry items indicating review of at-home, assigned material).

#### In – Class Activities (lowest 2 dropped)

In the on-campus portion of the course, students will complete a variety of activities to demonstrate proficiency on material assigned for review prior to class.

#### Lecture Exams (No drops)

Lecture exams will be completed in class. Each exam covers all the material in the readings and lectures since the previous exam. The exams will be a combination of true/false, multiple choice, matching, and problem solving. There will be four exams worth 100 points each.

#### Lab Work

Lab Exercises

In the lecture portion of the class, you will learn how to do statistics by hand. In the lab portion, you will learn how to run and interpret those statistics using the Jamovi Software. When we do these analyses, I will ask you questions about your data that you will be expected to turn in through Brightspace.

#### Lab Exam

This is a cumulative lab exam with the format comparable to the lab exercises. This final is open note – so SAVE YOUR EXERCISES!

#### **Grade Weights Summary**

Attendance/Participation: 20% In-class activities: 20% Lecture Exams: 30% Lab: Total of 30% Lab Exercises: 30% Lab Final: 70%

This course will adhere to the following grading scale:

90-100 = A80-89 = B70-79 = C60-69 = D $\leq 59 = F$ 

#### Grade Disputes

Other than the final course grade, students have 72 hours to challenge or revisit previous a grade on any assignments/exams in the course. Due to the Family Education Rights and Privacy Act, I am prevented from discussing student grades with parents/guardians unless a waiver has been signed. This is also one reason why I only respond to emails from MCC student accounts.

#### Academic Integrity

Unless otherwise specified, in this class, a student has <u>cheated</u> if they:

- Use <u>any</u> outside sources not provided by me or copies from another student on any coursework (e.g., quizlet, google, another person, etc.)
- Photographs/copies any of the assignments, quiz/exam questions for any reason
- Shares any of the homework, quiz/exam questions with anyone other than the professor, for any reason
- Students in violation of this policy will receive an F in the course.

#### **<u>Course Attendance/Participation Guidelines:</u>**

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly, and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

#### Click Here for the MCC Attendance/Absences Policy

#### (https://www.mclennan.edu/highlander-guide/policies.html)

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

#### Late Work, Attendance, and Make Up Work Policies:

#### Attendance in this course

- Attendance is taken every day
- <u>ALL</u> absences are recorded regardless of whether or not documentation can be provided
- You should email immediately, prior to the absence if possible.

#### Making up missed assignments

- Due to the flipped nature of this class, students who miss a class on campus will also miss an in-class activity grade. To allow for this, the lowest 2 activity grades will be dropped without a grade penalty, regardless of reason. However, the student will still be responsible for learning the material to demonstrate proficiency on course exams.
- Will be reviewed on a case-by-case basis.

#### Missed Exams

- Final Lab exam: you can't miss this it's how I know you're ready to go on to research methods.
- Lecture Exams:
  - Not automatically offered (i.e., only in extreme cases)
  - Make-up Exams: Automatic 10 point deduction
  - Don't use this policy to fall back on; taking a make-up exam is a bad idea and should only be done in rare circumstances (e.g., verifiable hospitalization)

#### Technical Issues/Backup Plan for Technology:

- If course/campus wide, adjustments can be made.
- If individual/student specific extensions are not offered for individual technical issues.

#### Dealing with Technical Difficulties: Brightspace/MCC

- Phone number: 254-299-8077
- E-mail: helpdesk@mclennan.edu

#### Dealing with Technical Difficulties: Cengage Mindtap/Aplia

- Website: <u>https://cengage.force.com/s/login/</u>
- Phone: 800-354-9706

#### Student Behavioral Expectations or Conduct Policy:

# If a student chooses to violate these expectations, I reserve the right to publicly ask that the behavior be changed and/or that the student leave the classroom. Repeat offenders may be permanently removed from the class with either an F or a W for their final grade.

The great majority of college students understand the need for civility toward others. Most students routinely exhibit such behavior and expect their classrooms to be free from unwanted distractions. So please be assured that significant or chronic disruptive behaviors will not be tolerated in this class. (For example: abusive language, eating, sleeping, chatting, cell phone use, bringing children or other guests, packing up backpacks before class is over, etc.) If you have a medical problem or other special need, please talk with me privately. If you have a special need to be available by phone, please discuss it with me.

More on Attendance & Entering and Exiting the Classroom During Class Time:

I will be *slightly* flexible on forgiving occasional tardiness to class. Remember: If someone can be consistently late to class, they can consistently be on time. If you must enter the classroom late, do not walk in front of the professor or presentation. If tardiness becomes a problem, I reserve the right to implement a locked door policy. If a locked door policy is in effect, you may not re-enter the classroom if you have stepped out. If you need to leave early, you should discuss this with me prior to the start of class. Otherwise, you will be counted absent for the entire class period.

#### Cell Phone Use (silence and put away):

During class, phones should be put on silence or vibrate. During exams, they should be silenced.

#### Instructional Uses of Email:

To promote effective email communication, students should:

- Use MCC email to send email to professor.
- Indicate email topic in the "Subject" line of email and include <u>proper language, a</u> <u>greeting, closure, and detailed description of the question or concern</u>. I do not respond to emails with questions that do not adhere to this format and/or can be answered by referring to the syllabus.
- PLEASE BE CAREFUL!!!! If you are upset about a grade or an assignment, etc., your emotions may result in your message to me sounding terse and rude (even if that is not what you intended). <u>Please re-read any messages before sending.</u>

An example of an <u>inappropriate</u> message to a professor would be one like this: hey i didn't see a grade for my assignment and so can u tell me my grade? 2cute4u@bbd.com

An <u>appropriate</u> message: Dear Professor Edwards, I finished and submitted my assignment on memory. I was concerned that I might not have submitted it right, so I was wondering if you could check to make sure it is there. Thanks! Jane Smith

#### • Email on Mobile Devices:

- The College recommends that you set up your mobile device to receive McLennan emails.
- Forwarding Emails:
  - You may forward the emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails

PSYC 2301\_030

forwarded to an alternate address that may become lost or placed in junk or spam filters.

#### MCC Athlete/Club Member

Students who choose to participate in extra-curricular activities must be responsible and assertive with their coursework. While I respect situations that members may face with travel schedules, I treat them as I do all others enrolled in the course. Each athlete or student member MUST provide documentation of status and a copy of a travel schedule (if it will conflict with class schedule) within the first week of class. I expect these students to be proactive (not reactive) in managing coursework that conflicts with travel (i.e., look and plan ahead). I also need at least one day notice prior to signing grade reports or I do not sign them.

Updated 07/18/2023

## **MCLENNAN** COMMUNITY COLLEGE

## ACADEMIC RESOURCES/POLICIES

#### Accommodations/ADA Statement:

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. For additional information, please visit <u>www.mclennan.edu/disability</u>.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

<u>disabilities@mclennan.edu</u> 2542998122 Room 319, Student Services Center

#### Title IX:

We care about your safety, and value an environment where students and instructors can successfully teach and learn together. If you or someone you know experiences unwelcomed behavior, we are here to help. Individuals who would like to report an incident of sexual misconduct are encouraged to immediately contact the acting Title IX Coordinator at <u>titleix@mclennan.edu</u> or by calling, Dr. Claudette Jackson, (Accommodations/Title IX) at (254) 299-8465. MCC employees are mandatory reporters and must report incidents immediately to the Title IX Coordinator. Individuals may also contact the MCC Police Department at (254) 299-8911 or the MCC Student Counseling Center at (254) 299-8210. The MCC Student Counseling Center is a

#### MCC

#### ACADEMIC RESOURCES/POLICIES, Page 2 of 4

Updated 07/18/2023

confidential resource for students. Any student or employee may report sexual harassment anonymously by visiting <u>http://www.lighthouse-services.com/mclennan/</u>. Go to McLennan's Title IX webpage at <u>www.mclennan.edu/titleix/</u>. It contains more information about definitions, reporting, confidentiality, resources, and what to do if you or someone you know is a victim of sexual misconduct, gender-based violence or the crimes of rape, acquaintance rape, sexual assault, sexual harassment, stalking, dating violence, or domestic violence.

#### Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at <u>http://www.mclennan.edu/campus-resource-guide/</u>

Academic Support and Tutoring is here to help students with all their course-related needs. Specializing in one-on-one tutoring, developing study skills, and effectively writing essays. Academic Support and Tutoring can be found in the Library and main floor of the Learning Commons. This service is available to students in person or through Zoom. You can contact the Academic Support and Tutoring team via Zoom or email (ast@mclennan.edu) by going to our website (https://www.mclennan.edu/academic-support-and-tutoring/).

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact either MCC CREW – Campus Resources Education Web by calling (254) 299-8561 or by emailing crew@mclennan.edu or a Success Coach by calling (254) 299-8226 or emailing SuccessCoach@mclennan.edu. Both are located in the Completion Center located on the second floor of the Student Services Center (SSC) which is open Monday-Friday from 8 a.m.-5 p.m.

Paulanne's Pantry (MCC's food pantry) provides free food by appointment to students, faculty and staff. To schedule an appointment, go to <u>https://mclennan.co1.qualtrics.com/jfe/form/SV\_07byXd7eB8iTqJg</u>. Both the Completion Center and Paulanne's Pantry are located on the second floor of the Student Services Center (SSC).

#### MCC Foundation Emergency Grant Fund:

#### MCC

#### ACADEMIC RESOURCES/POLICIES. Page 3 of 4

Updated 07/18/2023 Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html to find out more about the emergency grant. The application can be found at https://www.mclennan.edu/foundation/docs/Emergency Grant Application.pdf.

#### MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating. The unauthorized use of artificial intelligence (AI) for classwork can be a violation of the College's General Conduct Policy. Whether AI is authorized in a course and the parameters in which AI can be used in a course will be outlined by each instructor.

#### Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to https://www.mclennan.edu/center-for-

teachingandlearning/FacultyandStaffCommons/requirements.html for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

#### **Minimum Technical Skills:**

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

#### **Backup Plan for Technology:**

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

#### **Email Policy:**

McLennan Community College would like to remind you of the policy (http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are

MCC

#### ACADEMIC RESOURCES/POLICIES, Page 4 of 4

Updated 07/18/2023 expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to www.mclennan.edu/studentemail.

#### Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

#### **Email on Mobile Devices:**

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:

- Email Setup for iPhones and iPads
- **Email Setup for Androids**

#### Forwarding Emails:

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

For more helpful information about technology at MCC, go to MCC's Tech Support Cheat Sheet or email helpdesk@mclennan.edu.

#### **Disclaimer:**

The resources and policies listed above are merely for informational purposes and are subject to change without notice or obligation. The College reserves the right to change policies and other requirements in compliance with State and Federal laws. The provisions of this document do not constitute a contract.
