Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

(<https://www.mclennan.edu/highlander-guide/policies.html>)

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Late Work, Attendance, and Make Up Work Policies:

Students are expected to complete all written work, quizzes, and presentations on time. Any late work will receive a 10 percent penalty for each class day after assignment. If you know that you will be unable to complete an assignment or speech as scheduled, communicate with the instructor ahead of time and something might be arranged to avoid the penalty.

Course Grading Information:

Your grade will be determined as follows:

- *Attendance:* Students are expected to attend all classes.
 - Attendance will be taken twenty-two days throughout the semester during the first ten minutes of class.
 - Each time you are present counts as 5 points on the attendance grade.
 - Although the instructor has the authority to drop a student from the class, it is the responsibility of the student to drop before the drop date, in order to receive a "W" instead of an "F" in the class. Never assume that the teacher will drop you if you stop attending class.
- *Quizzes:* There are 16 Chapter Quizzes that must be taken in Brightspace, worth 10 points each.
 - Each student will answer 5 questions from the chapter, with each question worth 2 points.

INTRO TO SPEECH

SPCH1311.006

- The quizzes are not timed and questions will be randomized.
 - Each quiz may be taken up to three times and the highest quiz grade will be recorded.
 - The lowest quiz score will be dropped.
*Note: Chapter 14 Quiz is completed by submitting your Outline Rough draft via email for feedback.
 - *Personal Report:* There will be a personal report of your communication style.
 - You will complete a packet of 4 surveys that help you identify your personal communication style across 4 areas.
 - Then, you will answer questions where you reflect upon your results for each survey.
 - The Personal Report Assignment will be completed in the first unit of the course.
 - *Conflict Resolution Skills Check:* There will be an interpersonal skills check.
 - This is a role-play activity where you will demonstrate effective conflict resolution from the steps explained in Chapter 8.
 - You will choose a conflict scenario and create a script/dialogue exhibiting the steps of effective conflict resolution with a partner in class.
 - *Exams:* There are three exams in the course worth 100 points each.
 - Test#1 covers Chapters 1-6
 - Test#2 covers Chapters 7-10
 - Test#3 covers Chapters 11-15
 - Each test contains 50 questions and will be completed in Brightspace.
 - You will have 60 minutes to complete the test (extended time for students with time accommodations).
 - Test questions and answers will be randomized to avoid cheating.
 - *Note:* There is an optional Final exam that will allow you to drop an earlier test grade. So, if you missed a test deadline and received a zero or scored low on a test and want to pull up your grade, the final exam will replace that score. If you do not need to drop an earlier test grade, then the final exam does not need to be taken. The Final exam is available in Brightspace and contains 50 multiple-choice questions from Chapters 1-15. You have 90 minutes to complete the Final exam. Test questions will be randomized to avoid cheating.
 - *Group Assignment:* There will be one presentation completed with an assigned group.
 - The group will choose a campus resource and then present 10-15 minutes about that organization, including a visual aid component.
 - Each group member must cite one source during the presentation.
 - The group will receive a grade based on the group presentation and an individual peer evaluation portion.
 - *Persuasive Presentation:* There will be an individual persuasive presentation on a topic of your choice.
-

INTRO TO SPEECH

SPCH1311.006

-
- The speech is 5-7 minutes long and includes 4 sources that must be cited verbally during the presentation.

 - Students will view classmates' speeches and complete 10 peer review sheets, answering 5 questions about each speaker.
 - Also, you will submit a self-reflection paper explaining three things that you did well and three areas to improve from your presentation.
- Grades will be divided as follows:

○ Test 1 (Chapters 1-6)	100pts
○ Test 2 (Chapters 7-10)	100pts
○ Test 3 (Chapters 11-15)	100pts

Student Behavioral Expectations or Conduct Policy:

- 1) Be respectful to other students and the instructor. Students should conduct themselves professionally.
- 2) Check BrightSpace for grades and other materials and Opt-in for notifications to receive announcements and grades from class.
- 3) Work must be submitted via Brightspace by the posted deadlines. Any late work receives a ten percent penalty for each day it is submitted late.
- 4) Check over the assignment instructions before submitting an assignment. Check that you've included all items required before submitting.
- 5) When you submit an item, check that you submitted the correct document in .doc or .pdf format. The item submitted will be assigned a grade. If it is the wrong document or if it cannot be opened due to being in the wrong format, it will be graded as a zero.
- 6) Remember Murphy's Law: what can go wrong, will go wrong. Do not wait until the last minute to submit assignments or coursework, since an issue may arise that delays submission and pushes it past the deadline.
- 7) If you miss a test, you can drop one test grade at the end of the semester by taking the final exam. If you do not take the final, it will be dropped and your first three test scores will remain. If you take the final but it is lower than the other scores, it will be dropped.
- 8) If you have questions at any time, please email, text or call. If you do not receive an email response within 24 hours during the week or 48 hours on weekends, resend it. Communication is key!
