Preferred Means of Email Contact: My preferred means of contact is my email: rhochstatter@mclennan.edu or texting at (254)845-7421. **Please email me from your MCC email**, this will help to assure I receive your message and it is not routed to my spam. I may or may not respond to messages (email and voicemail) between Friday and Sunday, as that is when I take my weekend break from work. Generally, I try to check my messages (email and voicemail), at least, once per day Monday-Thursday; but the weekend responses are sporadic. Additionally, I am available to have Zoom video meetings during these business hours. Emails and voicemails received after 4:00 pm on Monday – Thursday will typically be responded to on the next class day.

1. Always include your first and last name and course name (such as Public Speaking 1315.C06) in the subject box of your email. This helps me identify which specific student I am talking to and what specific course you are enrolled in.

Learning Outcomes

Upon successful completion of this course, students will:

2. Demonstrate how to establish and maintain relationships through the use of interpersonal communication. (COM, TW)
3. Apply small group communication skills including problem-solving, group roles, leadership styles, and cohesiveness. (CT, COM, PR, TW)

Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be

PUBLIC SPEAKING

SPCH 1315 D001

withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

This means:

- If a student does not attend class before Sep. 6th (census date), they will be dropped from the class. This can negatively impact the student's ability to receive financial aid in the future.
- If a student *chooses* to drop the class before Sep. 6th, they may do so, and the course will not appear on their transcript at all. Before making this choice, the student should speak with me to address their concerns. If I can provide the resources, advice, and/or encouragement needed for the student to successfully complete the class, I will be happy to do so. If after speaking with me, the student still wishes to drop the course, they should first check with their advisor and with the Office of Financial Aid to ensure they understand how dropping a class might affect their timeline to graduation and their ability to receive financial aid/scholarships in the future.
- If a student *chooses* to withdraw from the class between Sep. 6th (census date) and Oct. 23rd (the 60% point in the semester), they may do so, and the grade on their transcript will be a W. Again, the student should consult with me, their advisor, and the Financial Aid Office to ensure they are making a fully informed decision.
- Please note: Students are limited to 6 withdrawals throughout their undergraduate education at all Texas public colleges and universities (combined total).
- If a student is absent from 8 class meetings before Oct. 23rd, the instructor may withdraw them from the class, and the grade on their transcript will be a W.
- If a student reaches 8 absences after Oct. 23rd, they may receive an F for the course.
