(www.mclennan.edu/academic-integrity)

The link above will provide you with information about academic integrity, dishonesty, and cheating.

The Center for Academic Integrity defines academic integrity as “a commitment, even in the face of adversity, to five fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behavior that enable academic communities to translate ideals into action.” Individual faculty members determine their class policies and behavioral expectations for students. Students who commit violations of academic integrity should expect serious consequences. For further information about student responsibilities and rights, please consult the McLennan website and your Highlander Student Guide.

(www.mclennan.edu/highlander-guide-2014-15/policies)

Click on the link above for the college policies on attendance and absences. In addition, your instructor has guidelines specific to this course.

Students who miss 20% of the class will be withdrawn from this course. Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course, including online and hybrid courses. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades.

Please refer to the [Highlander Guide](#) for more information about the general attendance requirements established by MCC.

If you are considering dropping, please talk to me first. Let's see if we can find a way to make the course work for you! If we can't, I can still help you by giving you some guidance for next semester. Additionally, I can take care of the paperwork for you.

Please keep in mind that students may not drop more than six courses (18 hours) during their ENTIRE college experience in Texas. That means you may only drop six classes in Texas institutions, regardless of the college you attend. For example, if you dropped six classes at University of Texas last year, you are not eligible to drop any more classes at MCC or anywhere else in the state of Texas.
