Final Exam: While the Final Exam (EXIT Exam) does not count toward the final average, to pass the course, students must pass the final exam. The Final Exam or EXIT EXAM consists of two sections: Part 1- Reading Comprehension Exit Exam; Part 2— Reading/Writing Skills Exit Exam. Students MUST have at a 70 average in the lecture part of our 0401 class and at least a 70 average in Connect to be eligible to take the Final Exam. If a student fails the final exam but has a passing average in the course, the student will receive a grade of NC for the course.

Course average of 90 – 100: Grade of A
Course average of 80 – 89: Grade of B
Course average of 60 – 79: Grade of C
Course average of 0 - 59: Grade of NC (no credit)

A student may receive a “NC” if major writing assignments have not been submitted. The grade of “I”—incomplete—is not available in INRW 0401. Our Semester Grade is not part of a student’s official GPA.

Late Work, Attendance, and Make Up Work Policies:

Normally, late work will not be accepted. However, Mr. DeVries recognizes there will be emergency situations where the submission of late work is unavoidable. If the student does not meet a homework or special project deadline, the student should promptly contact Mr. DeVries and explain the situation.

Students who miss 25% of the class sessions will be withdrawn from this course. Lab attendance is included in this %. Exceptions can be made if there are extreme circumstances that cause the student to be absent. “Extreme circumstances” will be decided by Mr. DeVries.

Please consult the Highlander Guide for information about MCC’s attendance requirements.

If you are considering dropping our course, please speak with Mr. DeVries first ! Let’s see if we can make our course work for you !

There is a STRONG correlation between regular attendance in a college class and academic success. Every student must strive to be present for each classroom session. Please call or email Mr. DeVries if you must miss a class session.

Students may not drop more than six courses (18 hours) during their ENTIRE college experience in Texas. This means you may only drop six classes in Texas academic institutions, regardless of the college you attend. For example, if you dropped six classes at the University of Texas at Austin last year, you are not eligible to drop any more classes at MCC or anywhere else in Texas.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum. This includes respecting other students, the instructor, and communicating in a polite and respectful manner. Talking, texting, cell phone usage, profanity, and any threatening communication is grounds for instructor initiated discipline, including forced withdrawal from the course &/or referral to McLennan Community College’s Discipline office.

Communication

Students should use MCC email (jdevries@mclellan.edu) for their email communication with Mr. DeVries . A student will usually receive a response within 24 hours. If no response is received after 48 hours, please resend the message to make sure it was received. Occasionally, emails in the MCC computer system are placed into a spam folder. Check the spam.

Mr. DeVries welcomes communication with students via email, telephone, or in person meetings.

MCC Academic Integrity Statement

These values produce behaviors that enable academic communities to convert ideals into action. Individual instructors determine their class policies regarding academic integrity. Students who violate principles of academic integrity will face severe consequences.
