Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at <http://www.mclennan.edu/campus-resource-guide/>

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources, we encourage you to contact a success coach by calling (254) 299-8226. Students can visit the Completion Center Monday-Friday from 8:00 a.m.-5:00 p.m. to meet with a success coach and receive additional resources

and support to help reach academic and personal goals. Paulanne's Pantry (MCC's food pantry) is open 12:00 p.m.-1:00 p.m., Monday-Friday, without an appointment. The Completion Center and pantry are located on the Second Floor of the Student Services Center (SSC).

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be contacted/notified through your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Methods of Teaching and Learning:

This course will provide the student with the tools necessary to improve long-term physical health and conditioning. Exercise and physical training will prepare the EMS student to successfully meet or exceed the physical strength requirements and challenges of working in EMS

Course Objectives and/or Competencies:

At the completion of the course the student will:

1. Demonstrate the ability to meet all physical fitness goals established by the course instructor;
2. Demonstrate safe patient lifting and moving techniques using proper body mechanics;
3. Develop and implement a safe plan for managing an acutely injured combative patient;
4. Demonstrate proper body mechanics and utilize appropriate tools to properly extricate a patient in a confined space or damaged vehicle; and
5. Communicate effectively with the patient and family and members of the health care team.

Course Outline or Schedule:

EMSP 1173 will be offered for the EMT students on Thursday in the skills lab and work-out facilities located in the Emergency Services Education Center (ESEC).

Course topics begin with an introduction to the mechanics of moving and lifting patients safely. Emphasis is on building core strength and flexibility. Students will focus on using proper body mechanics, selecting and using proper materials and equipment to assist the patient

Course Grading Information:

Students must meet or exceed physical fitness goals established at the beginning of class. Student's physical fitness will be measured at the beginning, during the semester, and at the conclusion of the semester. Students will need to show physical fitness improvement throughout the semester.

The course average will be based on the following:

Daily Participation:	60%
Tests:	20%
Final exam:	20%

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.

Code of Conduct

EMS professionals are required to conduct themselves with integrity, honesty, and reliability.

The following conduct guidelines are to be followed:

1. Students are required to do their own work and conduct themselves in a professional manner. All clinical documentation, assigned homework, or special assignments are to be completed by the student without sharing information or conferring with another student.
2. Students are required to be in their seats at the assigned start time for each class. Students are also required to report to clinical and ambulance assignments on time. Students arriving more than 15 minutes late without prior instructor approval will be counted as tardy. Students arriving more than 30 minutes late without prior authorization will be counted absent. Any student who accumulates three late arrivals for class will be officially counseled.
3. Students are expected to be alert and take initiative to participate in classroom, skills,

- and clinical activities. Students participating in clinical are expected to demonstrate a professional, helpful, courteous attitude when directed by clinical staff or a clinical preceptor to complete a task.
4. Students should be open and accepting of corrections or recommendations to their performance in classroom, skills lab, or clinical activities. Students should accept instructor recommendations as constructive criticism.
 5. Students will maintain a professional appearance at all times. Students are required to maintain good personal hygiene. Tattoos are to be covered during clinicals. Body piercing in areas other than the earlobe is not to be displayed while participating in classroom or clinical activities. After each student receives his/her uniform, he/she will wear their approved uniforms to class, clinical, and EMS ride-outs
 6. When not in uniform, students will come to class dressed appropriately. Collared shirts and blouses are to be worn (no see-through tops, tank, halter, or bikini tops) and clothing must be in good condition without holes in inappropriate areas. Clothes imprinted with inflammatory/derogatory statements or pictures will not be allowed.
 7. Students will demonstrate respectful caring attitudes at all times.
 8. Students will observe the requirements outlined in the Health Insurance Portability and documentation forms and information will be limited to anonymous, general medical information. Violation of HIPAA guidelines may result in dismissal from the program.
 9. Students will refrain from disruptive behavior or inappropriate language in the classroom or clinical sites.
 10. Students will refrain from sleeping or doing homework for other courses while in class (see#3). Any student observed doing so will be excused from the class and marked as absent. Students will be counseled if two such occurrences are documented.
 11. Students will not report to class or clinical while under the influence of any substance affecting the student's mental status or ability to function in an alert, appropriate manner. This regulation includes prescription medications. Students are subject to mandatory testing if any doubt exists or in the event of any accident or injury
 12. MCC is a tobacco free institution. Tobacco products (cigarettes, snuff, chewing tobacco) are to be used in designated areas only. "Spit cups" or bottles are not allowed inside the classrooms or clinical sites.
 13. Students will refrain from fraternization with instructors, adjunct staff, and preceptors.
 14. Students will not access another student's grades or class information.

Accommodations/ADA Statement

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. Instructors should not provide accommodations unless approved by the Accommodations Coordinator. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:
