Methods of Teaching and Learning:

This performing ensemble engages in the creative process by performing concert band literature selected from the standard and non-traditional repertoire. Participants experience the physical and intellectual demands required by the composer to effectively perform a work. Critical thinking skills will be utilized throughout the course as members continually evaluate, analyze, and criticize their own performance standards and develop, implement, and utilize strategies for improving performance ability.

Course Objectives and/or Competencies:

- Musical and mental preparation for each rehearsal is critical to establishing excellence in the ensemble. This is a minimum expectation.
- Ensemble Rehearsal is not meant to develop or practice individual technique; it is for addressing issues of ensemble problems (precision, intonation, etc.) and exploring musical possibilities of a work.
- Reference recordings and scores will be made available on Brightspace for you to deepen your understanding of the work as a whole.

CONCERT BAND

MUEN 1122-03

Course Outline or Schedule:

Meets every Friday at 9:30 a.m.

Course Grading Information:

Your Final Grade will be determined by:

- Preparation of Music (prior to rehearsal)
- Degree of professionalism exhibited in rehearsals and performances. (i.e. attitude)
- Attendance and Promptness to Rehearsals and Performances.

Late Work, Attendance, and Make Up Work Policies:

- Each unexcused absence from rehearsal will lower your final grade by one full letter grade. One unexcused rehearsal absence = B; two = C etc.
- **An unexcused absence from a performance will result in an F for the entire semester and dismissal from the ensemble.**
- Each tardy accumulates so that 3 tardiness = 1 unexcused absence.

Note: Excused absences are defined as illness (with note from a physician), family emergency, a McLennan Community College related event or activity (with prior approval), and religious holidays. Work conflicts do not constitute as an excused absence.

Student Behavioral Expectations or Conduct Policy:

In order to maintain a focused learning environment, it is required that cellular phones and tablets be in the off position. Only in the case of emergencies or unusual circumstances will exceptions be afforded.
