**Educating Young Children
TECA 1311.01**

Course Description:

An introduction to the education of the young child, birth through age 12, including developmentally appropriate practices and programs, theoretical and historical perspectives, ethical and professional responsibilities and current issues. All Child Development (CDEC or TECA) courses must be passed with a grade of C or better for graduation. 25% of the requirements must be completed at McLennan. 2.000 Minimum GPA required for graduation. Semester Hours 3 (3 lecture/16 lab)

Prerequisites and/or Corequisites:

No Prerequisites

Course Notes and Instructor Recommendations:

TECA 1311 is currently offered in the spring and fall semesters. The lab component is an important aspect of the course and will involve the student doing lab at both the MCC Child Development Center and an elementary school.

A “hard copy” of all assignments is due at the beginning of each class on the due date. Emailing assignments will not be accepted. Exceptions will be made at the discretion of the professor.

Criminal Record Check: A criminal background check will be done during advising or during the first week of class. If the check reveals a conviction in your name, you may be dropped from class. Persons who have convictions must not work in a school/child-care facility.

FINAL EXAM- Tuesday May 5, 2020

Course Grading Information:

Assignments are due at the beginning of class. Place them in the envelope and sign the envelope. Your signature and the assignment in the envelope verify that your assignment was turned in. Be sure to keep all returned assignments.

Tests will include objective questions and discussion questions. There will be at least three tests and a final exam. Each test will cover any material presented in class or assigned resource material. The final exam will cover all the material presented during the entire semester. You will need a Scantron, form #882E, and a number 2 pencil.

Reading report illustrating class concepts through summaries of articles from Child Development/Early Childhood journals. See individual assignments.

Assignment to support class lecture/discussions: See individual assignments.

Lab Assignments: See individual assignments given in class.

Evaluation/Grading: The system of grading will be based on the general standard of:

Letter Grade	A	B	C	D	F
Total Points	100 – 90	89 – 80	79 – 70	69 - 60	59 or Below

A minimum final grade of C is required in all CDEC/TECA classes for graduation.

Student performance will be evaluated by:

Tests (3 tests and a final exam) 40%
 Reading Report/Support Assignment 20%

assignment. A “Support Assignment” that will be assigned to support concepts learned in class. See individual assignment.

Class Participation 10%
Lab / Lab Assignments 30%

W Withdrew - this grade is given for an instructor or student initiated course withdrawal through the 12th week of a semester (fourth week, Summer day term; sixth week, Summer nine-week term). After the 12th week or until the end of the semester (fourth week, Summer day term; sixth week, Summer nine-week term), if a student withdraws from a course the instructor will either assign a **W** if passing work was being accomplished or an **F** if the student was doing failing work.

I Incomplete - is given when a course is incomplete because of a student’s absence caused by reasons acceptable to the instructor. **To be eligible, the student must have essentially completed the course.** If work is not made up within the following long semester, the “I” will be changed to an “F” and the course must be repeated if credit is to be given.

Laboratory Experience: A total of 16 hours must be logged for this class. A grade for the class will not be given until this lab requirement is completed.

A total of 10 hours must be completed at the MCC Child Development Center. The remaining 6 hours must be completed at an elementary school that you will be assigned to.

*Refer to the Lab School Guidelines for lab school hours and other important lab information. There will be 5 graded lab assignments (see individual lab assignments).

Most lab assignments require hands-on participation. The assignment can vary depending on the course. Students who register for class should be prepared to interact with children ages 3 months through 5 years.

Some possible expectations are:

- ✓ Sitting on the floor
- ✓ Talking and singing to children
- ✓ Reading books
- ✓ Comforting children
- ✓ Using messy and creative materials (paint, play dough, goop, water, sand, etc...)
- ✓ Talking to children at eye level
- ✓ Light lifting of materials and equipment
- ✓ Implementing the lab assignment in the classroom or outside
- ✓ Interaction with children on the playgrounds – moving quickly if needed, assisting children with sand, water, paint, bubbles, etc...
- ✓ Sitting and eating with children during snack and mealtime

Choosing the right class when you log in on the computer is important. If you discover you have made a mistake in choosing a class, let the secretary know immediately. Lab hours/minutes will not be transferable from class to class.

- ♦ Lab hours may NOT be done during the first week of the semester and during the week of final exams.

*In order to receive credit for this class
all lab hours and lab assignments must be completed.*

- ♦ If you are doing make-up lab from a previous semester, please sign in on red folder in front office.

When doing lab hours at elementary school

The student in Child Studies and Education is expected to exhibit mature and responsible actions in all activities. This includes activities/lab hours at off campus sites. The following is expected:

- Arrive and depart at times arranged. Sign in and out as instructed.
- Follow appropriate dress code.
- Turn your **cell phone off and put it away.**
- Use appropriate and respectful language and behavior with adults and children.
- Remain attentive and interact with children as instructed by supervisors at the offsite location (teachers, staff, and/or administrators).
- Follow **all** instructions from supervisors at the offsite location (teachers, staff, and/or administrators)
- Use courteous manners at all times including greeting people and thanking them when you complete your lab hours.
- Let classroom teacher or appropriate staff know when you are leaving the classroom.

Consequences for not meeting these expectations can include loss of points for the assignment and/or the ability to complete the lab hours. If lab hours cannot be completed because the above expectations are not met, or other reasons, you could be counseled out of the Child Development Program.

More specific information will be provided/discussed in class, including the code of ethical conduct.

Late Work, Attendance, and Make Up Work Policies:

Late Work: No late work will be accepted.

All assignments are due at the beginning of class; the student's signature verifies the assignment was turned in on time.

If you miss a test you have 2 weeks to make it up. It is your responsibility to schedule a make-up time. The test will be at the Child Development Center front desk and you may take the missed test from the hours of 8:00 am to 3:30 pm. Any time other than those hours must be scheduled with the instructor. A different form of the test may be given. Only one test of the four may be taken late.

**Educating Young Children
TECA 1311.01**

Tests taken after the original test date are subject to -20 points.

Each absence will count toward attendance requirements in each course.

***Reminders:**

- A total of 16 hours of lab must be completed by each student for TECA 1311.
- Late assignments will not be accepted.
- To receive an incomplete, you must have a passing grade in the class.
- Students must do at least one hour of lab to get credit for lab log-in.
- Keep all returned assignments.

Student Behavioral Expectations or Conduct Policy

In general, students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity. The Highlander Guide describes the rights, privileges, and obligations of students affiliated with MCC. The complete guide may be accessed by clicking here: [Highlander Guide](#)

Ethics: It is the student's responsibility to read the General Conduct Responsibility Policy in the Highlander Guide (MCC Student Handbook) and the Child Development Code of Conduct Guidelines. Any breeches of conduct will result in disciplinary action. Acts of dishonesty and disruptive behavior will not be tolerated. Students may be asked to leave class if necessary.

Distractions: Cell phones and other electronic devices must be turned off during class. I welcome and encourage appropriate and pertinent questions, comments and discussion. I also encourage professional, mature behavior. Use time outside of class to catch up on personal conversations.

Tardiness: Students are expected to arrive at class on time and to remain for the entire class period. Arriving after class begins or leaving prior to the end of the class period will affect his/her grade. Two late arrivals, or early departures, equal one absence.

Points will be deducted if students repeatedly leave class while class is in progress and/or does not return after a break.

Accommodations/ADA Statement

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. Instructors should not provide accommodations unless approved by the Accommodations Coordinator. For additional information, please visit mclennan.edu/disability.
