Introduction to Accounting I

ACNT- 1303 - 87

Jessica Hazel, CPA

NOTE: This is a 16-week online course.

COVID 19 Notice:

McLennan Community College is committed to providing you with every resource you need to reach your academic goals. We are also concerned for your safety. We are working through COVID-19 guidelines to make sure we offer a safe environment for you and our faculty. This will include smaller class sizes to manage social distancing and proper cleaning techniques. You will have the advantage of a physical classroom experience but may also need to work part of the time online as we adjust to limited classroom capacity. This will also allow us the flexibility to move online if so directed by federal, state and/or local COVID 19 guidelines. Faculty and staff are preparing now to ensure that you have the best experience in the midst of these uncertain times.

Course Description:

In this class you will learn to analyze, classify, and record business transactions in a manual and computerized environment. This class will emphasize understanding the complete accounting cycle and preparing financial statements, bank reconciliations, and basic payroll. This class may not be counted toward the associate degree if taken after successful completion of ACCT 2301.

Prerequisites and/or Corequisites:

None

Course Notes and Instructor Recommendations:

Accounting does not come easy for most; you must put in the work to get good results. To be successful in this course, I strongly encourage you to do the following, in this order:

1. **Read** the textbook while taking notes of key terms and concepts before the lecture.
2. **Complete the provided notes** during lecture, be present and engage yourself. Review your notes as soon as possible after class, even rewriting them.
3. **Practice, practice, practice**! There is a "demonstration problem" at the end of each chapter with solution. These are excellent practice. You may also work any extra problems in your workbook, which I am happy to review for you.
4. **Go back** to the book or videos for any additional explanation needed and review.
5. **Seek help!** MCC offers FREE **tutoring!** Academic Support and Tutoring offers help online via Zoom and in person. For more information visit https://www.mclennan.edu/academic-support-and-tutoring/. Tutoring is also available with Brenda Castillow in BTB room #217. Of course, you are always welcome to ask me questions.

You are responsible for keeping up with assignment due dates. Most **assignments are due on Tuesdays**. Just assume if it's a Tuesday, something is due. Keep in mind there may be changes as we progress. Any changes will be communicated through Brightspace announcements and weekly modules.

You are expected to regularly check your McLennan email account and Brightspace for any updates. I occasionally send emails; most communication will be made through Brightspace.

Required Text & Materials:

Title:	College Accounting
Author:	Heintz & Parry
Edition:	23rd Edition
Publisher:	Cengage Learning
ISBN:	978-0-357-069257
Code:	Access code for CengageNOWv2

You have two options for purchasing the course material. You will have to decide which option is the best fit for you. Either way, you need to **make sure that you have CNOWV2 access by the first homework due date.** There is a free, temporary 7 day access available through Cengage if needed. Once you have your code, you will not lose any work completed while using free access.

Option 1: Purchase the textbook and Cengage Now (CNOWV2) access code. The bundle is available at the MCC bookstore, which should include the textbook, workbook and the access code to CNOWV2 for $176.70.

Option 2: Subscribe to Cengage Unlimited directly through the publisher's website https://www.cengage.com/unlimited/. If you subscribe to Cengage Unlimited you will have access to an online textbook and you will receive an access code, which you will need, for

Cengage Now (CNOWV2). This option would be especially cost effective if you have other classes that use Cengage material. Cengage Unlimited costs $119.99 for 4 months with the option to rent the textbook and/or workbook for $7.99 (plus shipping).

- If you choose this option you may need to add the digital workbook to your dashboard by searching for the ISBN 978-1-337-91355-3

MCC Bookstore Website: http://www.mclennan.edu/bookstore/

Methods of Teaching and Learning:

This course will be asynchronous. Instruction will consist of prerecorded lectures and demonstration videos to view while completing provided notes.

There will be opportunities to meet via Zoom during scheduled office hours or other mutually agreed upon times.

Individual assignments consist of weekly homework and quizzes, two tests, and a comprehensive final. Learning culminates with the final exam.

Course Objectives and/or Competencies:

- Acquire and evaluate elementary accounting principles, basic concepts, and terminology of bookkeeping.
- Organize and communicate accounting information by analyzing business transactions and preparing financial statements for other users.
- Apply the accounting equation to business transactions.
- Understand the concepts of asset, liability, capital, revenue, and expense.
- Analyze the effects of business transactions on the accounting equation.
- Apply the theory of debits and credits.
- Record business transactions in a general journal.

Course Grading Information:

Grades will be based on the following system:

Homework	25 %	A = 90 – 100%
Quizzes	30 %	B = 80 – 89%
2 Exams	25 %	C = 70 – 79%
Comprehensive Final Exam	20 %	D = 60 – 69%
Total	100 %	F = 0 – 59%

It is expected that you complete your own assignments. While it is permissible to ask for help and work with others on homework, it is NOT permissible or acceptable during tests. Working with others on tests is considered cheating and will be treated as such. These policies are essential to ensure the integrity of the testing process.

For grades, check the Brightspace gradebook. While there is a gradebook in CengageNOWv2 as well, it is not properly weighted and therefore not the most accurate reflection of your grade.

HW – Homework: There will be one assignment for each chapter covered (9 total). At the end of the course, **I will drop the lowest homework grade**. When working through the homework problems, I encourage you to think through it, asking yourself why the other options are incorrect.

- Homework assignments have a "Check My Work" option as well as multiple takes. Therefore, you should strive for excellent homework grades. Homework assignments are equally weighted in the Brightspace gradebook.

Quizzes: There will be 8 quizzes covering chapters 2-9. You will have two timed attempts on each quiz. The second attempt is given in case of any technical issues you may encounter. However, you may use the second attempt to improve your grade. Your grade will reflect the second attempt, NOT the highest of the two scores. At the end of the course, **I will drop the lowest quiz grade**.

- Quizzes will be open book and notes, therefore I strongly encourage you to complete the provided notes for each chapter. This will be a HUGE help on tests. Even though exams are open book/notes, prepare! **Don't be deceived in thinking the content will be easy**. Accounting is very analytical in nature.

Tests: There are two scheduled exams: chapters 1-5 and chapters 6-9. Notice that the first exam falls after spring break. **You will have only one attempt.**

Final: The final will be comprehensive. While this may sound overwhelming, the first 5 chapters build on the previous ones. I consider these the foundation of accounting. Like the tests, **you will have only one, timed attempt.**

- The final may be proctored. More details will be provided as the course progresses. This may include recording of you, your screen, audio and web traffic. Options for proctoring currently include Proctorio and Respondus. In this event, you must have a webcam. If campus remains open, alternative test locations will be provided. Futher instructions will be given through Brightspace.

Late Work, Attendance, and Make Up Work Policies:

Late Work:

If you miss an assignment, you may complete it within one week, time permitting, after the due date with a **20% penalty.** Therefore, the highest grade possible after the due date is 80%. It is extremely difficult to catch up once you fall behind, and there is no extra credit or make up assignments, so please do not ask. **Most students who fall behind do not catch up.**

Attendance:

Attendance is based on the heaviest weighted assignment completed each week. For example, if there is a quiz due, attendance will be based on it and not homework. The attendance record is located under "Assessments" within Brightspace.

You, whether present or absent, are responsible for all material presented or assigned for class and will be held accountable for such materials in the determination of course grades.

Remember, at any point in the semester, up to and including the **drop date (March 26th),** you can voluntarily drop the course. **Please contact Highlander Central (Phone: 254-299-8622) prior to your drop request, to learn what impact this may have on you.**

As stated in MCC Policies and Procedures (B-II), absence from 25 percent of scheduled lecture and/or laboratory meetings will be taken as evidence that a student does not intend to complete the course, and the student will be withdrawn from the course with a grade of W.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of this education opportunity. For additional information see the General Conduct Policy in the Highlander Guide.

When meeting via Zoom, participation is greatly encouraged. Please keep your video on to create more of a presence in the meetings. However, be mindful that you can be seen. If needed, please feel free to stop your video and rejoin with video when you are able. We also ask that you observe Zoom etiquette when in class by turning your mute on when not active in the conversation to reduce background noise.

McLennan COMMUNITY COLLEGE

ACADEMIC RESOURCES/POLICIES

Student Support/Resources:
MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at http://www.mclennan.edu/campus-resource-guide/

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact a success coach by calling (254) 299-8226. Students can visit the Completion Center Monday-Friday from 8 a.m.-5 p.m. to schedule a meeting with a success coach and receive additional resources and support to help reach academic and personal goals. Paulanne's Pantry (MCC's food pantry) provides free food by appointment to students, faculty and staff based on household size. Text (254) 870-7573 to schedule a pantry appointment. The Completion Center and pantry are located on the Second Floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:
Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html to find out more about the emergency grant. The application can be found at https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

Minimum Technical Skills:
Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:
In the event MCC's technology systems are down, you will be contacted/notified through your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

*** Click Here for the Minimum System Requirements to Utilize MCC's D2L|Brightspace (https://www.mclennan.edu/center-for-teaching-and-learning/Faculty%20and%20Staff%20Commons/requirements.html)**
Click on the link above for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Email Policy:
McLennan Community College would like to remind you of the policy (http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails.

Instructional Uses of Email:
Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with her/his students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:
The College recommends that you set up your mobile device to receive McLennan emails.

Forwarding Emails:
You may forward the emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may become lost or placed in junk or spam filters.

Accommodations/ADA Statement
Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. Instructors should not provide accommodations unless approved by the Accommodations Coordinator. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:

disabilities@mclennan.edu
254-299-8122
Room 319, Student Services Center
