AND INSTRUCTOR PLAN

DEATH INVESTIGATION I CJSA 1400 H1

DR. SUZANNE BALDON

NOTE: This is a 16 Week Blended/Hybrid course.

COVID 19 Notice:

McLennan Community College is committed to providing you with every resource you need to reach your academic goals. We are also concerned for your safety. We are working through COVID-19 guidelines to make sure we offer a safe environment for you and our faculty. This will include smaller class sizes to manage social distancing and proper cleaning techniques. You will have the advantage of a physical classroom experience but may also need to work part of the time online as we adjust to limited classroom capacity. This will also allow us the flexibility to move online if so directed by federal, state and/or local COVID 19 guidelines. Faculty and staff are preparing now to ensure that you have the best experience in the midst of these uncertain times.

DEATH INVESTIGATION I

CJSA 1400 H1

Course Description:

This course is designed for both the student and investigative law enforcement personnel who have responsibility for the investigation of deaths, and who have had limited exposure to the various aspects of death investigation. It involves the process of analyzing all aspects of a death case so as to arrive at the true course and manner of death (homicide, suicide, accidental, natural and unknown.) The importance of scene analysis, physical and psychological evidence, autopsy, etc. is emphasized. Motivations, both physiological and psychological are discussed along with criminal investigative analysis, and investigative psychology. The concepts of the investigative process, scene management, required documentation, case management for incidences of death and the legal jurisdiction of cases will be discussed.

Prerequisites and/or Corequisites:

CRIJ 1301 or permission of program director

Course Notes and Instructor Recommendations:

It is required that before attending lab, students should read each assigned chapter and be familiar with Key Terms located inside each chapter. Prepare assignments and collect pertinent information to be ready to discuss them. While in lab, students may receive permission to use electronic devices to access e-books and information pertinent to the course.

Methods of Teaching and Learning:

The hybrid course will be taught through online lectures and online plus face-to-face visual and audio aids, class participation, guest speakers and field trips when available. A lab component will be part of this course. There will be articles, news items from the media and professional publications, films, videos, and slides relating to death investigation. Discussion boards and assignments will be required per unit. There will be a research/presentation project on a cause of death.

Course Objectives and/or Competencies:

The student will develop knowledge of the necessary elements of preparing a medical and psychological history of decedent through physicians, records, and contact with associates (psychological autopsy). Be able to identify various causes of deaths found in manners of death that include suicide, accidental, homicidal, natural, and undetermined deaths. Learn the investigative points involved and the legal aspects of the types of death investigations. Be able to recognize discrepancies between what witnesses tell you and what the body at the scene tells you. Develop and understand the factors involved in arriving at an estimation of time of death, wounds inflicted by sharp force injury, gunshot wounds, internal and external damage, powder residue, size, shape, entry/exit and the deceptive nature of these wounds. To provide an overview of criminal investigative analysis to better understand a murderer psychologically by the signs and physical evidence at the crime scene.

Course Outline or Schedule:

Welcome to our class! This is a hybrid class and I will make announcements, send messages, give instructions for class preparation, and post items of interest for you in the Brightspace format. Please check Brightspace regularly and after absences from our classroom. We will meet for lab in ESEC 219 from 2:30-4:30pm on Tuesdays, unless otherwise notified.

The instructor reserves the right to make necessary changes to this document with appropriate notice given to students, for example, depending on events and guest speakers available. If there is any change to the schedule, the student will be notified via announcement in class and posting to our Brightspace page. Please get to know study buddies in the class whom you can contact in order to find out what you may need to know in case you are absent for any reason and to form study groups for assignments. It is the student's responsibility to stay aware of class activities.

Lab will meet on T, 2:30 - 4:30pm in ESEC 219. Lecture and class preparation will be on Brightspace. Schedule is subject to change at the discretion of the instructor.

DEATH INVESTIGATION I CJSA 1400 H1

Discussion Boards

After reviewing each week's material, you will be asked to respond to a prompt that the instructor will provide in the weekly discussion board. The initial response should be well thought out and substantial enough to indicate that you have a firm grasp on the week's materials. You must then respond to at least two (2) classmates with substantial posts. Responses like "I agree" or "good point" will not be counted. Tell us why and give examples.

Discussion Board Grading

The following rubric illustrates how each discussion session will be graded. The number of posts represented in your posting history will be calculated. The quality of your posts is a subjective assessment by me of how much your posts add to the discussion.

Metrics	Original Post 1 Entered	Responses 1 & 2 Entered	Quality of the Original Post	Quality of Your Responses 1 & 2
Points earned	1/4 credit	1/4 credit	1/4 credit	1/4 credit

Assignment Grading Rubric

Metrics	Content and Substance, quantitative	Content and Substance, qualitative	Understanding of the Issues	Proper Grammar and Attributions
Points earned	25 points	25 points	25 points	25 points

<u>Plagiarism</u> the unacknowledged borrowing of information, wording, organization, or ideas. Whether the original source is public (e.g., a newspaper, book, journal article, the Web) or private (e.g., a classmate's paper), you need to indicate your indebtedness to it. Where you repeat the exact language of your source, you must treat the borrowed material as a quotation and place it within quotation marks. However, by *merely changing a few words or the word order or by paraphrasing, you do not avoid plagiarism*. In the case of plagiarism, the instructor has the right to give the student a "zero" for the assignment. In the case of cheating during the course of a test or unauthorized collaboration on a writing project, the instructor reserves the right to give

DEATH INVESTIGATION I

the student a "zero" for the test or assignment. Citation style guides are available at the Purdue Online Writing Lab: https://owl.purdue.edu/owl/purdue_owl.html.

Course Lab Information:

- I. Students will be required to conduct research on a selected cause of death, including case(s) used as examples, and present the information in a class presentation.
- II. The research and presentation project will count 40% toward the student's final grade.
- III. Instructor will discuss the requirements for the research and presentation on the first day of class.
- IV. Participation grade will include lab assignments, preparation assignments, field trips, attention to guest speakers, and Brightspace discussions.

Grade Scale:

$$90 - 100 = A 80 - 89 = B 70 - 79 = C 60 - 69 = D 59 - 0 = F$$

If I decide it is necessary to curve the grade distribution, this will be done at the end of the course, after all the exams have been taken. Your grade will never be lowered by curving; you will always receive your "straight-scale" grade or better.

Late Work, Attendance, and Make Up Work Policies:

Welcome to our class! This is a hybrid class and I will make announcements, send messages, give instructions for lab preparation, and post items of interest for you in the Brightspace format. Please check Brightspace regularly and after absences from our classroom.

- I. The lab portions of the exams must be taken on the scheduled day.
- II. No make-up exam will be given unless the student contacts the instructor, gives a valid excuse, and makes arrangements to take the exam. The lab portions require advance preparation on the part of the instructor.
- III. If a student with a valid excuse is given the opportunity to take the make-up exam, it will be given by agreement with the instructor.
- IV. Type of make-up exam and number of questions will be at the discretion of the instructor.
- V. A student who is unable to do the scheduled work on the scheduled date must contact the instructor as soon as possible. The type, format, and schedule of any make-up assessment will be at the discretion of the instructor. Failure to take the make-up assessment or complete assignment criteria will result in an automatic "F" for that particular assessment.
- VI. If you wish to drop the course, please contact your instructor and do not assume that you have been dropped as a result of absences.

Student Behavioral Expectations or Conduct Policy:

Behavior guidelines are outlined in the "Conduct Policy" portion of the Highlander Student Guide. Any behavior which disrupts the learning process will be grounds for dismissal from the class. Cell phones and laptops are permitted if the student is using those resources for the purposes of our class. If child care is a problem, please confer with Student Services for alternatives to avoid bringing children to class. Students are expected to follow the General Conduct Policy in the Highlander Student Guide.

ACADEMIC RESOURCES/POLICIES

Student Support/Resources:

MCC provides a variety of services to support student success in the classroom and in your academic pursuits to include counseling, tutors, technology help desk, advising, financial aid, etc. A listing of these and the many other services available to our students is available at http://www.mclennan.edu/campus-resource-guide/

College personnel recognize that food, housing, and transportation are essential for student success. If you are having trouble securing these resources or want to explore strategies for balancing life and school, we encourage you to contact a success coach by calling (254) 299-8226. Students can visit the Completion Center Monday-Friday from 8 a.m.-5 p.m. to schedule a meeting with a success coach and receive additional resources and support to help reach academic and personal goals. Paulanne's Pantry (MCC's food pantry) provides free food by appointment to students, faculty and staff based on household size. Text (254) 870-7573 to schedule a pantry appointment. The Completion Center and pantry are located on the Second Floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html to find out more about the emergency grant. The application can be found at

https://www.mclennan.edu/foundation/docs/Emergency Grant Application.pdf.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be contacted/notified through your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Email Policy:

McLennan Community College would like to remind you of the policy (http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with her/his students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails.

Forwarding Emails:

You may forward the emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may become lost or placed in junk or spam filters.

Accommodations/ADA Statement

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. Instructors should not provide accommodations unless approved by the Accommodations Coordinator. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:
