Additions and deletions may be made to the following schedule as necessary. Students will be advised in class by the instructor of any changes to the schedule.

**SCHEDULE**

Week	Chapters
1	1, 2, and 3
2	4, 5, and 6
3	7, 9, and 10
4	11, 12, and 15
Final Exam Schedule	MCC Final Exam

**Course Grading Information:**

All assignments and discussion board postings must be completed no later than the due date. All weekly quizzes will be taken online by logging into the course.

Each weekly quiz can only be taken once (1). The deadline for submitting each exam will be found in the course unit. You may only take the quizzes and tests one time.

I. There will be quizzes at the end of every chapter and the average of the quiz grades will comprise 50% of your final grade

II. The final exam will comprise 25% of your final grade.

**III.** The discussion board will comprise the remaining 25% of your grade.

Students must post at least **two times** to each discussion topic and the posts must be made by the due dates. **FAILING TO POST EACH WEEK CONSTITUTES AN ABSENCE FROM CLASS.** Student will be dropped from class if they exceed the maximum 25% absences

**IV.** If a student does not complete the quiz, discussion, and the two scheduled tests during the required time he or she will receive a zero (0)

### **Discussion Board Posting Grade:**

All course requirements must be completed no later than the due date for each black board posting.

All postings will be done online by logging into the course. Each unit postings must be completed within the allotted time. Each unit discussion board question will be found on the Discussion Board Link.

Students have to post to the discussion board a minimum of two times for each unit. Students are required to post to the original discussion question and post to at least one other student's replies.

Remember to read the question closely and answer it completely. Your posting grade will depend upon how thoroughly you answer the question and how well you respond to another student's post.

---

**Simply agreeing with another student's posting is not sufficient. Each student must post well thought out replies. It is considered a violation of academic integrity to copy another student's discussion board post and then post it to the discussion board.**

The follow rubric illustrates how each discussion session will be graded. The number of post represented in your posting history will be calculated. The quality of your posts is a subjective assessment by your instructor of how much your post adds to the discussion.

Metrics	Post 1	Reply 1	Quality of Post	Quality of reply 1
Maximum Points Earned	25 points	25 points	25 points	25 points

### **Grading Chart:**

**The following grading guidelines will prevail**

90 to 100 = A 80 to 89 = B 70 to 79 = C 60 to 69 = D 0 to 59 = F

### **Late Work, Attendance, and Make Up Work Policies:**

**I will drop the low quiz score for each student at the end of the semester so there will be no quiz make-ups. Once the discussion board closes for the week no further discussion posts will be allowed or graded.** Any make-up of the final examination will result in a 25 point penalty for the exam unless the student has a documented medical emergency.

---

### **Student Behavioral Expectations or Conduct Policy:**

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.

Since this is an on-line class most of the interaction between students will occur during the discussion board. Students are required to be respectful of one another during the discussion and inappropriate comments will result in disciplinary action including loss of points on the assignment.
