NOTE: This is an 16-week course.

NOTE: This is a Blended/Hybrid course.

COVID 19 Notice:

McLennan Community College is committed to providing you with every resource you need to reach your academic goals. We are also concerned for your safety. We are working through COVID-19 guidelines to make sure we offer a safe environment for you and our faculty. This will include smaller class sizes to manage social distancing and proper cleaning techniques. You will have the advantage of a physical classroom experience but may also need to work part of the time online as we adjust to limited classroom capacity. This will also allow us the flexibility to move online if so directed by federal, state and/or local COVID 19 guidelines. Faculty and staff are preparing now to ensure that you have the best experience in the midst of these uncertain times.

INTEGRATED READING & WRITING

0401 - 010

Course Description:

This course integrates the critical reading and writing skills students need to comprehend and interact with college-level texts and to produce original college-level writing, in standard written English through the processes of generating ideas, drafting, organizing, revising, and editing. It focuses on textbook reading and academic writing at a Lexile of 700 - 1000.

Prerequisites and/or Corequisites:

Prerequisite: READ 0300 or credit by TSI assessment

Course Notes and Instructor Recommendations:

- 1 **Get excited about learning!** The purpose of this class is to prepare you for your future. Prove to the instructor and yourself that you want to increase your skills in reading and writing, and do it!
- 2 **Get Organized.** Making a plan for what you're going to do and when you're going to do it will make sure you get it done.
- 3 **Take time to study and get your homework done.** Studying is a lot of work, and forcing yourself through a study marathon will only make it worse. Divide your work into manageable chunks, then reward yourself when you finish each chunk. This will make studying more rewarding. (Set aside around 10 hours a week to study and complete work.)
- 4 **Sleep.** Don't underestimate the importance of those eight hours of zzz's every night! Getting a good night's rest will sharpen your focus and improve your working memory.
- 5 **Take notes.** Taking notes will not only keep you more engaged during class, but will also help you narrow down what you need to study when exam time rolls around. It's much easier to reread your notes than to reread your entire textbook!
- 6 **Have excellent attendance.** This means be on time and don't miss classes or labs.
- 7 **Use the Tutoring Center regularly.** This is one of your best resources. Be sure to go weekly!
- 8 **Ask questions.** You're in school to learn, so don't be afraid to do just that! Asking for help - from a teacher, a tutor or your friends is a surefire way to make sure you truly understand the material.
- 9 **Complete ALL assignments.** Manage your time well because all work including papers and homework assignments must be completed on time.
- 10 **Keep up!** Do not get behind with your lab or your class work as it is difficult to get caught up. Make this class a priority.

Required Text & Materials:

Title: *Common Places*

Author: Lisa Hoeffner, Kent Hoeffner

Edition:

Publisher: McGraw Hill

ISBN: 978-1260-10458-5

MCC Bookstore Website: <http://www.mclennan.edu/bookstore/>

Methods of Teaching and Learning:

- This blended / hybrid course consists of homework assignments, chapter readings from the textbook and other sources, integrated reading and writing assignments, three major reading and writing projects, and a final exam. There is also a lab component which must be completed online.
- Class time (face to face or in a Zoom meeting) will be spent applying the concepts learned in homework assignments (face to face or in Zoom). Therefore, it is important that students do the homework assignment before class so that they can fully participate in the activities.
 - Different learning styles and the needs of second language students will be addressed in the classroom and homework assignments: discussion groups, small group and partner activities, individual reading and writing assignments, online lab exercises, exams, and quizzes
- Online learning will take place in the Connect lab activities (review of grammar, punctuation, and other activities); students may work ahead, but must keep up with the assignments and not fall behind..

Course Objectives and/or Competencies:

1. Locate explicit textual information, draw complex inferences, and describe, analyze, and evaluate the information within and across multiple texts of varying lengths.
2. Comprehend and use vocabulary effectively in oral communication, reading, and writing.
3. Identify and analyze the audience, purpose, and message across a variety of texts.
4. Describe and apply insights gained from reading and writing a variety of texts.
5. Compose a variety of texts that demonstrate reading comprehension, clear focus, logical development of ideas, and use of appropriate language that advances the writer's purpose.
6. Determine and use effective approaches and rhetorical strategies for given reading and writing situations.

INTEGRATED READING & WRITING

0401 - 010

7. Generate ideas and gather information relevant to the topic and purpose, incorporating the ideas and words of other writers in student writing using established strategies.
8. Evaluate relevance and quality of ideas and information in recognizing, formulating, and developing a claim.
9. Develop and use effective reading and revision strategies to strengthen the writer's ability to compose college-level writing assignments.
10. Recognize and apply the conventions of Standard English in reading and writing.

Course Grading:

Students' grades will be determined in the following manner:

Three Integrated Reading and Writing Projects	Project #1	10%
	Project #2	15%
	Project #3	15%
Connect Work		20%
Daily Work/Homework (Grammar, reading & writing assignments, tests, and quizzes)		20%
Final Exam		20%
		<i>TOTAL 100%</i>

Final Exam. The final exam consists of two related sections: Part 1 (Reading) and Part 2 (Writing). The lecture instructor will administer both parts during the designated final exams week.

Eligibility to take the Final Exam. A student must have an average of 70 or higher in the Connect lab to be eligible to take the final exam.

Lab Grades. At the end of the semester, each student will receive a lab grade. The lab grade will be an average of the scores for each of the Connect modules. The student must earn a minimum of 70% in order to be eligible to take the final exam.

Course Grades

Course average of 90 – 100: Grade of A

Course average of 80 – 89: Grade of B

Course average of 70 – 79: Grade of C

Course average of 0 - 69: Grade of NC (no credit)

The grade of “I”—incomplete—is not available in INRW.

Violations of academic integrity (cheating / plagiarism) are considered to be serious and can result in a “NC” grade. Plagiarism and cheating refers to presenting someone else’s work as his/her own. A detailed lesson on plagiarism will be presented in a class lesson, and students will be required to pass a quiz on plagiarism – what it is and how to avoid it.

Late Work, Attendance, and Make Up Work Policies:

Late work will not be accepted. Please do not ask to submit work late. If you have an emergency situation that prohibits you from making progress in the course, contact me to discuss the best course of action. Documentation will be required.

Student Behavioral Expectations or Conduct Policy

Students are expected to maintain classroom decorum to include respecting other students and the instructor, exercising prompt and regular attendance, communicating in a polite and respectful manner, and maintaining an attitude that seeks to take full advantage of the education opportunity. These expectations apply to online learning as well (lab). In the face-to-face classroom, discriminatory comments, talking, texting, cell phone usage, profanity, and any type of threatening/disruptive communication will be grounds for an instructor-initiated withdrawal of students and/or referral to McLennan Community College's discipline officer. These behaviors are unacceptable in an online learning environment as well.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with her/his students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails.

Forwarding Emails:

You may forward the emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may become lost or placed in junk or spam filters.

Accommodations/ADA Statement

Any student who is a qualified individual with a disability may request reasonable accommodations to assist with providing equal access to educational opportunities. Students should contact the Accommodations Coordinator as soon as possible to provide documentation and make necessary arrangements. Once that process is completed, appropriate verification will be provided to the student and instructor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification has been provided by the Accommodations Coordinator. Instructors should not provide accommodations unless approved by the Accommodations Coordinator. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:
