Course Grading Information:

There will be various projects given throughout the semester. Your grade will be based on the craftsmanship, creativity, and effort devoted to projects as well as your participation in class and maintenance of the studio. Assessments will be averaged together for your final semester grade.

Late Work, Attendance, and Make Up Work Policies:

This class meets twice a week for three hours each day. Demonstrations and lectures could be presented at any time, so it is essential that you attend class regularly and on time. Attendance will be taken immediately at the start of class; you must arrive on time and stay through the end of class to be counted present. Students who may be present yet are not actively participating in classwork will be counted absent. If a student is tardy to class three times, it will count as one absence. After three tardies, your classroom privileges may be revoked. All absences, for any reason, are treated equally. You are responsible for catching up on missed material. If you miss more than 25% of the total classes (7 classes) you may be dropped or receive a failing grade.

Assignments and projects are based on information discussed in class, so attendance is essential. Though time will be given during class for work on projects, you will need to spend extra time in the studio outside of class. Consider this your homework. Late work is not accepted.

The last day to drop this class is March 24, 2022. After that date, you will receive a grade for this course, whatever that may be.

Student Behavioral Expectations or Conduct Policy:

Ceramics

No cell phone or computer usage in class. No disruptive or disrespectful behavior. You may be asked to leave immediately and counted absent should you fail to comply with conduct rules. Should problems persist, you may be dropped from the class.
