| 1 | Theory | Test Grades, Quizzes, Projects | 60 | Percent |
| 2 | Skills | Practicum Skill Test | 25 | Percent |

|---------------------|----------|----------|----------|-------------|
| Letter Grade | A | B | C | F |
| Total Points | 100 – 90 | 89 – 80 | 79 – 70 | 69 or below |

W-----WITHDREW- This grade is given for an instructor or student-initiated course withdrawal through the 60 percent point in the semester or term. After the 60 day point, an instructor may authorize a course withdrawal and assign a W if passing work was being accomplished or an F (NC-Non completion for a student enrolled in a developmental class) if the student was failing work. In extenuating circumstances, the instructor may assign a W to a student who is not passing through the last regular class day of a semester or term. **No credit for the course will be given.**

I-----INCOMPLETE- This grade is given when a course is incomplete because of student's absences caused by illness or other reasons acceptable to the Instructor. To be eligible for this grade, the student must have essentially completed the course. The work remaining should be of such a nature as to not require class attendance. If the work is not made up within the following long semester, the I will be changed to an F **and the course must be repeated if credit is to be given.**

Late Work, Attendance, and Make Up Work Policies:

Students will be permitted to make up class work and assignments missed, with documentation, due to absences caused by:

- (a) Authorized participation in official college functions.
- (b) Personal illness with documentation
- (c) Illness or a death in the immediate family.
- (d) Observance of a religious holy day

Student, whether present or absent, is responsible for all assignments presented or assigned. All students are accountable for all assignments in the determination of course grade. The instructor
