**Course Outline or Schedule:**

This class consists of the 13 chapter units in the text. Essentially, the class starts at the front of the book and goes in the order of the Table of Contents through the first Thirteen Text Chapters. Due dates can be found on the class home page calendar in Bright Space and next to the topics under the CONTENT page. Each chapter has specific learning objectives, activities, instructional materials and assessments listed.

**Course Grading Information:**

This course uses an aggregate point total. There are 560 total points available in this class. An A will be worth **ABOUT** 90%, a B will be worth **ABOUT** 80% and so forth. I say about because I may use a course or individual curve. The Quizzes and Final Exam comes from the text. The essay and DBs come from the text and online research.

The 560 total points may be accumulated as follows:

1. There is a one week long Discussion Board. A DB requires reading and researching an issue assigned by the instructor to the class. It requires the student to think critically about what he/she reads and researches plus what he/she gets through the discussion with his/her classmates. The Discussion Board makes the student interact with his/her fellow students, the material and his/her instructor. It helps students to develop personal and social responsibility in terms of democratic governance. And finally, it helps students to effectively communicate. The Discussion Board is worth 100 points. The Rubric for grading a Discussion Board is as follows:

50% Discussion Board basic procedures:

- a. Reading at least 80% of all class Discussion Board posts,
- b. Posting new threads or replies on each of the 5 days the Discussion Board is open,
- c. Posting a minimum of 10 quality posts spread over the week of the Discussion Board (but doing the minimum number of posts will result in a minimum grade—no higher than a C), higher grades require more than minimum posting.
- d. Responding directly to comments addressed to you by classmates or the instructor in the Discussion Board;

40% Discussion Board basic requirements:

COURSE NAME  
COURSE NUMBER & SECTION NUMBER

---

- a. Displaying accurate information in your posts,
- b. Using accurate information as the basis for critically thinking about the issues,
- c. Effectively communicating in the Discussion Board;

10% Developing and Displaying Personal and Social Responsibility in the DB:

- a. Formulating and displaying personally responsible positions on the subject issues,
- b. Communicating a socially responsible position on the issues.

2. One small semester essay found under CONTENT. It is worth 100 points. I expect each student to read and research the assigned topic. Based upon the reading and research, I expect a student to develop and defend an informed opinion on the assigned topic. I expect the student to communicate in his/her essay a personally and socially responsible position. This is not a research paper. It does require reading and research however. I do not care what your opinion is as long as it shows a basic understanding of the issue and displays critical thinking on your part in the development and defense of your opinion. The essay shall consist of a minimum of 2-3 typed pages (1000 words). It will address an issue that will be provided by the instructor. Your essay must be checked for grammar and spelling. If the grammar and spelling are such that I can't understand what you have written, you will be given a failing grade. I expect you to cite sources where applicable. Please follow the MCC policy on Academic Honesty which can be found on the school website. The Rubric for grading the essay is as follows:

- a. 40% Displaying an accurate understanding of the issue,
- b. 40% The Development of a critically thought out position on the issue,
- c. 10% Effectively communicating your position on the issue,
- d. 10% Communicating why your position demonstrates personal and social responsibility.

3. Thirteen Chapter quizzes. Each consist of twenty multiple choice questions. Each quiz is worth 20 points.

4. One Final Exam. This exam is a capstone type exam in that it will demonstrate the student's comprehension of the learning objectives set out in each chapter folder under the Texas Higher Education Co Board's requirements. It is timed for two and a half hours. It consists of one hundred multiple choice questions (drawn from the same test banks as the chapter quizzes). You may take the test only once. In addition to assessing how well a student has mastered the subject material, it also assesses critical thinking skills by how well the student has chosen the single best answer on each question.

**Late Work, Attendance, and Make Up Work Policies:**

The instructor reserves the right to drop students for lack of attendance which is measured by the timely submission of work in an Online. If something comes up that prevents the timely completion of assignments, the student should immediately contact the instructor. You may view your attendance/participation in Bright Space. If you fall behind on assignments or work in the class you will show absent. That's why it is important to contact me when things happen.

I promise to do my best to make this class work for you. I promise to work as hard as you do to get you through it. If you have problems and needs, I will do my best to address and solve them.

The instructor reserves the right to accept late work, or to assign make up work at his own discretion.

**Student Behavioral Expectations or Conduct Policy:**

This is an online class. I expect you to be courteous and respectful in email exchanges with me and other students.

This class centers to a large extent on interaction between the student and the course material and the student and the instructor. I expect you to read and respond to my emails. Many of them are about your performance on assessments, sometimes they are inquiries about trends I see and sometimes I am exploring Government with you. Please view the email process with the same commitment that I do. Remember that we solely use the MCC Email system in this class.

**Specific Course Policies For Govt 2305:**

1. Please consult the Brightspace course's **ANNOUNCEMENTS** page daily for course updates, scheduling changes, lesson materials, essay information, tests and ideas. You can get help with Brightspace problems by contacting me, Academic Support Services and Network Services.
2. MCC has extensive filters and security protocols. Because of this, some email accounts may not work. I will use MCC email to contact you as per school policy. To access your MCC email, go to the MCC home page at: [www.mclennan.edu](http://www.mclennan.edu) and click on the student email icon. Please place your course and section number on the subject line of all emails. It is up to you to make sure that I am receiving your EMAILS and work product. I will always respond to your EMAIL within a day during the week and two days on a weekend. If I do not respond inside that time frame, assume that I didn't get your message and contact me again, or by phone.
3. If you have exceptional circumstances, please consult with the instructor about your individual case. New regulations make dropping classes very expensive and limited in number. Let me help you through any problems you have in this class. Something which you may consider insurmountable may be fairly easy to fix. **I AM HERE TO HELP YOU SUCCEED.** Remember that the school follows the state mandated **SIX DROP POLICY** (see catalog for an explanation). Again, I'm happy to work with you to make this class work.
4. Any student requiring special accommodations, due to a disabling or other condition, should contact the instructor as soon as possible. I'm here to make the class work for you. I'm happy to work with your special needs.
5. I suggest that you do a chapter by first looking over the Course Objectives. You may wish to print them out. Then you can look over the objectives while you do a first skim of the chapter. Perhaps you could write the page numbers where those objectives are discussed. Look over the Chapter Summary. Next read the chapter for comprehension. I suggest you outline or highlight the chapter. Then you should look over the film clips and simulations as they pertain to specific items in the chapter. Use the Flashcards—they come straight from the test questions. Finally, take the quiz. The quiz uses critical thinking skills by asking you to select the **best** answers. If you get a low score on a quiz, contact me and let's visit about it. I may be able to help.
6. I suggest that you download free software from the internet for FIREFOX, CHROME, WORD, REAL PLAYER, and QUICK Time.
7. You can get help with your technical problems from the instructor and/or the Network Services people. You can reach them from 8 until 5 on weekdays at

254-299-8077.

**Faculty Bio and Teaching Statement**

Hello! My name is Mike Campenni. I am the instructor for this course. I have been teaching college for over 40 years. I am a tenured, full professor in Government at MCC.

At MCC, I have won a NISOD (State-wide) Outstanding Teacher Award and the school's Minnie Piper state-wide Professor Nomination. Over the years, I have had research published in *Comparative Political Studies*, a book chapter on Public Finance and have presented at multiple American Political Science Association Conventions and the American Public Administration Conventions. In addition, I have presented at regional conferences. I am on the MCC Speakers' Bureau and speak frequently to civic groups. I have served on most of the standing faculty and institutional committees at MCC. I have served multiple terms on Faculty Council and have been both the Vice President and President of the Council. I am a member of the Texas Community College Teachers Association and have served as a state wide committee member (Services, Members and Legislative committees). I have served as a Faculty Advisor for the Ranch Club, the Non Traditional Students Club and the Politics Club.

My teaching philosophy is relatively straight forward. My job is to help you learn about government. Everything that I do is aimed towards that end. If I have done a good job, then your grades will reflect that effort. Generally, my lodestar is to do whatever helps the student learn about government. To that end, I'm willing to do whatever is ethical, equitable and possible to make this class work for you. The key is for you to let me know what you need from me to be successful and for us to work hard together.
