All exam grades, including the final exam, will be weighted evenly. A team test may be given and will count as an additional major exam. Your homework average from MML will also be included in your final course grade. Extra credit projects may be assigned.

Homework (MyMathLab)	20%
Exams (4)	60%
Final Exam	20%

### **Late Work, Attendance, and Make Up Work Policies:**

It is my policy to drop a student’s lowest test grade at the end of the semester (excluding the final exam). For this reason, I do not give makeup tests, with the exception of school sponsored activities or extreme situations handled on a case-by-case basis. A missed test will be recorded as a 0 and then dropped as the lowest test grade at the end of the semester, provided there is only one missed exam. Otherwise, the zero will count in the average. If a student is aware of a future absence on a test date, they may ask to arrange to take the test early.

Students may be seated alphabetically to facilitate roll checks.

After the drop date, students who quit coming to class must see the professor IN PERSON (not email or phone) in order to receive a W. Otherwise they may receive an F. No drops will be allowed two weeks before the final for ANY REASON.

Students who leave the room during class and return to class on a consistent basis may be penalized by possible grade reduction.

All electronic devices must be turned off during class. *Students must turn off their cell phones.* TEXTING IN CLASS ON ANY ELECTRONIC DEVICE IS ABSOLUTELY FORBIDDEN!!!

### **Student Behavioral Expectations or Conduct Policy:**

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity. Students are expected to come to class prepared and with supplies necessary to participate actively in each class meeting. Any student that consistently disrupts this class may experience grade reduction or be withdrawn from this class. For more details of College Conduct Policy, see the [Highlander Student Guide](#).
