Student Behavioral Expectations or Conduct Policy:

In studying and teaching voice, one needs to be aware that the body is the musical instrument. There is a certain amount of touching that must occur in the live Face to Face lesson. The teacher may ask permission to touch the student in the mid torso area, neck, face, arms. In turn, the student may be asked to touch the teacher as he/she demonstrates a technique. It is important to remember that this is part of the professional process of teaching/learning about the singing voice.
