## SMALL COMMERCIAL MUSIC ENSEMBLE – IMPROVISATION

MUSP 1148 04

---

It is the instrumentalist's responsibility to ensure that instruments and cables are in proper working order, and instrumentalists are **STRONGLY** encouraged to have extra cables and strings available at all times. Cables do malfunction and strings do break unexpectedly. If an instrumentalist can't plug in or play their instrument, they won't be able to contribute to the ensemble and their grade will be affected.

### **Methods of Teaching and Learning:**

Class meetings will include daily rehearsal and performances, occasional office or classroom meetings to discuss the notation project and outside-of-class performances (on and off-campus).

**MUSP 1148 is a performance-intensive class. Students MUST practice outside of class, attend class regularly and be prepared to perform in class if they hope to be successful.**

### **Course Objectives and/or Competencies:**

The student will demonstrate proficiency in the following basic skills, knowledge and techniques related to functioning in a performing musical ensemble: (address SLOs 1,2,4,5,7,8 and 9)

- Ability to read chord charts and standard musical notation
- Improvisation ability through knowledge and application of improvisation theory
- Proficiency in performing a variety of styles within Rock and Popular music
- Ability to function effectively in a rhythm section
- Ability to capture an audience through good stage presence
- Ability to effectively communicate in musical terms to fellow musicians during rehearsals and performances
- Ability to teach fellow musicians new material using sound rehearsal techniques
- Ability to organize the set-up of band equipment for rehearsals and performances

All band members may be called upon to sing backup vocals in addition to playing their primary instrument.

**Course Outline or Schedule:**

Rehearsals will be held throughout the semester. Performances will be scheduled on a semester-by-semester basis, and may be added during the course of the semester. Notation projects will be due prior to the last performance of the semester. A schedule of due dates will be handed out in class at the beginning of each term, but is subject to change based on additional performances or other events added to the schedule throughout the semester.

**Course Grading Information:**

Grades will consist of three components (a notation project, a daily grade and a grade for participation in performances), each comprising one-third of your overall grade.

**The notation project** will consist of bringing in at least one chart for the group to perform. This chart must be notated/written by the student (not a photocopy), must be computer-notated or NEATLY hand written so that it can be easily read by your everyone in the ensemble, and must indicate, at minimum, the chord progression, melodies and form (including intros and endings) for the performance of the tune. This chart may be an original composition, an original arrangement of an existing composition, or an exact transcription of a recorded performance.

**\*\*NOTE** – On-time completion of this project is **REQUIRED** in order to receive a passing grade for the course.

**Daily grades** will be based on:

- 1) The ability to demonstrate proficiency in the Course Objectives.
- 2) Punctuality – Students must be ready to perform at the beginning of rehearsal. Three tardies will be equivalent to one absence.
- 3) Preparation – Students must be able to play/sing their parts for songs assigned in previous classes. It is the student's responsibility to learn the material outside of class and bring to class any required sheet music (charts), lyrics, and recordings, *every day*.
- 4) Professional Attitude – Students should display a positive attitude, perform what they are asked to perform to the *best* of their ability, even if performing a style that they are unfamiliar with or a song they don't care for.
- 5) Courtesy - Any disrespectful behavior toward other members of the ensemble or the instructor will result in the student being dropped from the class with a grade of F.
- 6) Keeping all personal and school-owned equipment in good order.

**Performance participation** includes the loading, unloading, set-up and tear-down of equipment in addition to the performance itself. Students who do not participate in these activities (at both the beginning and at the end of a performance) **WILL RECEIVE A ZERO** for their performance participation grade and likely will not pass the course. Performances are scheduled each semester and may be added during the course of the semester. Once performance dates have been arranged, attendance and participation will be **REQUIRED** in order to receive full credit for this portion of your grade.

**Late Work, Attendance, and Make Up Work Policies:**

**Please respect the fact that due to the nature of an ensemble, each absence affects not only yourself, but the entire ensemble, as well. For this reason, each unexcused absence (or the equivalent three tardies) from a scheduled class session will result in lowering your overall class grade by 10% (one full letter grade).** Four unexcused absences will result in the student being withdrawn from the course with a grade of W. If reached after the official drop date for the semester, the student will receive a grade of F.

As noted above, on-time completion of the notation project is **REQUIRED** in order to receive a passing grade for the course.

**Student Behavioral Expectations or Conduct Policy:**

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the educational opportunity.

- Phones, Bluetooths, Blackberries, PDAs, headphones/earbuds, etc. should be silent and put away. Electronic communication of any kind (sending or receiving e-mail, text messages, etc.) during class time will result in the student being asked to leave the class until the next meeting. Any electronic communication sent or received during a test or quiz will result in an automatic F.
- Professional, courteous and respectful behavior is expected of all students. Threatening, hostile or profane language or behavior will not be tolerated and will result in immediate dismissal from the course.
- No food or drink (except water in a container with a sealable top) in class.
- Leaving class early or an excessively late arrival (missing more than 25% of class time) will result in an official absence for the day.
