Course Outline or Schedule:

The **MCC Jazz Ensemble Spring Concert** is scheduled to be presented on Tuesday night, April 12th. The venue for the concert has not yet been set because our usual venue, the BPAC theater, will not be available. More information on the location of the concert will be given as it becomes available.

Participation in the concert is mandatory. The concert carries the same weight as a final exam toward your final grade and all students are required to participate.

We are also set to perform at The Backyard in Waco on April 24th, which is the last Sunday in April. This performance will take place in the afternoon and early evening of the 24th.

This class meets from 11:10am to 12:05pm on Mondays and Wednesdays and from 8:00am to 9:20am on Tuesdays and Thursdays. There will also be a minimum of 2 performances each semester. Students are required to take part in these performances in order to pass the class.

All students in this class will meet face to face with the instructor Monday through Thursday unless the college makes a change due to public health concerns.

Course Grading Information:

The level of the student's preparedness for each rehearsal/class by means of consistent practice and preparation outside of class will have a significant bearing on the student's grade. Evaluation of student preparedness will be based on the student's performance in class. Consistent improvement on parts played/sung will be expected until parts are mastered and concert-ready.

Regular attendance in class, in addition to performance attendance, is mandatory in order for the student to pass the class (see attendance policy below).

Arrive on time with your instrument and accessories in good working order, vocalists with microphone, cable and clip. Keep a folder with song charts, lyrics and recordings of the tunes and most of all ...Practice outside of class so that you are confident with your parts. This will result in more effective and satisfying rehearsals. Learning parts in class (as opposed to the practice room or at home) is not rehearsal.

Late Work, Attendance, and Make Up Work Policies:

Attendance: In a rehearsal/performance class, being at every meeting is vitally important to the group. When a part of the team is missing it affects the entire class. The effectiveness of the rehearsal and the opportunity to learn during that rehearsal is negatively impacted for all when band members are not present.

Students missing more than 10% (6) of class meetings will be dropped by the instructor.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.

[Click Here for the MCC Attendance/Absences Policy](https://www.mclennan.edu/highlander-guide/policies.html)

(<https://www.mclennan.edu/highlander-guide/policies.html>)

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course, including online and hybrid courses. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades.

Absence from 10 percent of scheduled lecture and/or laboratory meetings will be taken as evidence that a student does not intend to complete the course. Unless a professor has reason to believe the student will complete the course, the student will be withdrawn from the course with a grade of W. The professor may reinstate the student if satisfied that the student will resume regular attendance and will complete the course.

MUSP 1150 01

If the student's 10 percent absences are reached after the official drop date (the 60 percent point in the semester or term), the professor may assign a W if the student is passing and requests to be withdrawn. However, if a student who is not passing reaches the 10 percent point after the official drop date, the student will receive an F. In extenuating circumstances, the professor may assign a W to a student who is not passing.

Each absence will count toward attendance requirements in each course.

Please refer to the [Highlander Guide](#) for the complete policy.
