*Tests:* The 4 unit tests will be conducted on Brightspace. **COMPLETION OF TESTS BY DUE DATES IS MANDATORY!!** If a student is unable to complete a test, the student must inform the instructor prior to the due date. **ONLY 1 TEST MAY BE MADE-UP! If a second test is missed, it will be considered an automatic 0 for the grade.** No project can replace a(n) test/exam score. The traditional score equivalency will be used in this class:

A = 90-100%

B = 80-89%

C = 70-79%

D = 60-69%

F = BELOW 60%

### **Late Work, Attendance, and Make Up Work Policies:**

No assignment, DB, or practice set is allowed to be made up after its due date and only 1 test may be made up with instructor permission. The final exam **MUST** be attended as scheduled.

### **Incomplete Grade:**

Only students who have completed and passed 80% of the course requirements will be eligible for an incomplete. Illness, death in the family, or other extenuating circumstances needs to be present; and consultation with the instructor is mandatory.

### **Student Behavioral Expectations or Conduct Policy:**

Each student is strongly recommended to participate in class. Due to the diversity of the students, many different viewpoints will be held. Students may not only disagree with each other at times, but the students and instructor may also find that they have different views on sensitive and volatile topics. It is my hope that these differences will enhance the class and create an atmosphere where students and instructor alike will be more encouraged to think and learn. Therefore, be assured that your grade will not be adversely affected by any beliefs and/or ideas expressed in class or assignments. Respect will be given for the views of others when expressed in classroom discussions. The instructor expects students to also treat each other with respect and manifest appropriate classroom behavior.

If the instructor becomes aware of cheating or plagiarism, an automatic 0 will be given for that task. These behaviors will be reported as per MCC policy. See MCC's policy on Academic Integrity for more information.

Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades. Instructor will follow the MCC attendance policy strictly, dropping students after 25% of classes are missed. For this class, the student will be dropped after missing 8 class periods.
