VOCATIONAL NURSING CONCEPTS

VNSG 1122.F1

- Major test dates will be included in the tentative class schedule, if changes are necessary, an announcement will be made in class.
- All students are expected to take major tests at the scheduled time.
- In case of absence on a scheduled major test day, an alternate test will be given as a “make up” and may include essay, short answers, or multiple choices.
- Major tests are usually written as multiple choice questions, but alternative formats will be utilized.
- Each major test may include material covered in all previous chapters.
- Late arrivals distract those who are already concentrating on the test. Student arriving after another student has completed the test and left the room will take the “make up” test.

Late Work, Attendance, and Make Up Work Policies:

Attendance & Participation are essential for success in this course. Class roll will be taken each day. **REMEMBER:** The student is only allowed **one (1)** class absence (results in a 20%-point deduction for each day missed). It is the student's responsibility to sign the class roll. Punctuality is imperative as tardiness distracts and hinders student concentration. If the student is late 15 minutes or more, he/she will be counted absent for the day. If a student leaves 15 minutes or more early or stays out of the room more than 15 minutes when not on break, the student will be counted absent. Refer to general catalog for MCC policy. **NO MAKEUP WORK.**

Student Behavioral Expectations or Conduct Policy:

“Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.”

Electronic Communication

This policy applies to all students enrolled at McLennan Community College (MCC) and to all MCC employees. All students, staff, and faculty will use their official college e-mail addresses when conducting college business.

It is MCC’s policy to assign all students, upon registration, an official e-mail address, which may remain in effect up to twelve months after students are no longer enrolled at MCC. MCC student e-mail addresses will be the only e-mail authorized to communicate official college information or business. Students are expected to read and, if needed, respond in a timely manner to college e-mails. It is suggested that students check college e-mail daily to avoid missing time-sensitive or important college messages. Students may forward college e-mails to alternate e-mail addresses; however, MCC will not be held responsible for e-mails forwarded to alternate addresses. A student’s failure to receive or read official communications sent to the student’s assigned e-mail address in a timely manner does not absolve the student from knowing and complying with the content of the official communication.

Privacy and Confidentiality

Official college communications sent by e-mail are subject to public information, privacy, and records-retention requirements and to other policies and procedures.

VOCATIONAL NURSING CONCEPTS

Faculty should inform students in the course syllabus of any special or unusual expectations for electronic communications. If a faculty member prefers not to communicate by e-mail with her/his students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Appropriate Use of Electronic Communication

The official college e-mail address assigned to students can be revoked if it is determined the student is utilizing it inappropriately. College e-mail must not be used to send offensive or disruptive messages nor to display messages that violate state or federal law.
