Course Grading Information and description of major assignments.

Participation (50 pts.)

Class participation is so important to me that I give points for participating. This means that the student should participate in discussions, role play demonstrations, and exercises. I believe that through participation, the students' learning potential is enhanced. These points are at the discretion of the instructor.

Psychosocial History (100 pts.)

This is an assessment form that the student will complete on an actual individual (names will be changed for confidentiality) or a "made up" individual. This assessment should follow the outline presented in the class discussion/exercise.

Exams (300 pts.)

There will be 3 exams throughout the semester. Each exam will be worth 100 points. The exams will only cover the material discussed up to the time of the exam. The final exam will not be comprehensive. The final exam is divided into 2 parts: an interview portion with a partner that will be determined by the professor and the written portion of the exam. The interview portion of the exam is worth 1/3 of your grade and the written exam is worth 2/3 of your grade. Students **MUST** attend and complete the interview portion of the exam to take the written exam – no excuses.

BASIC COUNSELING SKILLS
DAAC 1317.H1

This is a “practice” class. ALL students are expected to participate in class discussions and role play. A student’s participation and effort will be factored into their grade.

Counseling Videos (250 pts. total)

There will be 5 posted videos on in the CV module which will demonstrate differing counseling styles. The student will watch each video and write a 1 full-page synopsis of what they saw in the video. The student should discuss their impressions of the video clip; things that they thought were good in the counseling session, and things they thought should be included or “growth areas” in the session. Additionally, the student should discuss concepts they’ve learned in class as they relate to the video clip. Each video synopsis is worth 50 points each for a total of 250 points.

All assignments are expected to be typed and not handwritten. Format to be used is: Double Spaced; Font: Times New Roman; Font Size: 12pt; Margins: 1” top, bottom, left and right. If you turn in an assignment that is handwritten, I will consider it as not being turned in and you will receive a “0” for that assignment. Additionally, all work should be submitted through the assignment upload link in Brightspace (D2L). I WILL NOT accept assignments through my email. Additionally, all assignments are due by the BEGINNING of the class for which they are due. Submission of an assignment after the start time of class will result in a “0”.

Letter grades will be awarded based on the points earned on all the assignments during the semester.

Blackboard Video Clips/Synopsis	5 at 50 points each	250	Points
Exams	3 at 100 points each	300	Points
Psychosocial History		100	Points
Participation		50	Points
Total Possible Points		700	Points

Letter Grade	A	B	C	D	F
Total Points	700 – 630	629 – 560	559 – 490	489 – 420	419 or Below

Late Work, Attendance, and Make Up Work Policies:

Make-Up Test Policy

Students are expected to complete all tests at the time designated by their instructor.

- Should it be necessary to miss a test, there will be an automatic deduction of 15 points.
- Makeup tests are to be completed within one week of the regularly scheduled test.

- If the test is not taken within the first week after the original test, the grade for the test will become a zero.
- Students will only be allowed to make up one test per course for each semester.

Faculty has the right to determine if the reason for an absence justifies not deducting points. This would only be for unusual circumstances (wreck, hospitalization, etc.) All make up exams will be taken through Brightspace (D2L).

Late Work/Make-up Work

I DO NOT ACCEPT LATE WORK!!!
NO EXCEPTIONS. ALL WORK TURNED IN
AFTER A DUE DATE WILL RECEIVE A
GRADE OF “0”. *Once I begin taking roll,
assignments are considered late.

Student Behavioral Expectations or Conduct Policy:

In general, students are expected to maintain classroom decorum that includes respect for other students and the instructor and an attitude that seeks to take full advantage of the education opportunity. The Highlander Guides describes the rights, privileges and obligations of students affiliated with MCC.

Ethics

Cheating will not be tolerated. Any student found to be cheating will be subject to grade reduction, re-doing of assignments, and/or dismissed from the course. Examples of cheating include but are not limited to:

- Copying the work of another student
- Seeking excused absences/tardies under false pretenses
- Plagiarism (claiming as your own work the work of another)

Courtesy and Respect

Students should demonstrate courtesy and respect to all instructors, guests, and fellow students. While honest discussion and debate of topics is expected and encouraged, such interactions should not involve aggressive, derogatory, or hostile behaviors (verbal or otherwise). The instructor reserves the right to act to protect the decorum of the learning environment and the image of MCC.
