Clinical-Emergency Medical Technology/Technician
EMSP 1160

Course Description:

Provides detailed educational, training, and work-based experience, as well as direct patient/client care, generally at a clinical site. On-site clinical instruction, supervision, evaluation, and placement are the responsibility of the college faculty. Clinical experiences are unpaid external learning experiences. Includes hospital setting for Basic level.

Prerequisites and/or Corequisites:

EMSP 1501, 1173, 2271

Course Notes and Instructor Recommendations:

A clinical preceptor who is an adjunct faculty or full-time faculty member is present in the hospital with students. Student/preceptor ratios in hospital settings cannot exceed 6 students for one preceptor. Students are assigned to an EMS paramedic preceptor in the prehospital environment on a 1/1 ratio.

Instructor Information:

Instructor Name: Charles Jaquith

MCC E-mail: cjaquith@mclennan.edu

Office Phone Number: 254-299-8591

Office Location: ESEC 118

Office/Teacher Conference Hours: By appointment

Other Instruction Information: Each student must be advised by the program director before he/she can be enrolled in this course

Required Text & Materials:

Students are provided with specific documentation forms that must be used to document all hospital and prehospital patient care experiences. Students receive a student course manual which contains copies of all skill sheets and resource documents to assist the student in her/his clinical placement.

MCC Bookstore Website: <http://www.mclennan.edu/bookstore/>

Methods of Teaching and Learning:

Students participate in providing patient care under the supervision of the hospital or prehospital receptor. Course preceptors provide feedback and guidance to students as appropriate during

Clinical-Emergency Medical Technology/Technician EMSP 1160

the clinical experience. Student documentation is reviewed by the instructor or preceptor with the student and opportunities to improve patient care and patient outcomes are discussed. Students also learn by observing the care and treatment of patients by clinical staff and physicians. Clinical placement experiences are designed to assist the student to develop critical thinking skills

Course Objectives and/or Competencies:

At the completion of the course, the student will have the knowledge and skills needed to:

1. Take a patient history, perform a patient physical examination, identify symptoms and/or presenting problems;
2. Develop a prehospital or hospital plan of care that will meet the needs of the patient and her/his presenting symptoms;
3. Correctly document the patient's presenting symptoms, and her/his response to treatment & interventions;
4. Communicate effectively with the patient and family and members of the health care team.

Course Outline or Schedule:

Students begin participating in clinical experiences approximately 8 weeks after the beginning of the semester. There are no scheduled classroom activities for this course and students are assigned to a detailed hospital rotation and prehospital rotation. In the prehospital area, students are assigned to work with an experienced paramedic for 12- hour shifts working on an ambulance. Hospital clinical assignments consist of 10-hour shifts with students assigned to clinical areas (primarily in the ER) with a clinical preceptor. Clinical assignment changes are emailed to the students or communicated to them in person.

Week 1 – Week 8	The students will not start clinical or ambulance ride-outs until March 2, 2023` (Week 8). Students will not be allowed to begin clinical or ride-outs until they have successfully completed all mandatory skills.
Week 9 – Week 16	All students must complete 10 hours of hospital clinical and 60 hours of ambulance ride-outs. Hospital shifts are 10 hours in length and students complete 1 shift. Ambulance shifts are either 12 hours and students complete a total of 60 hours. <u>All clinical, ride-outs and required documentation must be completed by April 25, 2023</u>

Course Grading Information:

This course requires a grading rubric that each student will receive at the beginning of the semester and prior to clinical and field internships.

Clinical-Emergency Medical Technology/Technician

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Code of Conduct

EMS professionals are required to conduct themselves with integrity, honesty, and reliability. The following conduct guidelines are to be followed:

Clinical-Emergency Medical Technology/Technician
EMSP 1160

1. Students are required to do their own work and conduct themselves in a professional manner. All clinical documentation, assigned homework, or special assignments are to be completed by the student without sharing information or conferring with another student.
2. Students are required to be in their seats at the assigned start time for each class. Students are also required to report to clinical and ambulance assignments on time. Students arriving more than 15 minutes late without prior instructor approval will be counted as tardy. Students arriving more than 30 minutes late without prior authorization will be counted absent. Any student who accumulates three late arrivals for class will be officially counseled.
3. Students are expected to be alert and take initiative to participate in classroom, skills, and clinical activities. Students participating in clinical are expected to demonstrate a professional, helpful, courteous attitude when directed by clinical staff or a clinical preceptor to complete a task.
4. Students should be open and accepting of corrections or recommendations to their performance in classroom, skills lab, or clinical activities. Students should accept instructor recommendations as constructive criticism.
5. Students will maintain a professional appearance at all times. Students are required to maintain good personal hygiene. Tattoos are to be covered during clinical. Body piercing in areas other than the earlobe is not to be displayed while participating in classroom or clinical activities. After each student receives his/her uniform, he/she will wear their approved uniforms to class, clinical, and EMS ride-outs.
6. When not in uniform, students will come to class dressed appropriately. Collared shirts and blouses are to be worn (no see-through tops, tank, halter, or bikini tops) and clothing must be in good condition without holes in inappropriate areas. Clothes imprinted with inflammatory/derogatory statements or pictures will not be allowed.
7. Students will demonstrate respectful caring attitudes at all times.
8. Students will observe the requirements outlined in the Health Insurance Portability and Accountability Act (HIPAA) and respect the right of the patient to confidentiality. All patient information is absolutely confidential. Patient names will not be used on student clinical documentation forms and information will be limited to anonymous, general medical information. Violation of HIPAA guidelines may result in dismissal from the program.
9. Students will refrain from disruptive behavior or inappropriate language in the classroom or clinical sites.
10. Students will refrain from sleeping or doing homework for other courses while in class (see#3). Any student observed doing so will be excused from the class and marked as absent. Students will be counseled if two such occurrences are documented.
11. Students will not report to class or clinical while under the influence of any substance affecting the student's mental status or ability to function in an alert, appropriate manner. This regulation includes prescription medications. Students are subject to mandatory testing if any doubt exists or in the event of any accident or injury.

Clinical-Emergency Medical Technology/Technician
EMSP 1160

12. MCC is a tobacco free institution. Tobacco products (cigarettes, snuff, chewing tobacco) are to be used in designated areas only. "Spit cups" or bottles are not allowed inside the classrooms or clinical sites.
13. Students will refrain from fraternization with instructors, adjunct staff, and preceptors.
14. Students will not access another student's grades or class information.

Clinical Code of Conduct

At the completion of the course, the student will have the knowledge and skills needed to:

1. Take patient history and perform a patient physical examination;
2. Develop a prehospital plan of care for the patient with acute pulmonary injury;
3. Develop a prehospital plan of care for the patient with acute respiratory illness;
4. Establish and maintain a patent airway, including ventilation and oxygenation using
5. Communicate effectively with the patient and family and members of the health care team.

Inappropriate behavior and unsafe practice are grounds for requesting that the student leave the clinical facility and possibly be dismissed from the program. Students out of uniform without a nametag will be asked to leave the clinical site.

Examples of inappropriate behavior and unsafe practice include:

1. Attending clinical while under the influence of any substance affects a student's ability to respond in a reasonable and acceptable manner.
2. Performing unsafe patient care thereby causing physical injury or emotional stress to the patient, family members, or clinical staff.
3. Falsifying any information concerning the patient, clinical staff, or another student.
4. Performing skills that are not appropriate for the level of practice, or skills that have not been previously validated and documented in the student's record.
5. Violation of the code of conduct.
6. Refusing to perform patient care due to medical diagnosis, race, sex, and creed.

Students must perform in a professional manner at all times. Student performance problems in any clinical site will be documented in writing and reported to the Course Coordinator
