Course Objectives and/or Competencies:

At the completion of the course, the student will have the knowledge and skills needed to:

1. Perform a patient physical examination utilizing the Sim Man and simulation equipment;
2. Provide effective airway interventions on the Sim Man given a simulation scenario;
3. Develop an appropriate plan of care for the respiratory patient;
4. Establish and maintain a patent airway, demonstrating ventilation and oxygenation techniques;
5. Communicate effectively with the patient, family, and healthcare team members.

SIMULATION IN RESPIRATORY

EMSP 2271 _ 77

Course Outline or Schedule:

EMSP 2271 will be offered in a classroom located in the ESEC.

Course topics begin with an overview of adult advanced airway management. Students will practice adult intubation and advanced airway maneuvers on the Sim Man and receive realistic feedback from the "patient." Student performance will be recorded, and the student will receive feedback on the skills. Procedures performed on the Sim Man will also suffice for courses that were previously required to be performed on live patients.

Week 1	Spinal Immobilization Seated & Spinal Immobilization Supine, Mechanical Aids to Breathing, Students will practice and pass each skill three times before they can test that skill. If you test before he/she has three practices, the student will receive a grade of 70%
Week 2	Patient Assessment Trauma & Patient Assessment Medical, V/S
Week 3	Supraglottic Airway, Continuous Positive Pressure (CPAP)
Week 4	Bleeding Control, Bandaging, Splinting
Week 5	Small Volume Nebulizer, Epinephrine Autoinjector, Epinephrine IM Medication
Week 6	Helmet Removal, Scoop Stretcher, 12 Lead EKG
Week 7	Complete skills practices and test
Week 8	Rapid Extrication and Vehicle Extrication. Mandatory All skills needed for Clinical and Field Internship (ride outs) need to be completed by close of business
Week 9	SPRING BREAK MARCH 7 – 11 NO CLASSES
Week 10	Complete Skills Testing and Simulation
Week 11	Simulation
Week 12	Simulation
Week 13	Simulation
Week 14	Simulation
Week 15	Simulation
Week 16	All Clinical and Ride-outs are due.

SIMULATION IN RESPIRATORY

EMSP 2271 _ 77

Course Grading Information:

EMT Students must achieve a grade of “B” or higher for successful course completion and demonstrate proficiency in all 25 assigned skills. EMT Students will be graded in accordance with the performance criteria in the EMT Course Rubric. A point system determines the semester grade:

A =100 - 92 points

B =91 - 82 points

C =81 - 72 points

D =71 - 62 points

F =61 and below

Late Work, Attendance, and Make-Up Work Policies:

Students who receive an Incomplete in a theory module will not be allowed to enroll in the next scheduled theory course. They must wait until the next time the subsequent course is offered.

Clinical/Practicum course grade values are as follows:

A = Clinical documentation turned in by the assigned due date.

B = Clinical documentation turned in after the assigned due date but before the end of the course.

I = Clinical documentation turned in after the end of the course.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the educational opportunity.

Code of Conduct

EMS professionals are required to conduct themselves with integrity, honesty, and reliability.

The following conduct guidelines are to be followed:

1. Students are required to do their work and professional conduct themselves. The student must complete all clinical documentation, assigned homework, or special assignments without sharing information or conferring with another student.
2. Students are required to be in their seats at the assigned start time for each class. Students are also required to report to clinical and ambulance assignments on time. Students arriving more than 15 minutes late without prior instructor approval will be considered tardy. Students

SIMULATION IN RESPIRATORY

EMSP 2271 _ 77

arriving more than 30 minutes late without prior authorization will be counted absent. Any student who accumulates three late arrivals for the class will be officially counseled.

3. Students are expected to be alert and take the initiative to participate in the classroom, skills, and clinical activities. Students participating in clinical are expected to demonstrate a professional, helpful, and courteous attitude when directed by clinical staff or a clinical preceptor to complete a task.
4. Students should be open and accepting of corrections or recommendations to their performance in the classroom, skills lab, or clinical activities. Students should take instructor recommendations as constructive criticism.
5. Students will maintain a professional appearance at all times. Students are required to maintain good personal hygiene. Tattoos are to be covered during clinical. Body piercing in areas other than the earlobe is not to be displayed while participating in classroom or clinical activities. After each student receives his/her uniform, he/she will wear their approved uniform to class, clinical, and EMS ride-outs.
6. Students will come to class dressed appropriately when not in uniform. Collared shirts and blouses are to be worn (no see-through tops, tank, halter, or bikini tops), and clothing must be in good condition without holes in inappropriate areas. Clothes imprinted with inflammatory/derogatory statements or pictures will not be allowed.
7. Students will demonstrate respectful, caring attitudes at all times.
8. Students will observe the requirements outlined in the Health Insurance Portability and Accountability Act (HIPAA) and respect the right of the patient to confidentiality. All patient information is absolutely confidential. Patient names will not be used on student clinical documentation forms, and communication will be limited to anonymous, general medical information. Violation of HIPAA guidelines may result in dismissal from the program.
9. Students will refrain from disruptive behavior or inappropriate language in the classroom or clinical sites.
10. Students will refrain from sleeping or doing homework for other courses while in class (see#3). Any student observed doing so will be excused from the class and marked as absent. Students will be counseled if two such occurrences are documented.
11. Students will not report to class or clinical while under the influence of any substance affecting the student's mental status or ability to function in an alert, appropriate manner. This regulation includes prescription medications. Students are subject to mandatory testing if any doubt exists or in the event of any accident or injury.
12. MCC is a tobacco-free institution. Tobacco products (cigarettes, snuff, chewing tobacco) are only used in designated areas. "Spit cups" or bottles are not allowed inside the classrooms or clinical sites.
13. Students will refrain from fraternization with instructors, adjunct staff, and preceptors.
14. Students will not access another student's grades or class information.

Clinical Code of Conduct

SIMULATION IN RESPIRATORY

EMSP 2271 _ 77

At the completion of the course, the student will have the knowledge and skills needed to:

1. Take patient history and perform a patient physical examination;
2. Develop a prehospital plan of care for the patient with acute pulmonary injury;
3. Develop a prehospital plan of care for the patient with acute respiratory illness;
4. Establish and maintain a patent airway, including ventilation and oxygenation using appropriate techniques;
5. Communicate effectively with the patient, family, and healthcare team members.

Inappropriate behavior and unsafe practice are grounds for requesting the student leave the clinical facility and possibly dismissal from the program. Students out of uniform without a nametag will be asked to leave the clinical site.

Examples of inappropriate behavior and unsafe practice include:

1. Attending clinical under the influence of any substance affects a student's ability to respond reasonably and acceptably.
2. Performing unsafe patient care, thereby causing physical injury or emotional stress to the patient, family members, or clinical staff.
3. Falsifying any information concerning the patient, clinical staff, or another student.
4. Performing skills that are inappropriate for the level of practice or skills that have not been previously validated and documented in the student's record.
5. Violation of the code of conduct.
6. Refusing to perform patient care due to medical diagnosis, race, sex, and creed.

Students must perform in a professional manner at all times. Student performance problems in any clinical site will be documented in writing and reported to the Course Coordinator.
