Course Grading Information:

Grades in the course will be based on a sum of the weighted average your daily work, essay, and final exam grades. Daily work grades will be based on the thoroughness and quality of the student's work. Essay and final exam grades will be based on the standards reviewed in class.

Note: **To pass the course, students must complete all major essay assignments.**

Final grades will correspond to the following scale:

A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = 0-59

Course grades will be based on the following approximate percentages:

Assignment Percentage

Weekly Work/Quizzes	20%
Essay 1	15 %
Essay 2	20%
Essay 3	20%
Essay 4	15%
Presentation	5%
Final Exam	5%

(Note: I reserve the right to adjust these percentages as necessary)

I am more than happy to discuss any questions students may have concerning the grades they receive. However, I ask that students review their grades and determine what question(s) to ask prior to contacting me.

Attendance:

According to MCC attendance policy, **25%** of absences (eight class sessions) may result in being withdrawn from the course with the grade of W or F, depending on whether a student is passing. An absence from a class session will be excused if it is caused by authorized participation in official College functions, personal illness, an illness or a death in the immediate family, or the observance of a religious holy day. However, even excused absences count toward 25% attendance requirement. Please notify me via e-mail in advance if you are unable to attend any given class session and provide the necessary documentation (a doctor's note or a letter from a College official)

******If you come to the class more than 20 minutes late or leave the class early, you will be counted absent. If you sleep during the class, you will be counted absent.***

Make-up work:

Each student whether present or absent in class should complete ALL weekly assignments in Brightspace ON or BEFORE the due date. Patterns of late work will be reflected in lower grade for the course in fairness to others who have done their work on time and sometimes at a great sacrifice. *If you need help in getting your course work done, please let me know as soon as possible.*

Late Work:

Late work is not accepted for daily assignments. Writing assignments, including major essays, will be available for **THREE** more days after the due date; however, 20 points per day will be deducted from your grade. If an essay is late beyond three days, it will NOT be accepted and receive a zero. Reading quizzes and discussion boards will NOT be available for the users after availability ends. Incomplete quizzes and discussion boards will receive a zero.

Student Behavioral Expectations or Conduct Policy:

Students are expected to improve their own reading, thinking, and writing skills and to assist their fellow classmates to do the same. To create comfortable learning environment for all present, students are asked to respect their colleagues. Disrespectful comments on discussion boards will not be tolerated. Repeat offenders will be dropped from the course, and they will be reported to MCC's Discipline Coordinator.

Students are expected to support an environment conducive to learning:

- Please be courteous and turn off cell phones or put them on silent.
- Please don't play video games or watch tv or videos while I talking.
- Please avoid eating during the class when it is disruptive to others.
- Please respect differences of culture, nationality, values, opinions, styles.

Academic Integrity

Engaging in academic misconduct violates the academic integrity of the institution and is a significant offense. Students involved in any of the following warrants immediate disciplinary action:

I take all cases of academic dishonesty seriously. I believe academic integrity is the fundamental virtue of any professional community. It is important that students adhere to high standards of professionalism and display academic integrity in their behavior.

Plagiarism: The deliberate appropriation, theft, purchase or obtaining by any means another's work, and the unacknowledged submission or incorporation of that work as one's own offered for credit. Appropriation includes the quoting or paraphrasing of another's work without giving credit.

No cases of plagiarism or other forms of dishonest conduct will be tolerated. Anyone caught committing plagiarism on any assignment will be given a failing grade automatically without permission to make it up.

For further clarification, students will be given a zero for the assignment: 1) if they try to submit somebody else's paper; 2) if they try to submit a paper that was written for another course; 3) if they submit a paper written by someone else; 4) if they copy and paste from online sources with obvious intentions to deceive; 5) if they fail to paraphrase research sources properly and do not use quotation marks to indicate borrowed text ("patchwriting"); 6) if they fail to provide proper documentation for the sources they use; 7) if a paper is written on an unassigned or inappropriate topic.

** For students who are retaking this course, you may not reuse essays written in a previous semester, in part or in whole. All writing that you submit must be new and original work.
