7. Ability to communicate in musical terms to other musicians during rehearsals.
  8. To demonstrate a professional and courteous attitude at all rehearsals and performances.
  9. Ability to teach a new song to fellow members, using sound rehearsal techniques.
  10. Ability to organize the set-up of the band equipment for a performance

### **Course Outline or Schedule:**

**The MCC Jazz Ensemble Spring Concert** is scheduled to be presented on Tuesday night, April 11<sup>th</sup> at 7:30pm in the BPAC theater. Plan on meeting in BPAC 145 at 5:00pm that day to begin equipment move, set up and sound check. There will not be time to go home to change between these activities and the concert so bring everything you need for the evening at 5:00pm.

- **All students are expected to stay after the concert so we can put all equipment back in place in the rehearsal rooms before leaving. Failure to do so will result in the possible loss of a letter grade for the final grade for the course.**
- **Participation in the concert is mandatory. The concert carries the same weight as a final exam toward your final grade and all students are required to participate.**

**We are also set to perform at**

- The Food Truck Event in downtown Waco on April 1<sup>st</sup>.
- The Backyard in Waco on April 23rd, which is the last Sunday in April. This performance will take place in the afternoon and early evening of the 23rd.

Class meetings for the course are from 8:00am to 9:20am on Tuesdays and Thursdays.

### **Course Grading Information:**

**The level of the student's preparedness for each rehearsal/class by means of consistent practice and preparation outside of class will have a significant bearing on the student's grade. Evaluation of student preparedness will be based on the student's performance in**

**class. Consistent improvement on parts played/sung will be expected until parts are mastered and concert-ready.**

**Regular attendance in class, in addition to performance attendance, is mandatory in order for the student to pass the class** (see attendance policy below).

Students will also be evaluated on the competencies listed under **Course Objectives** during rehearsals and performances during the course of the term.

### **Late Work, Attendance, and Make Up Work Policies:**

**Attendance:** In a rehearsal/performance class, being at every meeting is vitally important to the group. When a part of the team is missing it affects the entire class. The effectiveness of the rehearsal and the opportunity to learn during that rehearsal is negatively impacted for all when band members are not present.

Students missing more than 15% (5) of class meetings will be dropped by the instructor.

### **Student Behavioral Expectations or Conduct Policy:**

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.

### **[Click Here for the MCC Attendance/Absences Policy](https://www.mclennan.edu/highlander-guide/policies.html)**

**(<https://www.mclennan.edu/highlander-guide/policies.html>)**

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course, including online and hybrid courses. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades.

Absence from 10 percent of scheduled lecture and/or laboratory meetings will be taken as evidence that a student does not intend to complete the course. Unless a professor has reason to believe the student will complete the course, the student will be withdrawn from the course with

a grade of W. The professor may reinstate the student if satisfied that the student will resume regular attendance and will complete the course.

If the student's 10 percent absences are reached after the official drop date (the 60 percent point in the semester or term), the professor may assign a W if the student is passing and requests to be withdrawn. However, if a student who is not passing reaches the 10 percent point after the official drop date, the student will receive an F. In extenuating circumstances, the professor may assign a W to a student who is not passing.

Each absence will count toward attendance requirements in each course.

Please refer to the [Highlander Guide](#) for the complete policy.
