CONTEMPORARY CHRISTIAN ENSEMBLE

1148 02

Course Objectives and/or Competencies:

The objective of this class is to expose the student to a variety of musical styles within the genre of Contemporary Christian Music, to demonstrate rehearsal and performance techniques and to provide performance opportunities when appropriate for the class.

Course Outline or Schedule:

The CCM Ensemble Spring Concert is scheduled to be presented on Monday night, April 17th at 7:30pm in the **MTA theater**.

Plan on meeting in BPAC 122 at 5:30pm that day to begin equipment move, set up and sound check. There will not be time to go home to change between these activities and the concert so bring everything you need for the evening at 5:30pm.

- **All students are expected to stay after the concert so we can put all equipment back in place in the rehearsal rooms before leaving. Failure to do so will result in the possible loss of a letter grade for the final grade for the course.**
- **Participation in the concert is mandatory. The concert carries the same weight as a final exam toward your final grade and all students are required to participate.**

CCM is also set to perform at:

- The Food Truck Event in downtown Waco on April 1st.
- The Backyard in Waco on April 23rd, which is the last Sunday in April. This performance will take place in the afternoon and early evening of the 23rd. CCM will be scheduled far enough away from the noon hour to avoid any problems with participation in Sunday morning church that day.

The student will demonstrate proficiency in the following basic skills, knowledge and techniques related to functioning in a performing musical ensemble:

- Ability to read chord charts and lead sheets

CONTEMPORARY CHRISTIAN ENSEMBLE

1148 02

-
- Where appropriate, improvisation ability through knowledge and application of improvisation theory
 - Proficiency in performing a variety of styles within the Contemporary Christian genre
 - Ability to function effectively in a rhythm section
 - Ability to capture an audience through good stage presence
 - Ability to effectively communicate in musical terms to fellow musicians during rehearsals and performances
 - Ability to teach fellow musicians new material using sound rehearsal techniques
 - Ability to organize the set-up of band equipment for rehearsals and performances

Course Grading Information:

The grade for the term will be determined as follows:

1. Class meetings: preparation, participation, punctuality.
2. Projects: music, charts, lyrics, recordings presented in a timely manner.
3. Professionalism: a positive attitude, good communication skills, helpfulness to fellow students and faculty. Responsibility.
4. Participation in any on and off campus performances is mandatory

Late Work, Attendance, and Make Up Work Policies:

Attendance: In a rehearsal/performance class, being at every meeting is vitally important to the group. When a part of the team is missing it affects the entire class. The effectiveness of the rehearsal and the opportunity to learn during that rehearsal is negatively impacted for all when band members are not present.

15% (5) of meetings missed will result in the lowering of your grade by one letter. 20% (6) will result in the grade of F or W.

Three times late to class will be figured as one absence.

It is possible to receive an excused absence for sickness or family emergency or ...IF you handle it responsibly by email cnauert@mclennan.edu or by phone 299-8258.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the education opportunity.

(<https://www.mclennan.edu/highlander-guide/policies.html>)

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Regular and punctual attendance is expected of all students, and each instructor will maintain a complete record of attendance for the entire length of each course, including online and hybrid courses. Students will be counted absent from class meetings missed, beginning with the first official day of classes. Students, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades.

Absence from 20 percent of scheduled lecture and/or laboratory meetings will be taken as evidence that a student does not intend to complete the course. Unless a professor has reason to believe the student will complete the course, the student will be withdrawn from the course with a grade of W. The professor may reinstate the student if satisfied that the student will resume regular attendance and will complete the course.

If the student's 20 percent absences are reached after the official drop date (the 60 percent point in the semester or term), the professor may assign a W if the student is passing and requests to be withdrawn. However, if a student who is not passing reaches the 10 percent point after the official drop date, the student will receive an F. In extenuating circumstances, the professor may assign a W to a student who is not passing.

Each absence will count toward attendance requirements in each course.

Please refer to the [Highlander Guide](#) for the complete policy.
