MCC Bookstore Website: <http://www.mclennan.edu/bookstore/>

Methods of Teaching and Learning:

Students will study topics specific to the nursing care of animals in the clinical setting. Large animal, small animal and exotic animal nursing will be discussed. The laboratory will provide experience in implementation of the topics covered online. Successful completion of this course will be based on knowledge of the assigned reading materials, online and discussion materials, laboratory practice, homework assignments, and instructor-generated examinations.

Assignments should be completed **prior** to coming to class. Online material will reinforce assigned reading materials and add new information. Laboratory is designed to reinforce online material and to provide practice for individual techniques.

Course Objectives and/or Competencies:

The goal of this course is to provide the student with a working, practical competency in the nursing care of animals. The course will also serve as a review of material covered previously in the study of veterinary technology. As such, this course will be the capstone course for second year veterinary technology students.

Course Grading Information:

LECTURE EXAMS: Lecture exams are objective and subjective in format, i.e., mostly essay or short answer in format with multiple choice, true/false and fill-in-the-blank questions as well. The exams will be worth approximately 100 points. The exams may contain questions from the class assignments and labs. There will be 4 lecture exams during this course.

FINAL EXAM: A comprehensive exam, covering information from the entire veterinary technology curriculum, will be given. This exam will be worth 300 points. **YOU MUST PASS BOTH THE FINAL LECTURE EXAM AND THE FINAL LAB EXAM WITH AT LEAST A 75% IN ORDER TO PASS THE COURSE.**

VTNE STUDY GUIDE HOMEWORK: You will be given weekly assignments in your Mosby's Comprehensive Review for Veterinary Technicians. This home work will be turned weekly and will be worth 200 points of your grade.

LABORATORY EXAMS: All laboratory exams will be fill in the blank or you will be given a task to complete. There will be 2 laboratory exams worth 100 points each. The final lab exam will be comprehensive over the entire veterinary technology curriculum. **YOU MUST PASS BOTH THE FINAL LECTURE EXAM AND THE FINAL LAB EXAM WITH AT LEAST A 75% IN ORDER TO PASS THE COURSE.**

WEEKLY QUIZ: There will be a quiz given online weekly. This quiz will cover reading material for that week's lecture. Each quiz will be worth 10 to 20 points.

PROFESSIONAL GRADE: Your professional grade is based on laboratory participation, SOAPING & charting your patients, performing the required kennel duty, being punctual to class lab and your assigned duties, being prepared for class lab and your assigned duties, and

completion of all tasks assigned. This grade is worth 600 points of your final grade (1/4 of your total grade).

Think of your Professional Grade as being paid for your work in a clinic. You are now working for MCC Veterinary Clinic, and your instructors are your employers. If you do all the assigned work, are on time, dressed and prepared professionally, you will receive all of your paycheck (600 points); however, if you are not on time, did not complete your assignments, are not dressed or prepared professionally, your pay **WILL BE** docked (ie. points will be deducted).

Participation with the Extraco Event Center CDE Event contest is **MANDATORY**. Failure to participate will result in 150 points being deducted from your Professional grade. **CDE CONTEST, WED. March 30th. All veterinary technology students (and veterinary assisting students), are required to participate.** All of the instructors in Veterinary Technology WILL have a say in your professional grade.

Veterinary Technician Assignment - Vet Tech Prep:

A minimum of an 80% completion of the Vet Tech Prep online course. The course covers all 9 domains that are on the Veterinary Technician National Exam. They include:

- Pharmacy and Pharmacology
- Surgical Nursing
- Dentistry
- Laboratory Procedures
- Animal Care and Nursing
- Diagnostic Imaging
- Anesthesia
- Emergency Medicine/Critical Care
- Pain Management/Analgesia

The Vet Tech Prep course contains 1,643 Practice Questions and 1543 Practice Exam questions. To complete a minimum of 80% of this course, the student will be required to complete 1,234 Practice Questions, and 150 Practice Exam questions, or complete an average of **140 questions per week**, during the 90-day enrollment period. This means 20 questions a day! You can do this!

Veterinary Assistant Assignment – Fear Free Certification:

The Veterinary Assistant students will be required to complete the Fear Free Certification as an equivalent assignment grade to the Veterinary Technician's Vet Tech Prep assignment. The program consists of eight modules. Each module will end in an exam that needs to be passed before moving on to the next module.

<https://fearfreepets.com/veterinary-professionals/>

Students will need to go to the link above to access the course.

1. Click on the tab “GET STARTED WITH REGISTRATION”
2. This will bring up a window, click on the tab “I am signing up myself”
3. Next, students will click on “Students and faculty, Click here!”
4. Next, students will click on “Student Applications | \$0 (Again, this is free for students while they are in the program)
5. Fill out each step of the form (Steps 1 – 4)
6. Students will submit proof of completion to Brightspace.

PAPER/ ESSAY: A paper is required to be completed and turned in by **Tuesday April 18th**. This paper should discuss **The Essentials of Veterinary Nursing**. Particular attention should be given to critical care nursing. This paper is worth 100 points of your total grade. This paper must be typed and double spaced. Handwritten papers will not be accepted. The Essay must be turned in by the assigned due date by electronic means such as email or BrightSpace. **All work submitted must be in Microsoft Word or PDF; Google documents WILL NOT be accepted.** Late submissions will NOT be accepted. Computers are available for use in the Vet Tech Library room and in the Main Campus Library. Include a Works Cited page in your paper that includes at least 3 sources. Only one (1) source can be in a digital format (website, email, television, video, etc.). The other source needs to come from a journal, book or other printed material. For more information on how to document your sources in MLA style, go to this website: http://www.english.uiuc.edu/cws/wworkshop/writer_resources/citation_styles/mla/mla.htm#authors.

GRADING: The course grade will be comprised of:

Lecture examinations	400 points
Final comprehensive lecture examination	300 points
VTNE study guide homework	200 points
Laboratory exams	200 points
Weekly quiz	200 points
Professional grade	600 points
Vet Tech Prep	200 points
Fear Free Certification	300 points
Paper	100 points
TOTAL:	2500 points

You must PASS the Final Comprehensive Exam AND the Final Comprehensive Lab Exam with at least a 75% to pass this course! If you DO NOT pass this class, you will not be able to continue in the Veterinary Technology Program and you will not be able to graduate. There will be NO RETAKES for the final exams.

Grading scale:	2500 - 2300 points.....A
	2299.9 – 2125 points.....B
	2124.9 – 2000 points.....C
	1999.9 – 1875 points.....D
	1874.9 points and below...F

Late Work, Attendance, and Make Up Work Policies:

As stated in the Student attendance policy: Students will be permitted to make up class work and assignments missed due to absences caused by (1) authorized participation in official College functions, (2) personal illness, (3) an illness or a death in the immediate family, (4) the observance of a religious holy day, or (5) required military service. Also, the instructor has the prerogative of determining whether a student may make up work missed due to absences for other reasons. It is the student's responsibility to inform the instructor of the reason for an absence and to do so in a timely fashion. If the student misses an exam he/she will be allowed to make up the missed exam ONLY IF the absence is caused by one of the 5 causes listed above. Personal illnesses will require a doctor's note before you can make up any missed exams or work. Make up exams and assignments may be Essay in nature. The professor may require make up exams be taken at the MCC Testing Center. Missed labs will be made up by scheduling time outside of class with the instructors.

Student Behavioral Expectations or Conduct Policy:

- A. **Cheating will not be tolerated in this course.** This includes copying answers from another students paper, turning in work that is not your own or copying anything from another source without appropriate credit given to the original author. **If suspected, a grade of "0" will be given on the first occurrence and the second occurrence will lead to an "F" in the course and dismissal from the program.**
- B. **Please turnoff or silence all cellular phones and place them inside the cell phone basket when entering the classroom or laboratory.** The devices are disturbing to your fellow classmates and instructor. If you are expecting an important call, then please inform the instructor ahead of time. **Any phones going off in class will result in a 0 (F) for the day.**
- C. This course is taught on the basis of mutual respect. I respect your desire to learn the material and will do my best to present it in a way to facilitate learning. You need to respect the classroom environment, your fellow students and the instructor.
- D. In order to ensure students arrive on time for class, please note that effective for Spring 2020, the classroom instructor will be locking the classroom door **5 minutes** after class begins. If a student arrives late and the door is locked, please know that the student will NOT be allowed in the classroom and will be counted absent for that class period. If a student leaves the classroom during the class (for anything other than an emergency)-such as becoming ill, or specific phone calls-for example a sick child, doctor's office, etc.-they will NOT be allowed to return to the classroom. Personal needs need to be taken care of between classes.

For classes (either lecture or labs), that last more than the approximate 50 minute period, a tardy student may be allowed into that class when the class takes a scheduled break or at the instructors discretion if scheduled breaks are not practical.

This policy is to help diminish disruption of the class, and to help ensure student safety while in the classroom.

*****INSTRUCTOR NOTE:*****

Do not submit *.pages, *. numbers, or *.key files. These are Apple iWork's files and cannot be opened. If you submit Apple iWork's files and your work cannot be opened by the instructor, you will receive a zero for the assignment. Do not submit assignments in Google Docs, your instructors can always open these submissions and will cause a delay in grading. You will be asked to resubmit the assignment as a Word document. Do not submit *.odp, *.odt, or *.ods files. These are OpenOffice files and, when opened in Microsoft Office, will lose formatting and document properties.

If you submit OpenOffice files and your document loses formatting when opened, you will lose any points associated with the formatting of the document for the assignment. If you submit *.pdf files, your professor will be limited to how they can markup the document or assist with modifications to the document. PDF files are an acceptable submission format but may limit the assistance that you can receive if corrections or revisions must be made.

Technology in the Classroom:

Students are allowed to utilize laptops in class if they are used for the class the student is attending. Please do not work on other classes or anything that may distract you from valuable information.

Cellphones in the Classroom:

Students will not be on their phone during class time hours. If you need to have your phone out, please discuss this with your instructor prior to class. Students will be asked in class to put their phone away.

ATTENDANCE AND DRESS CODE: Attendance at all class lectures and labs is *required and is essential* to your success in this course. Attendance may be taken by, but not limited to, any of the following measures: roll call, quiz, vocabulary word, and/or survey. **You must wear closed-toe non-slip shoes at all times for lecture and lab.** **Students may wear the following to class:**

Jeans (clean with no holes, no rips and no tears)	Scrub pants	Dress slacks
Scrub top	MCC Vet Tech Polo shirt	

The following is prohibited and will result in being dismissed from class for the day, being marked as absence, and a grade of 0 (F) for the day:

Open toed shoes Shorts Capri Pants Short skirt or kilt
T- Shirt Sleeveless shirt Facial Piercings (one 1 earring allow in each ear)
Any distractive/suggestive clothing, piercing, or body art.

Visible tattoos and body jewelry (other than earrings confined to the lobes – 1 per ear) are required to be covered up or removed, respectively, when in lecture or laboratory sessions at the Veterinary Technology facility, field trips, class trips to shelters or veterinary facilities, and at all times during your practicum. Disruptive hair styles are discouraged. Acceptable hair colors fall under the normal range of natural color.

NEW TARDY POLICY EFFECTIVE Spring 2022

In order to ensure students arrive on time for class, please note that effective for Spring 2020, the classroom instructor will be locking the classroom door 10 minutes after class begins. If a student arrives late and the door is locked, please know that the student will NOT be allowed in the classroom and will be counted absent for that class period. If a student leaves the classroom during the class (for anything other than an emergency)-such as becoming ill, or specific phone calls-for example a sick child, doctor's office, etc.-they will NOT be allowed to return to the classroom. Personal needs need to be taken care of between classes.

For classes (either lecture or labs), that last more than the approximate 50 minute period, a tardy student may be allowed into that class when the class takes a scheduled break or at the instructors discretion if scheduled breaks are not practical.

This policy is to help diminish disruption of the class, and to help ensure student safety while in the classroom

PHOTOGRAPH & SOCIAL MEDIA POLICY

No pictures maybe taken during this class of other people including instructors and students, patients, exams, tests, homework, or instructional models without the express written consent of the instructor(s) of this class. **Any sharing of photographs of this class on ANY social media sites is strictly forbidden.** No statements that would be considered inflammatory or derogatory towards another student, instructor, or client will not be allowed on social media. **VIOLATION OF THIS POLICY WILL RESULT IN AUTOMATIC FAILURE OF THIS CLASS.**

Professional Expectations

1. All students will dress per Veterinary Technology Professional Dress Code. This is in both the Veterinary Technology Handbook and your syllabus.
2. There will be no profane or vulgar language used at MCC Veterinary Technology. This includes outside of the classroom, during kennel duty, or on field trips.
3. Students will be on time. Tardiness is unacceptable. This includes class, field trips, and kennel duty.
4. Students will be polite and courteous to the public, other students, MCC staff, and MCC faculty.
5. The social media policy for MCC Veterinary Technology will be **strictly** adhered to by all students.
6. There will be no abusive behavior (physical or verbal) towards people, animals, cadavers, supplies, or equipment.
7. All veterinarians will be addressed as Doctor with their last name used:

Example – I am Dr. Clark

All technicians will be addressed as Mr., Ms., or Mrs.

Example – Mrs. Allen
8. Students will clean all laboratory areas at the end of class and will not leave until all lab space, surfaces, equipment, and supplies are properly cleaned, disposed of, or put back in proper working order.
9. Any cheating, stealing, or dishonesty can and will result in dismissal from the program.
10. Students will have all kennel duties, assignments, and other assigned tasks completed on time.

The Veterinary Technician's Oath

"I solemnly dedicate myself to aiding animals and society by providing excellent care and services for animals, by alleviating animal suffering, and promoting public health. I accept my obligations to practice my profession conscientiously and with sensitivity, adhering to the profession's Code of Ethics, and furthering my knowledge and competence through a commitment to lifelong learning."

To schedule an appointment, go to https://mclennan.co1.qualtrics.com/jfe/form/SV_07byXd7eB8iTqJg. Both the Completion Center and Paulanne's Pantry are located on the second floor of the Student Services Center (SSC).

MCC Foundation Emergency Grant Fund:

Unanticipated expenses, such as car repairs, medical bills, housing, or job loss can affect us all. Should an unexpected expense arise, the MCC Foundation has an emergency grant fund that may be able to assist you. Please go to <https://www.mclennan.edu/foundation/scholarships-and-resources/emergencygrant.html> to find out more about the emergency grant. The application can be found at https://www.mclennan.edu/foundation/docs/Emergency_Grant_Application.pdf.

MCC Academic Integrity Statement:

Go to www.mclennan.edu/academic-integrity for information about academic integrity, dishonesty, and cheating.

Minimum System Requirements to Utilize MCC's D2L|Brightspace:

Go to <https://www.mclennan.edu/center-for-teaching-and-learning/Faculty-andStaffCommons/requirements.html> for information on the minimum system requirements needed to reliably access your courses in MCC's D2L|Brightspace learning management system.

Minimum Technical Skills:

Students should have basic computer skills, knowledge of word processing software, and a basic understanding of how to use search engines and common web browsers.

Backup Plan for Technology:

In the event MCC's technology systems are down, you will be notified via your MCC student email address. Please note that all assignments and activities will be due on the date specified in the Instructor Plan, unless otherwise noted by the instructor.

Email Policy:

McLennan Community College would like to remind you of the policy (<http://www.mclennan.edu/employees/policy-manual/docs/E-XXXI-B.pdf>) regarding college email. All students, faculty, and staff are encouraged to use their McLennan email addresses when conducting college business.

A student's McLennan email address is the preferred email address that college employees should use for official college information or business. Students are expected to read and, if needed, respond in a timely manner to college emails. For more information about your student email account, go to www.mclennan.edu/studentemail.

Instructional Uses of Email:

Faculty members can determine classroom use of email or electronic communications. Faculty should expect and encourage students to check the college email on a regular basis. Faculty should inform students in the course syllabus if another communication method is to be used and of any special or unusual expectations for electronic communications.

If a faculty member prefers not to communicate by email with their students, it should be reflected in the course syllabus and information should be provided for the preferred form of communication.

Email on Mobile Devices:

The College recommends that you set up your mobile device to receive McLennan emails. If you need assistance with set-up, you may email Helpdesk@mclennan.edu for help.

You can find help on the McLennan website about connecting your McLennan email account to your mobile device:

- [Email Setup for iPhones and iPads](#)
- [Email Setup for Androids](#)

Forwarding Emails:

You may forward emails that come to your McLennan address to alternate email addresses; however, the College will not be held responsible for emails forwarded to an alternate address that may be lost or placed in junk or spam filters.

For more helpful information about technology at MCC, go to [MCC's Tech Support Cheat Sheet](#) or email helpdesk@mclennan.edu.
