Course Grading Information:

Grades in the course will be based on a sum of the weighted average of your daily work and essay grades. Daily work grades will be based on the thoroughness and quality of the student's work. Essay grades will be based on the standards reviewed in class.

Note: **To pass the course, students must complete all major essay assignments.**

Final grades will correspond to the following scale:

A = 90-100 B = 80-89 C = 70-79 D = 60-69 F = 0-59

Course grades will be based on the following approximate percentages:

Assignment Percentage

Weekly Work/Quizzes	20%
Essay 1	20 %
Essay 2	20%
Essay 3	20%
Essay 4	20%

(Note: I reserve the right to adjust these percentages as necessary)

I am more than happy to discuss any questions students may have concerning the grades they receive. However, I ask that students review their grades and determine what question(s) to ask prior to contacting me.

Attendance:

For this online course, attendance will be based on keeping up with weekly assignments.

According to MCC attendance policy, **25%** of absences may result in being withdrawn from the course with a grade of W or F, depending on whether a student is passing. An absence from a class session will be excused if it is caused by authorized participation in official College functions, personal illness, an illness or a death in the immediate family, or the observance of a religious holy day. However, even excused absences count toward 25% attendance requirement. Please notify me via e-mail in advance if you are unable to complete work for the week.

******If you come to the class more than 20 minutes late or leave the class early, you will be counted absent. If you sleep or spend time on your phone during class, you will be counted absent.***

Make-up work:

Each student whether present or absent in class should complete ALL weekly assignments in Brightspace ON or BEFORE the due date. Patterns of late work will be reflected in lower grades for the course in fairness to others who have done their work on time and sometimes at a great sacrifice. *If you need help in getting your coursework done, please let me know as soon as possible.*

Late Work:

Late work is not accepted for daily assignments. Writing assignments, including major essays, will be available for **THREE** more days after the due date; however, 20 points per day will be deducted from your grade. If an essay is late beyond three days, it will NOT be accepted and receive a zero. Reading quizzes and discussion boards will NOT be available for the users after availability ends. Incomplete quizzes and discussion boards will receive a zero.

Student Behavioral Expectations or Conduct Policy:

To create a comfortable learning environment for all present, students are asked to respect their peers. Please respect differences of culture, nationality, values, opinions, and styles. Disrespectful comments on discussion boards will not be tolerated. Repeat offenders will be dropped from the course, and they will be reported to MCC's Discipline Coordinator.

Academic Integrity

I take all cases of academic dishonesty seriously. I believe academic integrity is the fundamental virtue of any professional community. It is important that students adhere to high standards of professionalism and display academic integrity in their behavior.

Engaging in academic misconduct violates the academic integrity of the institution and is a significant offense. Students involved in any of the following warrants immediate disciplinary action:

Plagiarism: The deliberate appropriation, theft, purchase, or obtaining by any means another's work and the unacknowledged submission or incorporation of that work as one's own offered for credit. Appropriation includes the quoting or paraphrasing of another's work without giving credit.

For further clarification, students will be given a zero for the assignment:

- 1) if they try to submit somebody else's paper;
- 2) if they try to submit a paper that was written for another course;
- 3) if they submit a paper written by someone else – this includes AI

- 4) if they copy and paste from online sources with obvious intentions to deceive;
- 5) if they fail to paraphrase research sources properly and do not use quotation marks to indicate borrowed text (“patchwriting”);
- 6) if they fail to provide proper documentation for the sources they use;
- 7) if a paper is written on an unassigned or inappropriate topic.

** For students who are retaking this course, you may not reuse essays written in a previous semester, in part or in whole. All writing that you submit must be new and original work.

No cases of plagiarism or other forms of dishonest conduct will be tolerated. Anyone caught committing plagiarism on any assignment will be given a failing grade automatically without permission to make it up.
