Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

- **Students who have not attended class (in a face-to-face or blended class) and/or who have not completed any attendance assignments (in a blended or online class) prior to the census date will be dropped from the course.**

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.

- **The last day for student initiated withdrawals is March 21st.** With a TTH schedule, 8 absences will meet the 25% policy standards.
- **Attendance will be taken at the beginning of each class.**
 - I will take attendance at two minutes after the posted class start time.
 - If you are not present in class when attendance is taken you will be counted absent.
- **If you arrive late to Class, it is your responsibility to communicate with me at the end of class and change your absent status for the day.**
 - You are allowed one (1) "grace" tardy. The first time that you arrive late to class, I will not count the tardy.
 - Following your grace tardy, every two (2) subsequent tardies will count as one (1) absence.
- **DO NOT enter or leave class while a classmate is presenting a speech.**

Late Work and Make Up Work Policies:

- **In an effort to reduce personal contact, many assignments for the course will be turned in through Brightspace. All online activities must be completed by their assigned due date.**
- **Being unprepared is not a valid excuse and those students will not be allowed to make-up either a missed speech or incomplete portions of a speech.**
- **Students will be permitted to make up class work and assignments missed due to absences caused by (1) authorized participation in official college functions, (2) personal illness, (3) an illness or a death in the immediate family, or (4) the observance of a religious holy day.**
 - I require documentation for above mentioned absences in order for a student to qualify for make-up work.
 - I have the prerogative of determining whether a student may make up work missed due to absences for other reasons.
- **It is the student's responsibility to inform the professor of the reason for an absence and to do so in a timely fashion.**
 - You must email me or leave me a voicemail *on the day of your absence* to qualify for make-up work.
 - The syllabus lists a class schedule with assignments for each day. Please note that this syllabus may be amended during the semester. If you are absent from class, it is your responsibility to inquire about changes.
- **If you know ahead of time that you will be absent from class on a day you are assigned to present a speech, please speak to me about it as much in advance as possible - we may be able to reschedule your presentation date.**

- **Personal conduct in this classroom is based on respect towards others in all aspects of the course.** Please keep your language PG-13 and treat others the way you would like to be treated.
- **You are expected to arrive for class on time.** Please be respectful of your classmates learning/presentation experience and make every possible effort to be on time.
- **All cell phones must be on silent or turned off.**
- **No unnecessary device use during class.**

INTRODUCTION TO SPEECH COMMUNICATION

- Being a good listener is a critical element of effective communication. You **MUST** be an active, courteous listener when others, including your instructor, are speaking.
- Please get enough sleep every night. If you are too tired to stay awake, please do not come to class intending to “nap.” If you put your head down on the table, close your eyes, snore, or give off some other sleeping “vibe,” I will count you absent.
- Bring your textbook to class and keep up with your reading assignments. You will be expected to contribute during discussions.
